Cigna's Will Preparation Program

CIGNA Life Insurance (SRNS' and SRR's provider for life insurance services) is now providing a Will Preparation Program. This free legal resource center website is available to all employees and adult family members who are covered by CIGNA's life or accident insurance. You are receiving this letter since our company-provided life insurance is underwritten by CIGNA and are therefore eligible for this free service from CIGNA.

The website, produced by ARAG - a company in conjunction with CIGNA, is secure, easy to use, and offers information on many estate planning topics. The website is www.CIGNAWillCenter.com. To use the site, you'd have to register as a new user. Once registered, you have access to an Estate Planning page with the following options:

- Generate and retain your personalized legal documents
- Follow on-screen prompts for questions and answers concerning your legal documents
- Preview, edit, download, and print your legal documents for execution

Instructions throughout the document creation process are provided, as well as supporting information to assist you in understanding the intent of each document.

Also included in the website are legal resources and explanations for topics such as:

- Last will & testament
- Living wills
- Healthcare power of attorney
- Financial power of attorney
- Identity theft
- Planning for disabilities

While this resource will not legally finalize your Will, it will provide you the tools necessary to create the documentation needed by an attorney to fully execute your last wishes. A brochure on this service is attached.
