**A.1 REPORTS**

As a part of the work and services to be performed, the Consultant will furnish intermediate reports to

SRR from time to time, when requested, in such form and number as may be required by SRR, and will make such final reports as may be required by SRR concerning the work and services performed under the Subcontract.

## **A.2 TRAVEL**

- A. Allowable costs for air travel will be limited to the lowest available airfare. To the extent reasonable, the Consultant will make use of commercial discount airfares, Government contract airfares, and customary standard airfares. First class air travel will only be used when other less expensive accommodations are not reasonable available to meet the necessary duty requirements. Such accommodations are considered "not reasonably available" when they would
- require circuitous routing;
  - require travel during unreasonable hours;
  - greatly increase the duration of the flight;
  - result in additional costs which would offset the transportation saving; or
  - offer accommodations that are not reasonably adequate for the medical needs of the traveler.
- B. (1) The allowance for the use of personal automobile on official business shall not be higher than the rate authorized in FPMR 101.7.1. Such allowance shall be based on the mileage between the authorized points of travel as listed in Rand-McNally standard distance charts. A variation of ten percent, if reasonable under the circumstances, is allowable, except when a longer route is necessitated by road or weather conditions.
- (2) Additional allowances shall be made for daytime and overnight parking and for ferry, toll road, tunnel, or toll bridge charges. In the event two or more persons travel in one automobile, only one mileage allowance will be paid.
- (3) The allowance for an employee on official travel who uses a privately owned automobile for the employee's own convenience in lieu of commercial transportation will be air coach fare plus a reasonable allowance for other normal travel costs, such as for taxi fare, required to get to the airport and to the point of destination and origin, or the applicable mileage rate, whichever is less. In such instances, reimbursement for living allowance will be limited to the time required as if the employee had used air transportation.

## **C. Promotional Materials (Received in Conjunction with Official Travel From Common Carriers, Rental Car Companies or Other Commercial Sources)**

All promotional materials (e.g., bonus flights, reduced-fare coupons, cash, merchandise, gifts, credits toward future free or reduced costs) received by Consultants in conjunction with official travel or applicable to the purchase of travel tickets or other services such as car rental, are due the Consultant and may not be retained by the Consultant. If a Consultant receives such promotional materials from any commercial source incident to official travel, the Consultant shall accept the material on behalf of the Federal Government and relinquish it to SRR.

- D. (1) Foreign travel, when charged directly, shall be subject to the prior approval of SRR for each separate trip regardless of whether funds for such travel are contained in an approved budget. Foreign travel is defined as any travel outside of the United States and its territories and possessions.
- (2) Request for approval shall be submitted at least sixty (60) days prior to the planned departure date, on a Request for Approval of Foreign Travel form, and, when applicable include a notification of proposed sensitive foreign nation travel.
- (3) Consultant foreign travel shall be conducted pursuant to the requirements contained in DOE Order 551.1, Official Foreign Travel, or any official version of the order in effect at the time of award.

## **A.3 INDEPENDENT CONTRACTOR**

In the performance of the work and services under the terms of the Subcontract, the Consultant will act solely as an independent contractor, and nothing contained herein or implied will at any time be so construed as to create the relationship of employer and employee, partnership, principal and agent, or joint adventurer as between SRR and Consultant. The manner and method of implementing and completing any work to be performed under the terms of the Subcontract will be left to Consultant's control and professional judgment. It is understood that SRR has no obligation under local, state, or federal laws regarding the Consultant or any employees, agents, consultants, or subcontractors employed by the Consultant and that the total commitment and liability of SRR in regard to any arrangement or work performed under the Subcontract is to pay the fees and expenses pursuant to the provisions hereof.

