## **SRNS Demonstrates Appreciation for This Year's Interns**

*More than 100 SRNS interns honored at recent event*

*AIKEN, S.C. – August 7, 2015 – Interns working for Savannah River Nuclear Solutions at the Department of Energy's Savannah River Site provide a wealth of knowledge, immeasurable enthusiasm and a unique perspective throughout their internships. All 114 SRNS interns were recently invited to attend a special event held at Newberry Hall, Aiken, S.C., where company officials met with and thanked the interns for their contributions to SRS and offered to answer questions and provide advice. SRNS President & CEO Carol Johnson (above, right) discussed potential career opportunities with interns and Aiken County residents Rebecca Jarrell, a senior at Clemson University, and DeJean Dunbar a junior at Charleston Southern University.*

*Savannah River Nuclear Solutions is a Fluor-led company whose members are Fluor Federal Services, Newport News Nuclear and Honeywell, responsible for the management and operations of the Department of Energy's Savannah River Site, including the Savannah River National Laboratory, located near Aiken, South Carolina.*
