◆ AGREEMENTS AND AUTHORIZATIONS ◆

To the best of my knowledge and belief, all written, telephonic and electronic information I provided is true and complete. I also understand that the insurance I have selected for myself will begin on the effective date, provided I am actively at work on that date. If I am not, the effective date of my personal coverage, as well as dependent coverage, will be delayed until I am actively at work. Also, if any one of my dependents to be insured is not performing normal daily activities* on the effective date, that coverage will be delayed until the date the dependent resumes normal daily activities. I understand that insurance subject to medical questions requires insurance company approval, and additional medical information, including blood work, may be required to approve such insurance. I understand that I am responsible to report to the insurance company any change in my health prior to my coverage effective date, and that no coverage will be effective unless I meet the insurance company's underwriting requirements on the effective date.

Authorization: If proposed for insurance, I authorize the following parties with any records or knowledge of personal information, medical history, mental or physical condition, diagnosis or treatment of me, to give such information to the Insurer, its authorized representatives or reinsurers. The authorized parties include any licensed physician, medical practitioner, hospital, clinic, Veterans Administration or other medically related facility, insurance company, employer, the Medical Information Bureau, or other organization, institution or person. For the purposes of collection and use of information to evaluate my application for insurance, I agree that my authorization is valid for thirty (30) months from the date of my signature below.

I understand that disclosures may be made without my consent as permitted by law. I also understand that the Insurer, its authorized representatives or reinsurers may make a brief report about my health or medical information listed above to the Medical Information Bureau (MIB), a non-profit membership organization of life insurance companies, which operates an information exchange on behalf of its members. If I apply to another Bureau Member Company for life or health insurance coverage, or a claim for benefits is submitted to such a company, the Bureau, upon request, will supply such company with the information in its file. Upon receipt of my request, the Bureau will arrange disclosure of any information it may have in my file. If I question the accuracy of information in the file, I may contact the Bureau and seek a correction in accordance with the procedures set forth in the Fair Credit Reporting Act. The Bureau's information office address is P.O. Box 105, Essex Station, Boston, MA 02112. Telephone: 617.426.3660.

A copy of this authorization will be valid as the original. I understand that my authorized representative or I have the right to receive a copy of this authorization upon request. My authorized representative or I can revoke this authorization at any time, subject to the rights of an individual who acted in reliance on this authorization prior to notice of revocation. The revocation must be in writing, signed and dated by my authorized representative or I.

Electronic/Telephonic Authorization: I authorize the insurance company to accept my telephonic and electronic elections and change requests, as allowed by law. The insurance company will not be legally responsible for any liability if acting in good faith upon any instructions given by telephone or electronic means, or for the authenticity of such instructions.

* **Normal Daily Activities** for a spouse and child are defined as follows: A spouse will not be deemed able to do normal tasks if he or she: a) is a patient in a hospital; or b) is confined at home under the care of a doctor for sickness or injury; or c) has had his or her level of activity significantly reduced so that he or she requires human supervision or assistance to perform any of the following Activities of Daily Living: mobility, transferring, feeding, dressing or toileting, which another person of the same age could normally perform. A child will not be deemed able to do normal tasks if he or she: a) is a patient in a hospital; or b) is confined at home under the care of a doctor for sickness or injury.

Caution: Any person who, knowingly and with intent to defraud any insurance company or other person: (1) files an application for insurance or statement of claim containing any materially false information; or (2) conceals for the purpose of misleading, information concerning any fact material thereto, commits a fraudulent insurance act.
