A.1 DEFINITIONS
As used in these General Provisions, the following terms shall have these meanings:
A. "Contracting Officer" means the Government official executing the Prime Contract No. DE-AC09-08SR22470 between SRNS and the Department, and includes a duly appointed successor or authorized representative.
B. "Department" or "DOE" means the United States Department of Energy or its duly authorized representative, representatives, or successors.
C. "Head of Agency" means the Secretary, Deputy Secretary, or Under Secretary of the Department of Energy.
D. "Prime Contract" means the contract entered into by SRNS with the United States.
E. "Secretary" means the Secretary of the U.S. Department of Energy; and the term "designee and duly authorized representative" mean any person or board (other than the Contracting Officer) authorized to act for the Secretary.
F. "Subcontractor/Supplier" means any Subcontractor or Supplier of any tier who supplies goods or services to SRNS in connection with the Subcontractor's/Supplier's obligations under the Subcontract.
G. "SRNS" means Savannah River Nuclear Solutions, LLC.
H. "SRNS Procurement Representative" shall mean a person with the authority to execute, administer and terminate the contract, and make related determinations and findings. The term includes certain authorized representatives of the SRNS Procurement Representative acting within the limits of their authority as delegated by the SRNS Procurement Representative.
I. “Covered Funds” means funds expended or obligated from appropriations under the American Recovery and Reinvestment Act of 2009, Pub. L. 111-5, (Recovery Act or Act) among other things, will have special accounting codes and will be identified as Recovery Act funds in the contract and/or modification using Recovery Act
funds. Covered Funds must be reimbursed by September 30, 2015.

J. “Non-Federal Employer” means any employer with respect to Covered Funds—Subcontractor/Supplier, as the case may be, if the Subcontractor/Supplier is an employer; and any professional membership organization, certification of other professional body, any agent or licensee of the Federal government, or any person acting directly or indirectly in the interest of an employer receiving Covered Funds; or with respect to Covered Funds received by a State or local government, the State or local government receiving the funds and any Subcontractor/Supplier of the State or local government; and does not mean any department, agency, or other entity of the federal government.

A.2 WORK AND SERVICES TO BE PROVIDED

A. While the Subcontract is in effect, the Contractor(s) will perform certain work and services at the Savannah River Site, at the Subcontractor’s/Supplier’s home office, or elsewhere as required from time to time upon the direction of SRNS, on either a continuous or an intermittent basis, under the terms and conditions hereinafter set forth. The work and services to be performed by the Subcontractor/Supplier is found in the Statement of Work and Services, which is attached to the Subcontract and by this reference incorporated therein.

B. As a part of the work and services to be performed, the Subcontractors/Suppliers may be required to furnish intermediate reports to SRNS from time to time, when requested, and in such form and number as may be required by SRNS, and will make such final reports as may be required by SRNS concerning the work and services performed under the Subcontract. Further, the Subcontractor/Supplier shall furnish SRNS, as requested, copies of research and engineering data drawings, notebooks, photographs, and computer software including source codes generated by Subcontractor/Supplier under the Subcontract.

C. Subcontractors/Suppliers are required to register and maintain an active DUNS number and a current registration in the System for Award Management (SAM), formerly known as Central Contractor Registration (CCR), in compliance with FAR 52.204-7 and Subpart 42.12 of the FAR. In addition, a Subcontractor/Supplier Information Form (SIF) must be completed and submitted with the supplier’s solicitation response.

D. The fees for Site required training classes will be absorbed by SRNS and the subcontractor's attendance time will be compensated for the initial attendance. If a subcontract employee does not successfully pass the course, the subcontractor's attendance time for a second pass and beyond will not be reimbursed; however, the class fees will continue to be absorbed by SRNS. The same scenario applies for substance abuse testing.

A.3 TECHNICAL DIRECTION

A. (1) The performance of the work required under the Subcontract shall be subject to the technical direction and surveillance of the person(s) specified in paragraph B of this Article.

(2) As used herein "technical direction" is direction to the Subcontractor/Supplier, which provides the details, requires pursuit of certain lines of inquiry, or otherwise serves to accomplish the contractual statement of work. The technical direction to be valid:

(i) Must be issued in writing consistent with the general scope of the work set forth in the Subcontract;

(ii) May not constitute new assignment of work or change to the expressed terms, conditions or specifications incorporated into the Subcontract or the Subcontractor’s/Supplier's rights thereunder;

(iii) Shall not constitute a basis for any increase in the Subcontract fee or extension to the Subcontract delivery schedule.

(3) Nothing contained in this Article authorizes the Subcontractor/Supplier to incur costs in excess of the estimated cost or other limitation on funds set forth in the Subcontract.

B. The STR/End User of SRNS shall technically direct the work under the Subcontract.

A.4 INDEPENDENT CONTRACTORS

A. In the performance of the work and services hereunder, the Subcontractor/Supplier will act solely as an independent Contractor, and nothing herein contained or implied will at any time be so construed as to create the relationship of employer and employee, partnership, principal and agent, or joint venture as between SRNS, and the Subcontractor/Supplier. The manner and method of implementing and completing any work to be performed hereunder will be left to Subcontractors/Suppliers control and professional judgment. It is understood that SRNS has no obligation under local, state, or federal laws
regarding the Subcontractor/Supplier or any employees, agents, or Subtier Subcontractors/Suppliers employed by the Subcontractor/Supplier and that the total commitment and liability of SRNS in regard to any arrangement or work performed hereunder is to pay the fees and expenses pursuant to the provisions hereof. The Subcontractor/Supplier is responsible for the withholding and payment of all Federal, State and Local income, unemployment, F.I.C.A. or wage taxes and all amounts required for Workers/Workmen's Compensation Act or industrial insurance coverage and any and all other taxes of assessments required to be paid by the Subcontractor/Supplier as an employer.

A.5 SELECTION OF PERSONNEL
A. When personnel categories or classifications are listed, the Subcontractor/Supplier must provide resumes of individuals proposed to be furnished and obtain the written electronic approval of the SRNS Procurement Representative prior to furnishing or utilizing such personnel under the Subcontract. In addition, at the option of SRNS, personal interviews may be required prior to utilizing any individual under the Subcontract. SRNS shall not be obligated to reimburse the Subcontractor/Supplier for the services of any individual utilized without complying with this requirement.

B. When individuals are listed by name, no substitution will be acceptable without a formal written electronic modification to the Subcontract.

A.6 PAYMENT
A. Payment will be made once monthly upon the receipt of a satisfactory invoice specifying classification(s) or individual(s) charged, the days or portions thereof spent by each in rendering the services described in the Subcontract, and a copy of a detailed expense report from each individual charged, accompanied by receipts for charges in excess of $25.00, detailing travel and living expenses where travel was involved. Subcontractor/Supplier shall issue electronically all invoices directly to Accounts Payable via the SRNS-ACCTSPAY@srs.gov email account. Subcontractor/Supplier shall include banking information on each invoice submitted to facilitate proper EFT. The Subcontractor/Supplier shall include on the invoice the Subcontractor/Supplier name; invoice date; subcontract/purchase order number; vendor invoice number, account number, and/or any other identifying number agreed to by subcontract; description (including, for example, subcontract line/subline number), unit price and quantity of goods and services rendered per specific line item and line item sub-total cost; subcontract name (where practicable), title and telephone number; other substantiating documentation or information required by the subcontract. If there are invoice discrepancies, SRNS will relay to the subcontractor/supplier the deficiencies in their invoice within ten (10) days of receipt of the invoice. The invoice will not be acted upon. Receipt of a corrected invoice will re-initiate the aging of the invoice for payment purposes.

B. SRNS may withhold final payment hereunder until patent clearances covering the Subcontractor/Supplier under the Subcontract have been granted by the Department.

C. Overpayments. If Subcontractor/Supplier becomes aware of a duplicate invoice payment or that SRNS has otherwise overpaid on an invoice payment, the Subcontractor/Supplier shall immediately notify SRNS and request instructions for disposition of the overpayment.

A.7 PAYMENT BY ELECTRONIC FUNDS TRANSFER
B. Methods of Payment.
(1) All payments by SRNS under this Subcontract shall be made by Electronic Funds Transfer (EFT) except as provided in paragraph A.2 of this Article. As used in this Article, the term “EFT” refers to the funds transfer and may include the payment information transfer.

(2) In the event SRNS is unable to release one or more payments by EFT, Contractor agrees to either:
   (i) Accept payment by check or some other mutually agreeable method of payment; or
   (ii) Request SRNS to extend payment due dates until such time as SRNS makes payment by EFT.

C. Mandatory Submission of Subcontractor’s/Supplier’s EFT Information.
Subcontractor/Supplier is required to provide SRNS with the information required to make payment by EFT. Subcontractor/Supplier shall provide this information directly to the office designated in this Subcontract, on forms provided by SRNS, no later than 15 days after award. If not otherwise specified in this Subcontract, the payment office is the designated office for receipt of Subcontractor/Supplier’s EFT information. In the event that the EFT information changes, Subcontractor/Supplier shall be responsible for providing the updated information to the designated office.
D. Mechanisms for EFT Payment
SRNS may make payment by EFT through either the Automated Clearing House (ACH) network, subject to the rules of the National Automated Clearing House Association, or the Fedwire Transfer System.