**A.4 CONFIDENTIALITY OF INFORMATION**

- A. To the extent that the work under the Subcontract requires that the Consultant be given access to confidential or proprietary business, technical or financial information belonging to the Government, SRR or other companies, the Consultant shall, after receipt thereof, treat such information as confidential and agrees not to appropriate such information to its own use or to disclose such information to third parties unless specifically authorized by SRR or the Contracting Officer in writing. The foregoing obligations, however, shall not apply to
- information which, at the time of receipt by the Consultant, is in public domain;
  - information which is published after receipt thereof by the Consultant or otherwise becomes part of the public domain through no fault of the Consultant;
  - information which the Consultant can demonstrate was in its possession at the time of receipt thereof and was not acquired directly or indirectly from the government or other companies; or
  - information which the Consultant can demonstrate was received by it from a third party who did not require the Consultant to hold it in confidence.
- B. The Consultant shall obtain the written agreement, in a form satisfactory to SRR, of each employee permitted access, whereby the employee agrees not to discuss, divulge or disclose any such information or data to any person or entity except those persons within the Consultant's organization directly concerned with the performance of the contract.
- C. The Consultant agrees, if requested by the SRR or the Government, to sign an agreement identical, in all material respects, to the provisions of this article, with each company supplying information to the Consultant under the Subcontract, and to supply a copy of such agreement to SRR. From time to time upon request of SRR, the Consultant shall supply SRR with reports itemizing information received as confidential or proprietary and setting forth the company or companies from which the Consultant received such information.
- D. (1) The Consultant agrees that upon request by DOE or SRR, it will execute a DOE-approved agreement, with any party whose facilities or proprietary data it is given access to or is furnished, restricting the use and disclosure of the data or the information obtained from the facilities. Upon request

by DOE or SRR such an agreement shall also be signed by Consultant personnel.

- (2) Consultants will indemnify and hold SRR harmless from any and all liabilities, claims, demands, actions, costs, damages and any expenses relating thereto (including but not limited to reasonable attorney's fees) arising from any nonauthorized disclosure of information, protected by Paragraph 7 above, by Consultant or any of its directors, officers, employees, agents, consultants, subcontractors or permitted assigns.

**A.5 REPORTING OF ROYALTIES**

*(Article applies if the Subcontract exceeds \$25,000.)*

If any royalty payments are directly involved in the Subcontract or are reflected in the Agreement price, the Consultant agrees to report in writing to SRR during the performance of the Subcontract and prior to its completion or final settlement the amount of any royalties or other payments paid or to be paid by it directly to others in connection with the performance of the Subcontract together with the names and addresses of licensors to whom such payments are made and either the patent numbers involved or such other information as will permit identification of the patents or other basis on which the royalties are to be paid. The approval of DOE or SRR of any individual payments or royalties shall not stop the Government or SRR at any time from contesting the enforceability, validity or scope of, or title to, any patent under which a royalty or payments are made.

**A.6 TAXES**

- A. All taxes applicable to any amounts paid by SRR to the Consultant under the Subcontract will be the Consultant's liability and SRR shall not withhold nor pay any amounts for federal, state or municipal income tax, social security, unemployment or workers' compensation. Upon request by SRR, the Consultant will provide documentation evidencing compliance with all applicable federal, state and municipal income tax and/or self-employment tax laws in regard to amounts received under the Subcontract.
- B. In accordance with current law, SRR shall annually file with the Internal Revenue Service a Form 1099-MSIC, U.S. Information Return for Recipients of Miscellaneous Income, reflecting the gross annual payments by SRR to the Consultant, net of any reimbursed expenses incurred by the Consultant on behalf of SRR, pursuant to the Subcontract. The Consultant hereby acknowledges personal income tax liability for the self-employment tax imposed by

Section 1401 of the Internal Code, and the payment when applicable, or estimated quarterly Internal Revenue Service Forms 1040-ES, declaration of estimated tax by individuals.

#### **A.7 TERMINATION**

SRR has the right to terminate the Subcontract or any work being performed under any schedule executed pursuant thereto at any time by a written notice to the Consultant. In such event, notwithstanding any other provisions of the Subcontract, all work and services being performed under the Subcontract or any schedule being terminated will automatically and instantly terminate and SRR will have no liability or obligation for any performance by Consultant after the Consultant received or should have received such notice.

#### **A.8 ASSIGNMENT**

The Consultant may not assign the Subcontract or any schedule executed pursuant thereto, nor may the Consultant delegate or subcontract the performance and obligations imposed hereunder without the consent of SRR.

#### **A.9 DISPUTES**

- A. Consultant shall not be entitled to and neither SRR nor the Government shall be liable to the Consultant or its lower tier consultants (includes suppliers and subcontractors) for damages in tort (including negligence), or contract, or otherwise, except as specifically provided in this Subcontract.
- B. The Parties shall attempt to settle any claim or controversy arising from this Subcontract through consultation and negotiations in good faith and a spirit of mutual cooperation. If those attempts fail, then the dispute will be mediated by a mutually acceptable mediator chosen by the Parties within thirty (30) days after written notice by one party demanding mediation. Neither Party may unreasonably withhold consent to the selection of a mediator, and the Parties will share the costs of the mediation equally. Any dispute which cannot be resolved between the Parties through negotiation or mediation shall be resolved by litigation in a court of competent jurisdiction located in the State of South Carolina. Determination of any substantive issue of law shall be according to the Federal common law of Government contracts as enunciated and applied by Federal judicial bodies and boards of contract appeals of the Federal Government; if there is no applicable Federal Government contract law, the law of the

State of South Carolina shall apply in the determination of such issues.

