

## **SAVANNAH RIVER NUCLEAR SOLUTIONS, LLC**

### **HEALTH REIMBURSEMENT ACCOUNT**

#### **SUMMARY OF MATERIAL MODIFICATIONS**

Savannah River Nuclear Solutions, LLC (SRNS) is making certain changes as summarized below; shifting the requirement of enrolling initially through RightOpt to LIG Solutions, effective September 28, 2023, and ending the Catastrophic Drug Program effective January 1, 2024. This Summary of Material Modifications (SMM) is a supplement to the Summary Plan Description (SPD) document(s) for the Plan.

#### **The Plan**

**Savannah River Nuclear Solutions, LLC, Welfare Benefits Plan (Wrap Plan) Plan Number 525 and component Health Reimbursement Account Summary Plan Description.**

- Effective 12:01 am September 27, 2023, the current HRA advocacy vendor RightOpt ended and is replaced by LIG Solutions (a Gallagher Company) 6100 Rockside Woods Blvd N. Suite 310 Independence, OH 44131.
- Effective January 1, 2024, the Catastrophic Drug Program will be terminated. The Inflation Reduction Act passed by Congress in late 2022 changed Part D drug plans to remove the coinsurance requirement while in the Catastrophic Stage. As a result of this change to Medicare Prescription Drug Plans, the Catastrophic Drug Program will no longer be necessary.
