Public Comment Sought for Savannah River Site Workforce Restructuring Plan

AIKEN, SC -- The Department of Energy Savannah River Site (DOE-SR) has posted a draft workforce restructuring plan for public comment. The draft workforce restructuring plan, prepared under Section 3161 of the National Defense Authorization Act, is designed to mitigate the impacts of any potential workforce reductions to contractor employees at the Site and the surrounding community.

The public comment period for the Draft Workforce Restructuring Plan will end July 22, 2013.

The draft plan outlines Department's approach for responding to the changing missions and contractor workforce structure at the Savannah River Site for Fiscal Year 2013 and beyond.

The draft workforce restructuring plan is available on the DOE-SR website at:
