

May 17, 2010

Dear Participant:

Savannah River Nuclear Solutions, LLC and Savannah River Remediation LLC are committed to providing you with a comprehensive and competitive 401(k) Plan that offers the flexibility, support, and choices you need to pursue your long-term investing objectives. With that goal in mind, we are pleased to announce an exciting, upcoming change to how the 401(k) Plan (also known as the Savings & Investment Plan or SIP) is administered.

In an effort to promote cost savings, while ensuring that you continue to receive top-quality service, we have selected Mercer as our new record keeper. As a leading provider of total benefit services, Mercer specializes in delivering award-winning education and participant services to employees of plans like ours. For these reasons, effective August 2, 2010, Mercer will replace our current 401(k) record keeper.

At that time you will have access to an array of new educational tools and services, as well as new SIP offerings. These include:

- **Investment advice** – You can now access investment advice through Financial Engines<sup>®</sup>, including a step-by-step investment action plan, with guidance on fund selection and contribution amounts to help you reach your retirement goals\*.
- **Target date retirement funds** – You will now have the option of investing in a target date retirement fund.
- **Greater access to personal assistance** – You will have Service Representatives available to assist you, via a toll-free phone number, between the hours of 8:00 a.m. and 10:00 p.m. Eastern Time, Monday-Friday.
- **A new, fully integrated Plan website** – You will have virtual 24/7 access to your account information, the ability to perform transactions, interactive calculators, and education articles from well-known financial publications.

We hope you will take advantage of these exciting new offerings and that you continue to play an active role in planning for, and managing, your retirement.

Please watch for additional information about the transition to Mercer and the SIP's new features in the next few weeks. For comments or questions, please contact the Benefits Solutions Service Center by phone at (803) 725-7772 or by e-mail at [Service-Center@srs.gov](mailto:Service-Center@srs.gov).