- C. While a dispute is pending, the Consultant shall proceed diligently with performance of all terms of this Subcontract. The Consultant's consent to so proceed shall not restrict or otherwise affect the Contractor's right to contest any claim.

#### **A.10 INSURANCE**

##### **A. Professional Liability.**

The Consultant shall, when directed by SRR, maintain professional liability insurance insuring against acts of omission and commission by the Consultant in amounts satisfactory to SRR and issued by insurance carriers approved by SRR. ##### **B. Automobile Liability Insurance.**

In the event that the Consultant is required to perform work or services on SRR owned or controlled premises, including but not limited to the Savannah River Site, and in the performance thereof the Consultant uses a Consultant owned, leased or rented automobile, the Consultant shall provide a certificate of insurance to SRR upon request for automobile liability insurance including bodily injury and property damage with limits of at least \$500,000 per person and \$1,000,000 per accident issued by an insurance carrier satisfactory to SRR. Nothing in this article shall be construed as requiring the Consultant to provide insurance coverage in excess of the statutory minimum amounts stipulated by the State in which the Consultant's vehicle is registered and insured, when the use of the automobile is solely for transportation to and from the SRR owned or controlled premises.

**Note:** All personnel operating motor vehicles at SRS must have a valid driver's license, vehicle registration and proof of insurance (regardless of state of origin). Anyone not having these documents is subject to being denied access to SRS and, if in violation of a law, being cited for the violation.

#### **A.11 RELEASE OF LIABILITY**

The Consultant hereby releases SRR from any and all liability for damage to property or loss thereof, personal injury or death during the term of the Subcontract (and any extensions thereof) or thereafter, sustained by the Consultant, and any employee, agent, consultant, or subcontractor employed by the Consultant as a result of performing the services under the Subcontract or arising out of

the performance of such services, and the Consultant will indemnify and save SRR harmless from any and all claims arising from or by reason of such property damage or loss, personal injury or death, except where such damage, loss, injury or death is caused by or results from the sole negligence of SRR, its agents or employees.

**A.12 GENERAL**

- A. The Consultant has no authority whatever, expressed or implied, by virtue of the Subcontract to commit SRR in any way to perform in any manner or to pay money for services or material.
- B. The Subcontract will be void and without any binding effect on SRR if the Consultant or any Consultant employee utilized in the performance of the Subcontract is a candidate for federal, state or local political office or holds any such office, unless and until it has been approved by the General Counsel of SRR or his/her designee.
- C. The whole and entire agreement of the parties is set forth in the Subcontract and the schedules executed pursuant thereto (which are hereby incorporated and made a part of the Subcontract as executed) and the parties are not bound by any agreements, understanding or conditions otherwise than as expressly set forth therein or in any schedule incorporated into the Subcontract.

*(The following terms are applicable if performance of this Subcontract will require the Consultant's employee(s) to perform work on SRS premises for more than ten (10) working days.)*

A. General Employee Training (GET).

(1) The Consultant shall inform its employees and the employees of its lower tier consultants, subcontractors, and agents that it is the policy of Savannah River Remediation to adhere to the requirements contained in the DOE Order entitled "Personnel Selection, Qualification and Training Requirements," which requires any individual, employed either full or part-time at any DOE reactor or non-reactor facility to receive selected general training.

(2) Successful Completion Required  
Said employees, referred to in the remainder of this document as "individual", must successfully complete the training known as "General Employee Training" (GET) as offered by the SRS. The GET sessions are given by a Savannah River Site authorized GET instructor. There are three categories of GET.

(i) Category 1 consists of viewing a video that lasts for one hour. This category is limited to delivery personnel, visitors, and other temporary personnel that require badged access to the general site and property protection areas and are typically on site greater than 10 days, but not consecutively, in a calendar year.

(ii) Category 2 consists of viewing a video and a written examination, and lasts for approximately two hours. This category would apply to visitors or other temporary personnel that require badged access to the general site and property protection areas and are on site greater than 10 days consecutively in a calendar year, and additional training is not required as determined by SRR.

