

FORMAT FOR RESPONSE TO REGULATORY COMMENTS (U)

Purpose

The following provides a revised format for comment responses to EPA and SCDHEC comments on regulatory reviewed documents. This format will be included in a subsequent revision of FFA Implementation Plan.

Comment: repeat comment totally, with no elaboration

Agree/Disagree:

Response/Clarification: required for disagreements, should be brief, factual and technically supported

Responsible Party and Phone Number: author of response or functional manager

Please note that utilization of clarifications are to be minimized.