E. Suspension of Payment
(1) SRNS is not required to make any payment under this Subcontract until after receipt, by the designated office, of the correct EFT payment information from Subcontractor/Supplier. Until receipt of the correct EFT information, any invoice or subcontract-financing request shall be considered an incorrect invoice for the purpose of payment under this Subcontract.

(2) If the EFT information changes after submission of correct EFT information, SRNS shall begin using the changed EFT information no later than 30 days after its receipt by the designated office. However, Subcontractor/Supplier may request that no further payments be made until the updated EFT information is implemented by the payment office.

F. Payment Information
On the day payment on Subcontractor’s/Supplier’s invoice is due; SRNS will issue instructions to its bank to transfer payment to Subcontractor/Supplier, and will also send a FAX to Subcontractor/Supplier explaining the details to support the payment.

F. Liability for Uncompleted or Erroneous Transfers
(1) If an uncompleted or erroneous transfer occurs because SRNS used the Subcontractor’s/Supplier’s EFT information incorrectly, SRNS remains responsible for --
   (i) Making a correct payment; and
   (ii) Recovering any erroneously directed funds.

(2) If an uncompleted or erroneous transfer occurs because Subcontractor’s/Supplier’s EFT information was incorrect, or was revised within 30 days of SRNS release of the EFT payment transaction instructions to the bank, and --
   (i) If the funds are no longer under the control of the payment office, SRNS is considered to have made payment and the Subcontractor’s/Supplier is responsible for recovery of any erroneously directed funds; or
   (ii) If the funds remain under the control of the payment office, SRNS shall not make payment and the provisions of paragraph D shall apply.

A.8 PROFESSIONAL CONDUCT

A. The Subcontractor/Supplier certifies that at this time, there does not exist any actual or potential conflict between its private interests, including corporate stock holdings, and its services under the Subcontract for SRNS, including a situation where the Subcontractor/Supplier is working for or advising a company performing work or proposing to perform work for SRNS which relates to the work of the Subcontractor/Supplier. The Subcontractor/Supplier will, in the event of a change in either its private interests or services under the Subcontract, discuss with SRNS any possible conflict of interests that may arise as a result of such change.

B. The Subcontractor/Supplier warrants that any personnel provided under the Subcontract are not an employee of an organization and concurrently performing work on a full-time annual basis for that organization under a cost-type contract with the Department, and that they will not accept such employment during the term of the Subcontract unless approved in writing by SRNS. For breach or violation of this warranty, SRNS shall have the right to terminate the Subcontract without liability and the Subcontractor/Supplier agrees to repay any and all remuneration received under the Subcontract.

C. Prior to entering the Subcontract, the Subcontractor/Supplier agrees to give notice to SRNS of any other firm or firms with whom it has existing professional service agreements, and agrees to give immediate notice of any other firm or firms with whom enters into professional service agreements during the life of the Subcontract.

D. The Subcontractor/Supplier certifies that it has no other agreements in regard to inventions and discoveries in effect with an employer or with anyone else which will conflict with the conditions of the Subcontract.

E. The Subcontractor/Supplier agrees to be bound by and to comply with SRNS rules of conduct while on SRNS premises including the policy on reporting Employee Concerns and will require all personnel to be bound by and to comply with such rules also.

F. All "certification", "agreement", etc., required of the Subcontractor/Supplier under this Article shall additionally be required of all personnel provided under the Subcontract.

A.9 ASSUMPTION OF RISK AND INDEMNIFICATION

A. Assumption of Risk
The Subcontractor/Supplier assumes all risk of property loss, of damage and of personal injury or death that may be sustained by the Subcontractor’s/Supplier’s employees and/or Subcontractors/Suppliers as a result of performing the work and services required under the Subcontract. The Subcontractor/Supplier also assumes entire responsibility and liability for losses, expenses, damages, demands, and claims by third parties arising out of any injury or including death or alleged injury of any person, or damage or alleged damage to property, sustained or alleged to have been sustained as a result of or arising out of the fault or negligence of employees and/or Subcontractors/Suppliers in the performance of the work or services.

B. Indemnification
The Subcontractor/Supplier will indemnify and save harmless SRNS, the Government, its agents and employees, from and against any and all claims, demands, actions, suits, damages, expenses, including attorney's fees, and liabilities whatsoever including but not limited to actions and claims brought under a Worker's/Workmen's Compensation Act or industrial insurance statute provided however that nothing herein shall require the indemnification for injury or death or damage to property caused by the negligence of SRNS or the Government.

C. Insurance
(1) The Subcontractor/Supplier shall procure and thereafter maintain at its own expense, the following insurance:
   (i) Workers' Compensation and Employer's Liability.
       Limits of Liability: Workers' Compensation: Statutory limits in the jurisdiction wherein the work is to be performed.
       Employer's Liability: A minimum of $1,000,000
   (ii) Comprehensive general liability including bodily injury and property damage.
       Limits of Liability: A minimum of $1,000,000 Combined Single Limit.
       Endorsements: SRNS and the Government to be endorsed as Additional Insured.
       Contractual Liability including all coverage endorsed on the basic policy.
   (iii) Automobile Liability including Bodily Injury and Property Damage including All Owned, Non-Owned and Hired.
       Limits of Liability: $1,000,000 Combined Single Limit.

Note: All personnel operating motor vehicles at SRS must have a valid driver’s license, vehicle registration and proof of insurance (regardless of state of origin). Anyone not having these documents is subject to being denied access to SRS and, if in violation of a law, being cited for the violation.

(2) Certificates of insurance evidencing that the requirements of this Article have been met shall be furnished to SRNS before work is commenced with respect to high hazardous performance under this Order, (Ref. OSR 1-183). In addition, a copy of the policy endorsement for Comprehensive General Liability insurance (Ref. paragraph C. (1) (ii) above), naming SRNS and the Government as “Additional Insured”, shall be submitted with the certificate of insurance. Provisions shall be made for thirty days advance notice by mail to SRNS of change in or cancellation of such insurance. Certificates shall be issued by insurance carriers satisfactory to SRNS.

With respect to all other services, Statements of Certification of insurance evidencing that the requirements of this Article have been met shall be furnished to SRNS before work is commenced. In addition, a Statement of Endorsement for Comprehensive General Liability insurance (Ref. paragraph C. (1) (ii) above), naming SRNS and the Government as “Additional Insured”, shall be submitted with the certificate of insurance. Provisions shall be made for thirty days advance notice by mail to SRNS of change in or cancellation of such insurance. Certificates shall be issued by insurance carriers satisfactory to SRNS.

(3) In the event the Subcontractor/Supplier fails to furnish such Certificates of Insurance, as required in paragraph 2 hereinabove, prior to commencement of work or to continue to maintain such insurance during the performance of the Subcontract, SRNS shall have the right to stop work and/or to withhold any payments or partial payments required to be made under the Subcontract; and shall have the right to continue withholding any or all of said payments so long as the Subcontractor/Supplier has not complied with the requirements of this Article.

(4) On subcontracts involving blasting or other hazardous operations, the Subcontractor’s/Supplier’s insurance shall specifically state that all blasting or such other hazardous operations are fully covered.
D. Subcontractor/Supplier agrees to comply with and require its Subcontractors/Suppliers to comply with all applicable laws, rules, and regulations with respect to state industrial insurance or Workers/Workmen's Compensation, occupational disease, occupational safety and health, or withholding and payment of social security and federal and state income taxes. Subcontractor/Supplier further agrees to indemnify SRNS and the Government against, and to save and hold harmless SRNS and the Government from, any and all liability and expense with respect to claims against SRNS or the Government that may result from the failure or alleged failure of Subcontractor/Supplier or of any of its Subtier Subcontractors/Suppliers to comply therewith.

A.10 DISPUTES
A. Subcontractor/Supplier shall not be entitled to and neither SRNS nor the Government shall be liable to the Subcontractor/Supplier or its Subtier Subcontractors or Suppliers for damages in tort (including negligence), or contract, or otherwise, except as specifically provided in this order.

B. The Parties shall attempt to settle any claim or controversy arising from this Order through consultation and negotiations in good faith and a spirit of mutual cooperation. If those attempts fail, then the dispute will be mediated by a mutually acceptable mediator chosen by the Parties within thirty (30) days after written electronic notice by one party demanding mediation. Neither Party may unreasonably withhold consent to the selection of a mediator, and the Parties will share the costs of the mediation equally. Any dispute which cannot be resolved between the Parties through negotiation or mediation shall be resolved by litigation in a court of competent jurisdiction located in the State of South Carolina. Determination of any substantive issue of law shall be according to the Federal common law of Government contracts as enunciated and applied by Federal judicial bodies and boards of contract appeals of the Federal Government; if there is no applicable Federal Government contract law, the law of the State of South Carolina shall apply in the determination of such issues.

C. During the pendency of a dispute, the Subcontractor/Supplier shall proceed diligently with performance of all terms of this Order. The Subcontractor's/Supplier's consent to so proceed shall not restrict or otherwise affect the Subcontractor's/Supplier's right to contest any claim.

A.11 CHANGES
A. SRNS may at any time, by a written electronic Change Order from the SRNS Supply Chain Management Department, and without notice to the sureties, if any, make changes, within the general scope of the Subcontract. If any such change causes an increase or decrease in the cost of, or the time required for, performance of any part of the work under the Subcontract, and Subcontractor/Supplier timely requests an equitable adjustment, SRNS shall make an equitable adjustment in the Subcontract price,

1) The time of performance or delivery schedule or both; and

2) Other affected terms of the Subcontract, and shall modify the Subcontract accordingly. For any change, whether directed or constructive, Subcontractor/Supplier must assert any request for equitable adjustment under this article in writing, together with such supporting information as SRNS may require, electronically and within 30 days from the date of receipt by the Subcontractor/Supplier first knowledge of the change, or Subcontractor’s/Supplier’s right to assert such request for equitable adjustment shall be waived provided. Where the cost of property made obsolete or excess as a result of a change is included in Subcontractor’s/Supplier's proposal for adjustment, SRNS shall have the right to prescribe the manner of disposition of such property. Failure to agree to any adjustment shall be a dispute within the meaning of the article entitled "Disputes". However, nothing herein shall excuse Subcontractor/Supplier from proceeding with the Subcontract as changed.

B. Any changes, extras or additional work made or performed by Subcontractor/Supplier without the prior written electronic approval of the SRNS Supply Chain Management Department shall be at the sole risk and expense of the Subcontractor/Supplier, there being no financial recourse against SRNS or the Government whatsoever.

C. Subcontractor/Supplier shall not substitute other equipment or materials for those specified in the Subcontract, or vary the quantity of the Work, or otherwise make any changes in the Work, without prior written electronic consent or SRNS.

D. If any change under this Article causes an increase or decrease in the Subcontractor’s/Supplier's cost of, or the time required for, the performance of any part of the work under the Subcontract, whether or not changed by any such order, the Purchasing
Representative shall make an equitable adjustment and modify the Subcontract in writing. However, except for an adjustment based on defective specifications, no adjustment for any change under paragraph B of this Article shall be made for any costs incurred more than twenty days before the Subcontractor/Supplier gives written electronic notice as required. In the case of defective specifications for which the Government is responsible, the equitable adjustment shall include any increased cost reasonably incurred by the Subcontractor/Supplier in attempting to comply with the defective specifications.

E. The Subcontractor/Supplier must assert its right to an adjustment under this Article within 30 days after:

(1) Receipt of a written electronic Change Order under paragraph A of this Article or
(2) The furnishing of a written electronic notice under paragraph B of this Article, by submitting to the Purchasing Representative a written electronic statement describing the general nature and amount of the proposal, unless this period is extended by the Government. The statement of proposal for adjustment may be included in the notice under paragraph B above.

F. No proposal by the Subcontractor/Supplier for an equitable adjustment shall be allowed if asserted after final payment under the Subcontract.

A.12 COMPLIANCE
A. Subcontractors/Suppliers shall comply with all applicable federal, state, and local laws and ordinances and all pertinent lawful orders, rules, and regulations, including new provisions of 10 CFR 851 relating to Health and Safety. Compliance shall be a material requirement of this Subcontract. Except as otherwise directed by SRNS, Subcontractor/Supplier shall procure without additional expense to SRNS, all necessary permits or licenses.

B. This Subcontractor/Supplier shall abide by the requirements of 41 CFR 60-741.5 (a). This regulation prohibits discrimination against qualified individuals on the basis of disability, and requires affirmative action by covered prime Subcontractors/Suppliers to employ and advance in employment qualified individuals with disabilities.

C. This Subcontractor/Supplier shall abide by the requirements of 41 CFR 60-300.5 (a). This regulation prohibits discrimination against qualified protected veterans, and requires affirmative action by covered prime Subcontractors/Suppliers to employ and advance in employment qualified protected veterans.

D. Subcontractor/Supplier - Staff Augmentation Services
(Paragraphs D – J applies to Staff Augmentation Services)
Subcontractors/Suppliers shall comply with all applicable federal, state, and local laws and ordinances and all pertinent lawful orders, rules, and regulations, including provisions of 10 CFR 851. Compliance shall be a material requirement of this Agreement/Subcontract. Except as otherwise directed by SRNS, Subcontractor/Supplier shall procure without additional expense to SRNS, all necessary permits or licenses. DEAR Clause 970.5223-1 Integration of Environment, Safety, and Health into Work Planning and Execution (DEC 2000) is incorporated into the subcontract by reference. Compliance by Subcontractor/Supplier to SRNS's Worker Safety and Health Program (WSHP) [as implemented by Integrated Safety Management System (ISMS)] shall satisfy the requirements of this DEAR clause and 10 CFR 851.

E. The Subcontractor/Supplier employees shall take all reasonable precautions in the performance of work under this subcontract to protect the environment, safety and health of themselves, site employees and members of the public. SRNS procedures provide authority to call a time-out/stop work when unsafe conditions are observed and/or employee actions are likely to cause injury to them, other personnel, or cause damage to SRS property or the environment. Subcontractor/Supplier shall ensure that its employees are aware of this authority and understand they have the same authority as SRNS employees to call a timeout/stop work while working at SRS. SRNS Procurement Representative shall notify the Subcontractor/Supplier in writing of any noncompliance with the provisions of this article and corrective action to be taken.