(iii) Category 3 consists of eight hours of training and includes instructor lecture along with audio and visual aids and a written examination. This category applies to individuals who require badged access to the general site, property protection areas, or security controlled areas and additional training is required, as determined by SRR.

(3) Successful Completion Defined: Successful completion occurs when the individual

(i) is scheduled for GET,  
(ii) attends the GET session,  
(iii) obtains a test score of 70% or greater on the written examination, if required,

- (100% is the highest obtainable score), and
- (iv) properly completes all documents (rosters, exam answer sheet, etc.).
- (4) Unsuccessful Completion Defined: If the individual fails to successfully complete GET, the individual is given a failure notice and is to notify the Subcontract Technical Representative (STR) for rescheduling for remedial training or for a re-test. The individual will be allowed several chances to successfully complete the GET. Continued failure to successfully complete GET will result in resolution by the STR.
- (5) Scheduling for GET  
The STR shall direct the individual to the appropriate training center to attend the GET session. GET training is scheduled subject to demand.
- (6) Records  
GET records will be maintained by SRR.
- B. Annual Refresher Training.  
Refresher Training is required after an individual's initial successful completion of all categories of GET, regardless of the individual's present employer. Category 1 and Category 2 GET training must be repeated annually. For Category 3, successful completion of Consolidated Annual Training (CAT) is required. The Consultant is responsible for scheduling its employees for this training. The STR may be contacted for assistance.
- C. Upon providing proof of successful completion of GET either at another DOE facility, or while employed by a firm other than the Consultant under this Subcontract, the employee will not be required to repeat this training.

**A.17 SECURITY EDUCATION REQUIREMENTS FOR SUBCONTRACTORS**

*(The following items are applicable if performance of the Subcontract will require the Consultant's employee(s) to receive a security badge.)*

- A. Subcontractor Security Education Coordinator.
- (1) If this Subcontract will require that a force of more than thirty (30) of Consultant's employees receive a badge, then the Consultant shall provide to the SRR Security Education Office, the name of representative appointed to administer Security Education Program. This representative shall be referred to as the Subcontractor Security Education Coordinator (SSEC).
- (2) If the Subcontract will require that less than thirty (30) of Consultant's employees

- receive a badge, then the SRR Subcontract Technical Representative (STR) will perform the activities discussed in this Supplement.
- B. Company Roster.  
The SSEC will be responsible for providing the STR with a roster of all employees of Consultant receiving a badge. At a minimum the data shall include name, social security number, work telephone number, clearance level and place where work is generally performed. This list shall be kept current and updated every sixty (60) days.
- C. Initial Briefing.  
The SSEC will ensure that all employees of the Consultant, regardless of clearance level, receive an Initial Security Briefing. This briefing is shown during General Employee Training. This briefing consists of a videotape shown during GET, or at the time of badging for those individuals not required to attend GET.
- D. Comprehensive Briefing.  
If the Consultant's employees have a clearance at the inception of this Subcontract, or receive a clearance at any time during the course of the Subcontract, the SSEC/STR will ensure that those Subcontract employees receive a Comprehensive Briefing from SRR.
- E. Annual Refresher Briefing.  
The SSEC/STR shall ensure that all of the Consultant's employees receive, at least once in a twelve (12) month period, an Annual Security Refresher briefing from SRR. This briefing is provided during GET Refresher Training.
- F. Foreign Travel Briefing.  
If an employee of the Consultant plans a trip to a sensitive country, whether on official business or for pleasure, the SSEC/STR is responsible for ensuring that the individual receives a Foreign Travel Briefing from SRR before departing and a Debriefing upon return. The OPSEC Officer is responsible for these Briefings.
- G. Badge Retrieval at Termination.  
The Consultant is responsible for ensuring that badges are returned or accounted for when its employees terminate employment or when the Subcontract is completed. The employee must report to Employment Processing Center, for proper completion of out-processing and badge return. This effort should be coordinated with the SRR STR.
- H. Termination Briefing.  
When an employee of the Consultant terminates employment or is reassigned, the SSEC/STR will ensure that a Termination Briefing by SRR is given and the appropriate forms are executed.

Briefing materials and appropriate forms are provided by SRR.

**A.18 UNCLASSIFIED CONTROLLED NUCLEAR INFORMATION (UCNI)**

In the performance of this Subcontract, the Consultant is responsible for complying with the following requirements and for flowing down all requirements to lower tier consultants.