F. Upon assignment, SRNS will be responsible to provide Staff Augmentation employees with a medical evaluation. In addition, SRNS will be responsible for an exit medical evaluation, when required, on employees with known occupational illnesses, injuries and/or documented or presumed exposure, and, when required by OSHA regulations. All diagnostic/monitoring exams and return to work (after an absence of 24 work hours) exams are to be provided through the Subcontractor/Supplier.

G. Medical results will be provided to the staff augmentation employees.
H. The on-site Medical Surveillance program will be provided by SRNS Medical, or third party designee, based on the work scope hazards. The Subcontractor’s/Supplier's corporate occupational medicine program must be in compliance with all other 10 CFR 851 requirements.

I. Site Reporting Requirements
The Subcontractor/Supplier (staff augmentation) personnel shall immediately notify the STR/End User or the SRNS Procurement Representative of any event or condition that may require reporting to DOE. Further, the Subcontractor/Supplier shall cooperate with any SRNS or DOE critique, analysis, or investigation and complete necessary reports for such events/conditions. Events/conditions that require reporting to DOE are defined in DOE Manual 231.1-2 and can include, but not limited to:

1. Operational emergencies,
2. Occupational injury or illness (including exposures to hazardous substances in excess of allowable limits) and near misses,
3. Any on–the-job injury where a Subcontractor/Supplier employee is taken offsite for something other than observation. The notification requirement applies to any person who goes offsite for prompt medical treatment of any type. The mode of transportation (ambulance, personal vehicle, etc.) is not pertinent – any offsite transfers must be reported immediately,
4. Any violation of Lockout/Tag out controls where there are no credible barriers left between the worker, and the energy source regardless of whether or not there was an injury,
5. Fires/explosions,
6. Hazardous energy control failures,
7. Operations shutdown directed by management for safety reasons,
8. Environmental release of radioactive materials, hazardous substances, regulated pollutants, oil spills, etc.
9. Violation of Federal Motor Carrier Safety Regulations or Hazardous Material Regulations,
10. Loss damage, theft, or destruction to government property (including damage to ecological resources like wetlands, critical habitats, historical/archeological sites, etc.),
11. Spread of radioactive contamination or loss of control of radioactive materials,
12. Personnel radioactive contamination's or exposures, and
13. Violations of procedures.

J. Immediate notification is required of such events to ensure SRNS meets its commitment for 30 minute notification to appropriate DOE authorities. The Subcontractor/Supplier employee shall preserve conditions surrounding or associated with the event for continued investigation unless such actions interfere with establishing a safe condition. The Subcontractor’s/Supplier’s employees shall not conceal nor destroy any information concerning noncompliance or potential noncompliance with the environment, safety and health requirements of this subcontract.

K. When Subcontractor/Supplier shall perform any part of the Work on the premises of SRS or other premises owned and/or operated by the Government during the performance of this Order, the Subcontractor/Supplier shall demonstrate a culture of respect, including having a written policy on Respect in the Workplace; and shall be made available upon request.

A.13 RIGHTS TO PROPOSAL DATA
Except for the technical data contained on those pages of Subcontractor’s/Supplier's proposal which are specifically identified in the Subcontract with specific reference to this article and asserted by Subcontractor/Supplier as being proprietary data, it is agreed that, as a condition of the award of the Subcontract and notwithstanding the provisions of any notice appearing on the proposal or elsewhere, SRNS and the Government shall have the right to use, duplicate, disclose and have others do so for any purpose whatsoever, the technical data contained in the proposal upon which the Subcontract is based.

A.14 TERMINATION
SRNS may, by written electronic notice, terminate the Subcontract in whole or in part, when it is in SRNS's interest to do so. If the Subcontract is so terminated, SRNS shall be liable for payments only as specified in the Article entitled "Schedule of Rates" for services performed before the effective date of termination.

A.15 PERSONAL SERVICES
A. It is the intent of the parties of the Subcontract that the work and services provided for herein shall be performed personally by the Subcontractor/Supplier personnel who are assigned by the Subcontractor/Supplier except that incidental services such as secretarial and clerical assistance may be performed by others when requested by the Subcontractor/Supplier. Except
for such incidental assistance, any services provided for herein may not be performed by persons other than a Subcontractor/Supplier unless written electronic approval for such performance is given by SRNS.

B. It is understood that SRNS shall not be liable for any claims for work performed under or in connection with the Subcontract by persons other than the Subcontractor/Supplier.