- A. The Consultant ensures that access to UCNI is provided to only those individuals authorized for routing or special access (see DOE M 471.1-1, Chapter II). Consultant may provide access to material or data containing Unclassified Controlled Nuclear Information (UCNI) utilized in the performance of this Subcontract only to employees who are citizens of the United States.
- B. The Consultant ensures that matter identified as UCNI is protected in accordance with the instructions contained in DOE M 471.1-1, Chapter II. Any material or data containing UCNI which is stored on computer systems must be protected, and the protective measures and/or policies must be specified in a Computer Protection Plan approved by the SRR Computer Security organization. Adherence to the Plan is required during the performance of this Subcontract.
- C. Material or data containing UCNI shall be disposed of in a manner as described in DOE M 471.1-1, Chapter II. At a minimum, UCNI matter must be destroyed by using strip cut shredders that result in particles of no more than 1/4-inch wide strips. Documents containing UCNI may also be disposed of in the same manner that is authorized for Consultant disposition of other classified material or data. If the above disposal methods are not available to the Consultant, the Consultant may return the UCNI matter to the STR for disposition, with the prior approval of the STR.
- D. The Consultant shall report to the SRR Security Office or the SRR Procurement Representative any incidents involving the unauthorized disclosure of UCNI.
- E. If performance of work under this Subcontract results in the generation of unclassified documents that contain UCNI, the Consultant shall have a sufficient number of trained UCNI review personnel to ensure the prompt and proper review of generated material or data to provide for the identification, marking, and proper handling of material or data determined to contain UCNI. The Consultant's Reviewing Officials shall apply or authorize the application of UCNI markings to any unclassified matter

that contains UCNI in accordance with the instructions contained in DOE M 471.1-1, Chapter I, Part C.

- F. If the Consultant has a formally designated Classification Officer, the Classification Officer
  - (1) serves as a Reviewing Official for information under his/her cognizance;
  - (2) trains and designates other Reviewing Officials in his/her organization, subordinate organizations, and lower tier consultants and maintains a current list of all Reviewing Officials; and
  - (3) may overrule UCNI determinations made by Reviewing Officials under his/her cognizance.
- G. If the Consultant has no formally designated Classification Officer, the Consultant submits a request for the designation of Reviewing Officials to the local Federal Classification Officer in accordance with the instructions contained in DOE M 471.1-1, Chapter I, Part B.

**A.19 LIMITATION OF FUNDS**

*(Article is applicable only if the Subcontract is partially funded.)*

- A. Of the total price of the Subcontract, the sum of \$\_\_\_\_\_ is presently available for payment and allotted to the Subcontract. It is anticipated that additional funds will be allocated to the Agreement in accordance with the following schedule until the total price of the Subcontract is funded:
- B. The Consultant agrees to perform or have performed work on the Subcontract up to the point at which, if the Subcontract is terminated pursuant to the Termination For Convenience of SRR article of the Subcontract, the total amount payable by SRR (including amounts payable for subcontracts and settlement costs) pursuant to the Termination For Convenience of SRR article would, in the exercise of reasonable judgment by the Consultant, approximate the total amount at the time allotted to the Subcontract. The Consultant is not obligated to continue performance of the work beyond that point. SRR is not obligated in any event to pay or reimburse the Consultant more than the amount from time to time allotted to the Agreement, anything to the contrary in the Termination For Convenience of SRR article notwithstanding.
- C. (1) It is contemplated that funds presently allotted to the Subcontract will cover the work to be performed until\_\_\_\_\_.
- (2) If funds allotted are considered by the Consultant to be inadequate to cover the work to be performed until that date, or an

agreed date substituted for it, the Consultant shall notify SRR in writing when within the next 60 days the work will reach a point at which, if the Subcontract is terminated pursuant to the Termination For Convenience of SRR article of the Subcontract, the total amount payable by SRR (including amounts payable for subcontracts and settlement costs) pursuant to the Termination For Convenience of SRR article will approximate 75 percent of the total amount then allotted to the Subcontract.

- (3) (i) The notice shall state the estimated date when the point referred to in subparagraph C.(2) of this clause will be reached and the estimated amount of additional funds required to continue performance to the date specified in subparagraph C.(1) of this clause, or an agreed date substituted for it.
  - (ii) The Consultant shall, sixty days in advance of the date specified in subparagraph C.(1) of this clause, or an agreed date substituted for it, advise SRR in writing as to the estimated amount of additional funds required for the timely performance of the Subcontract for a further period as may be specified in the Subcontract or otherwise agreed to by the parties.
  - (4) If, after the notification referred to in subdivision C.(3)(ii) of this clause, additional funds are not allotted by the date specified in subparagraph C.(1) of this clause, or an agreed date substituted for it, SRR shall, upon the Consultant's written request, terminate the Subcontract on that date or on the date set forth in the request, whichever is later, pursuant to the Termination For Convenience of SRR article.
- D. When additional funds are allotted from time to time for continued performance of the work under the Subcontract, the parties shall agree on the applicable period of Subcontract performance to be covered by these funds. The provisions of paragraphs B and C of this clause shall apply to these additional allotted funds and the substituted date pertaining to them, and the Subcontract shall be modified accordingly.
- E. If, solely by reason of SRR's failure to allot additional funds in amounts sufficient for the timely performance of the Subcontract, the Consultant incurs additional costs or is delayed in the performance of the work under the

Subcontract, and if additional funds are allotted, an equitable adjustment shall be made in the price or prices (including appropriate target, billing, and ceiling prices where applicable) of the work to be performed.

- F. SRR may at any time before termination, and, with the consent of the Consultant, after notice of termination, allot additional funds for the Subcontract.
- G. The provisions of this clause with respect to termination shall in no way be deemed to limit the rights of SRR under the default article of the Subcontract. This clause shall become inoperative upon the allotment of funds for the total price of the work under the Subcontract except for rights and obligations then existing under this clause.
- H. Nothing in this clause shall affect the right of SRR to terminate the Subcontract pursuant to the Termination For Convenience of SRR article of the Subcontract.

#### **A.20 RIGHT OF FIRST REFUSAL OF EMPLOYMENT**

The scope of work described herein as currently being performed by SRR employees and award of a Subcontract may displace these workers. Consistent with section 3161 of the National Defense Authorization Act (PL 102-484), if the Consultant needs to hire additional employees beyond those already part of its existing work force as of the date of this Subcontract in order to satisfy the performance requirements set forth by the scope of work in this Subcontract, the Consultant must first consider the employment of qualified displaced DOE contractor employees who meet the 3161 Job Attachment Test prior to using other avenues to fill that employment need. At the time of award of the Subcontract, the Buyer shall make available to the Consultant a list of displaced employees with sufficient information to allow for contact. This requirement shall be included in the resultant Subcontract and be in effect from the date of award of the Subcontract.

#### **A.21 COPYRIGHTS FOR SRR DIRECTED TECHNICAL PERFORMANCE**

*(Article applies only if specifically so stated in this Subcontract.)*

Consultant shall cause its employee(s) to assign to SRR all rights under the copyright in all works of authorship prepared at the direction of SRR during the term of this Subcontract. Consultant shall include terms in its arrangements with its employee(s) to require such assignments to SRR. To the extent that such works of authorship are considered to be works

made for hire for Consultant, Consultant agrees to assign and does hereby assign all of its rights under the copyrights in such works to SRR or the U. S. Government.

#### **A.22 EMPLOYEE CREDENTIALS**

The Subcontractor shall submit to the SRR Procurement Representative information of a professional nature for employees proposed to perform work for SRR. All professional information provided, including resumes and biographies, must be accurate, truthful, and complete to the best of Subcontractor's knowledge and belief. SRR will rely upon all representations made by the Subcontractor both in the evaluation process to staff a specific SRR personnel need and for the performance of the work by the Subcontractor employee selected. SRR may require the Subcontractor to substantiate the credentials, education, criminal background check, and employment history of its employees, subcontractor personnel, and consultants, through submission of copies of transcripts, diplomas, licenses, certifications, awards, state criminal database searches, etc.

#### **A.23 CONSULTANT'S LIABILITY FOR FINES AND PENALTIES**

- A. Consultant is liable to SRR for fines and penalties assessed by any governmental entity against SRR or DOE as a result of Consultant's failure to perform its work under the Subcontract in compliance with the requirements of the Subcontract.
- B. Consultant shall indemnify, defend and hold harmless SRR and DOE from and against any and all claims, demands, actions, causes of action, suits, damages, expenses, including attorney's fees, and liabilities whatsoever resulting from or arising in any manner on account of the assessment of said fines and penalties against SRR or DOE.

#### **A.24 FOREIGN NATIONALS**

*(As used in this article, the term "Foreign National" is defined to be a person, who was born outside the jurisdiction of the United States, is a citizen of a foreign government and has not been naturalized under U.S. law.)*

- A. The Consultant shall obtain the approval of SRR, in writing, prior to any visit to a DOE or SRR facility by any Foreign National in connection with work being performed under this Subcontract, in accordance with the requirements of DOE Order 142.3, Unclassified Foreign Visits and Assignments Program. Visits are normally

for the purpose of technical discussions, orientation, observation of projects or equipment, training, subcontract service work, including delivery of materials, or for courtesy purposes. The term "visit" also includes officially-sponsored attendance at a DOE or SRR event offsite from the DOE/SRR facility, but does not include offsite events and activities open to the general public. Consultants should be aware that required forms and documents necessary for approval of visits by Foreign Nationals should be submitted to the SRR Procurement Representative at least four (4) to six (6) weeks prior to the visit, depending on the nationality of the individual and the areas to be visited. Forms can be obtained from the SRR Procurement Representative.

- B. In addition, the Consultant shall obtain the approval of the SRR Procurement Representative, in writing, prior to the employment of, or participation by, any Foreign National in the performance of work under this Subcontract or any lower tier Subcontract at offsite locations. Such approvals will be processed in accordance with the requirements of DOE Order 142.3
- C. In the performance of offsite work, Foreign Nationals only incidentally involved with a SRR Subcontract, and who have no knowledge that their activities are associated with SRR Subcontract work, are exempt from the above.

#### **A.25 PAYMENT BY ELECTRONIC FUNDS TRANSFER**

- A. Methods of Payment.
  - (1) All payments by SRR under this Subcontract shall be made by Electronic Funds Transfer (EFT) except as provided in paragraph A.2 of this Article. As used in this Article, the term "EFT" refers to the funds transfer and may also include the payment information transfer.
  - (2) In the event SRR is unable to release one or more payments by EFT, Consultant agrees to either
    - (i) accept payment by check or some other mutually agreeable method of payment; or
    - (ii) request SRR to extend payment due dates until such time as SRR makes payment by EFT.
- B. Mandatory Submission of Consultant's EFT Information.

Consultant is required to provide SRR with the information required to make payment by EFT. Consultant shall provide this information directly

to the office designated in this Subcontract, on forms provided by SRR, no later than 15 days after award. If not otherwise specified in this Subcontract, the payment office is the designated office for receipt of Consultant's EFT information. In the event that the EFT information changes, Consultant shall be responsible for providing the updated information to the designated office.

C. Mechanisms for EFT Payment.

SRR may make payment by EFT through either the Automated Clearing House (ACH) network, subject to the rules of the National Automated Clearing House Association, or the Fedwire Transfer System.

D. Suspension of Payment.

(1) SRR is not required to make any payment under this Subcontract until after receipt, by the designated office, of the correct EFT payment information from Consultant. Until receipt of the correct EFT information, any invoice or subcontract financing request shall be deemed not to be a proper invoice for the purpose of payment under this Subcontract.

(2) If the EFT information changes after submission of correct EFT information, SRR shall begin using the changed EFT information no later than 30 days after its receipt by the designated office. However, Consultant may request that no further payments be made until the updated EFT information is implemented by the payment office.

E. Payment Information.

On the day payment on Consultant's invoice is due, SRR will issue instructions to its bank to transfer payment to Consultant, and will also send a FAX to Consultant explaining the details to support the payment.

F. Liability for Uncompleted or Erroneous Transfers.

(1) If an uncompleted or erroneous transfer occurs because SRR used the Consultant's EFT information incorrectly, SRR remains responsible for

- (i) making a correct payment; and
- (ii) recovering any erroneously directed funds.

(2) If an uncompleted or erroneous transfer occurs because Consultant's EFT information was incorrect, or was revised within 30 days of SRR release of the EFT payment transaction instructions to the bank, and

(i) if the funds are no longer under the control of the payment office, SRR is deemed to have made payment and the Consultant is responsible for recovery of any erroneously directed funds; or

(ii) if the funds remain under the control of the payment office, SRR shall not make payment and the provisions of paragraph D shall apply.

G. Overpayments. If Consultant becomes aware of a duplicate invoice payment or that SRR has otherwise overpaid on an invoice payment, the Consultant shall immediately notify SRR and request instructions for disposition of the overpayment.