A.16 ASSIGNMENT
SRNS may assign the Subcontract, in whole or in part, to the Department, or to such Subcontractor/Supplier as the Department may designate to perform SRNS's obligations hereunder. Upon receipt by the Subcontractor/Supplier of written electronic notice that the Department or a Subcontractor/Supplier so designated by the Department has accepted an assignment of the Subcontract and assumed such obligations, SRNS shall be relieved of all responsibility hereunder and the Subcontractor/Supplier shall thereafter look solely to such assignee for performance of SRNS's obligations. SRNS may also assign any claims hereunder to the Department. The Subcontractor/Supplier shall not assign the Subcontract or any interest therein, nor claims thereunder, nor subcontract any portion of the work to be performed without the prior written electronic consent of SRNS or SRNS's assignee.

A.17 THIRD PARTIES
Nothing in the Subcontract, or its amendments, shall be construed to grant, vest or allow any right to be given to any employee or other third party, excluding the Department, or to the legal representative, heirs, assigns, or successors of any of them, as a third party beneficiary. This provision is not intended to limit or impair the rights which any person may otherwise have under applicable Federal statutes or which are granted or reserved to the Government in the Subcontract.

A.18 CONFIDENTIALITY OF INFORMATION
A. To the extent that work under this Subcontract requires that the Subcontractor/Supplier and Subtier Subcontractors/Suppliers be granted access to confidential or proprietary business, technical or financial information belonging to the Government, SRNS or other companies, the Subcontractor/Supplier shall, maintain such information in confidence and agrees not to further disseminate such information to any third parties unless specifically authorized by SRNS or the Purchasing Representative in writing. The foregoing obligations, however, shall not apply to:

- Information which is or becomes available to the public through no fault of the Subcontractor/Supplier;
- Information which the Subcontractor/Supplier can demonstrate by written record was previously known to them and was not acquired directly or indirectly from the government or other companies subject to any obligations of confidentiality;
- Information which the Subcontractor/Supplier can demonstrate by written record was independently developed by the Subcontractor/Supplier independent of any disclosure under this Subcontract.

B. The Subcontractor/Supplier shall obtain the written electronic agreement, in a form satisfactory to SRNS, of each Subcontractor/Supplier employee or Subtier Subcontractor/Supplier permitted access to such confidential information, whereby the Subcontractor/Supplier employee or Subtier Subcontractor/Supplier agrees they will not discuss, or disclose any such information or data to any person or entity except those within their organization having a need to know to accomplish the purpose of this Subcontract.

C. Upon request of SRNS or the Government, the Subcontractor/Supplier agrees to sign an agreement identical, in all material respects and in a form satisfactory to SRNS and/or the Government, with each company supplying information and/or access to particular facilities to the Subcontractor/Supplier or Subtier Subcontractor/Supplier under this Subcontract, and to supply a copy of such agreement to SRNS. Upon request of SRNS, the Subcontractor/Supplier shall supply SRNS with reports itemizing information received as confidential or proprietary and setting forth the company or companies from which the Subcontractor/Supplier received such information.

D. Subcontractor/Supplier will indemnify and hold SRNS harmless from any and all liabilities, claims, demands, actions, costs, damages and any expenses relating thereto (including but not limited to reasonable attorney's fees) arising from any unauthorized disclosure of information, by any of its directors, officers, employees, agents, Subcontractors/Suppliers, or permitted assigns.

A.19 DEFAULT
A. (1) SRNS may, subject to paragraphs C and D
below, by written electronic notice of default to Subcontractor/Supplier, terminate the Subcontract in whole or in part if Subcontractor/Supplier fails to:

(i) To perform the services within the time specified in the Subcontract or any extension;
(ii) Make progress, so as to endanger performance of the Subcontract (but see subparagraph A (2) below); or
(iii) Perform any of the other provisions of the Subcontract (but see subparagraph A (2) below).

(2) SRNS's right to terminate the Subcontract under subdivisions (1)(ii) and (1)(iii) above, may be exercised if Subcontractor/Supplier does not cure such failure within ten days (or more if authorized in writing by SRNS) after receipt of the notice from SRNS specifying the failure.

B. If SRNS terminates the Subcontract in whole or in part, it may acquire, under the terms and in the manner SRNS considers appropriate, services similar to those terminated, and Subcontractor/Supplier will be liable to SRNS for any excess costs for those services. However, Subcontractor/Supplier shall continue the Work not terminated.

C. Except for defaults of Subcontractors/Suppliers at any tier, the Subcontractor/Supplier shall not be liable for any excess costs if the failure to perform the Subcontract arises from causes beyond the control and without the fault or negligence of Subcontractor/Supplier. Examples of such causes include:

(1) Acts of God or of the public enemy,
(2) Acts of the Government in either its sovereign or contractual capacity,
(3) Fires,
(4) Floods,
(5) Epidemics,
(6) Quarantine restrictions
(7) Strikes,
(8) Freight embargoes, and
(9) Unusually severe weather, in each instance the failure to perform must be beyond the control and without the fault or negligence of Subcontractor/Supplier.