**A.26 JOINT INTELLECTUAL PROPERTY RIGHTS**

A. "Joint Intellectual Property Rights" shall mean any work under the subcontract, which

- (1) results from the involvement of at least one employee/participant from each of SRR and the Consultant; and
- (2) the subject matter of which is capable of protection under domestic or foreign law, including but not limited to, patents, copyrights, trademarks, or mask works.

B. As to Joint Intellectual Property Rights, in which SRR has a joint ownership interest, the Consultant agrees to negotiate in good faith with SRR a Memorandum of Agreement to resolve issues of participation in protection and commercialization.

**A.27 SCIENTIFIC AND TECHNICAL INFORMATION**

A. Electronic submissions of technical reports will consist of two virus-free copies that are readable in the following formats:

- (1) Text will be submitted in native software (that is compatible with the suite of document creation software currently used at SRS) (fonts identified) or in RTF (rich text format).
- (2) Embedded objects and files that are linked to a document must be supplied as well, as follows:
  - (i) Raster images (for example, photographs) will be submitted as TIFF or EPS @ resolution > 100 dpi.
  - (ii) Vector art (for example, line art) will be submitted as EPS images.
  - (iii) Data-driven displays (e.g., spreadsheet charts) must be accompanied by data set used to generate them.

#### **A.28 COMPLIANCE**

Consultant shall comply with all applicable federal, state, and local laws and ordinances and all pertinent lawful orders, rules, and regulations, including new provisions of 10 CFR 851 relating to Health and Safety. Consultant shall track and expect any lower tier consultants to track their Experience Modification Rate (EMR) and Total Recordable Case (TRC) rate and submit a properly executed Environmental Safety and Health (ES&H) Worksheet (obtainable from the SRR ES&H Department) in addition to letters from their workers' compensation carriers verifying their EMRs. If a three-year average interstate EMR exceeds 1.0, Consultant and lower tier consultants no longer are in compliance to continue the performance of work under this Subcontract if work is to be performed on-site. Compliance shall be a material requirement of this Subcontract. Except as otherwise directed by SRR, Consultant shall procure without additional expense to SRR, all necessary permits or licenses.

#### **A.29 ACCESS TO DOE-OWNED OR LEASED FACILITIES**

*(Article applies if Consultant will require physical access to DOE-owned or leased facilities.)*

- A. The performance of this Subcontract requires that the Consultant have physical access to DOE-owned or leased facilities. The Consultant understands and agrees that DOE has a prescribed process and policies with which the Consultant and its employees must comply in order to receive a security badge that allows such physical access, including appropriate access to DOE-owned equipment. Consultant and its employees and those of any lower tier consultants shall not use any DOE-owned equipment for personal use under any circumstances. The Consultant shall propose employees whose background offers the best prospect of obtaining a security badge approval for access. Consultant's employees also shall be physically fit for duty. This clause does not control requirements for Consultant or an employee obtaining a security clearance.
- B. The Consultant shall assure
- (1) compliance with procedures established by DOE and SRR in providing any forms directed by DOE or SRR;
  - (2) proper completion of any forms;
  - (3) submission of the forms to the person designated by the SRR Procurement Representative;

- (4) cooperation with DOE and SRR officials responsible for granting access to DOE-owned or leased facilities; and
  - (5) the provision of additional information requested by those DOE/SRR officials.
- C. The Consultant understands and agrees that DOE may unilaterally deny the issuance of a security badge to the Consultant or an employee and that the denial remains effective unless DOE subsequently determines that access may be granted. Upon notice from DOE or SRR that an employee's application for a security badge is or will be denied, the Consultant shall promptly identify and submit the appropriate forms for the substitute employee, if needed in the performance of the work under this subcontract. The denial of a security badge to the Consultant or individual employees by DOE shall not be cause for extension of the period of performance of this Subcontract or any Consultant claim against DOE or SRR.
- D. The Consultant shall return to the SRR Procurement Representative, or designee, the badge(s) or other credential(s) provided by DOE pursuant to this clause, granting physical access to DOE-owned or leased facilities by the Consultant's employee(s) upon
- (1) termination of this Subcontract;
  - (2) expiration of this Subcontract;
  - (3) termination of employment on this Subcontract by an individual employee; or
  - (4) demand by DOE/SRR for return of the badge.
- E. The Consultant shall include this clause, including this paragraph E. in any lower tier Subcontract or Subcontract, awarded in the performance of this Subcontract, in which an employee(s) of the lower tier subcontractor will require physical access to DOE-owned or leased facilities.