D. If the failure to perform is caused by the default of a Subcontractor/Supplier at any tier, and if the cause of the default is beyond the control of both Subcontractor/Supplier and the Subcontractor/Supplier and without the fault or negligence of either, Subcontractor/Supplier shall not be liable for any excess costs for failure to perform, unless the subcontracted services were obtainable from other sources in sufficient time for Subcontractor/Supplier to meet the required delivery schedule.

E. If, after termination, it is determined that Subcontractor/Supplier was not in default, or that the default was excusable, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of SRNS.

F. The rights and remedies of SRNS in this article are in addition to any other rights and remedies provided by law or under the Subcontract.

A.20 FOREIGN TRAVEL
A. Foreign travel, when charged directly, shall be subject to the prior approval of SRNS for each separate trip regardless of whether funds for such travel are contained in an approved budget. Foreign travel is defined as any travel outside of the United States and its territories and possessions.

B. Request for approval shall be submitted at least sixty days prior to the planned departure date, on a Request for Approval of Foreign Travel form, and, when applicable, include a notification of proposed foreign nation travel.

C. Subcontractor/Supplier foreign travel shall be conducted pursuant to the requirements contained in DOE Order 551.1, Official Foreign Travel, or any official version of the order in effect at the time of award.

A.21 GENERAL
A. The Subcontractor/Supplier has no authority whatever, express or implied, by virtue of the Subcontract to commit SRNS in any way to perform in any manner or to pay money for service or material.

B. The Subcontract will be void and without binding effect on SRNS if the Subcontract covers named individuals and any individual named in Article 4 hereof is a candidate for federal, state or local political office or holds any such office, unless and until it has been separately approved by the General counsel or SRNS or designee.

C. The whole and entire agreement of the parties is set forth in the Subcontract and the schedules executed pursuant hereto (which are hereby incorporated herein and made a part hereof as executed) and the parties are not bound by any agreements, understandings or conditions otherwise as expressly set forth herein or in any schedule incorporated herein.

D. The terms of the Subcontract and of any schedule executed pursuant hereto and incorporated therein are to be read and interpreted, if possible, so that...
there is no conflict between them. To the extent that there is a conflict, the terms of the applicable schedule will prevail.

E. Neither the Subcontract nor any schedule incorporated herein may be changed or modified in any manner except by a writing mutually signed by the parties or their respective successors or permitted assigns.

F. The Subcontract and all schedules incorporated therein will inure to the benefit of the parties and their respective successors or permitted assigns.

G. In the event of an inconsistency between provisions of this Order, the inconsistency shall be resolved by giving precedence as follows:
   (1) Order;
   (2) These General Provisions;
   (3) Statement of work; and
   (4) Other provisions of this Order, whether incorporated by reference or otherwise.

H. Wherever references are made in this Order to standards or codes in accordance with which the Work under this Order is to be performed, the edition or revision of the standards or codes current on the effective date of this Order shall apply unless otherwise expressly stated in the specifications and drawings. In case of conflict between any reference standards and codes and any Order Document, the latter shall govern.

A.22 LIMITATION OF FUNDS

Note: This article is applicable only if the Subcontract is partially funded.

A. Of the total price of the Subcontract, the sum of $________ is presently available for payment and allotted to the Subcontract. It is anticipated that additional funds will be allocated to the Subcontract in accordance with the following schedule until the total price of the Subcontract is funded:

B. The Subcontractor/Supplier agrees to perform or have performed work on the Subcontract up to the point at which, if the Subcontract is terminated pursuant to the Termination For Convenience of SRNS article of the Subcontract, the total amount payable by SRNS (including amounts payable for subcontracts and settlement costs) pursuant to the Termination For Convenience of SRNS article would, in the exercise of reasonable judgment by the Subcontractor/Supplier, approximate the total amount at the time allotted to the Subcontract. The Contractor is not obligated to continue performance of the work beyond that point. SRNS is not obligated in any event to pay or reimburse the Contractor more than the amount from time to time allotted to the Subcontract, anything to the contrary in the Termination for Convenience of SRNS article notwithstanding.

C. (1) It is contemplated that funds presently allotted to the Subcontract will cover the work to be performed until_______.

(2) If funds allotted are considered by the Subcontractor/Supplier to be inadequate to cover the work to be performed until that date, or an agreed date substituted for it, the Subcontractor/Supplier shall notify SRNS in writing when within the next sixty days the work will reach a point at which, if the Subcontract is terminated pursuant to the Termination For Convenience of SRNS article of the Subcontract, the total amount payable by SRNS (including amounts payable for subcontracts and settlement costs) pursuant to the Termination For Convenience of SRNS article will approximate 75 percent of the total amount then allotted to the Subcontract.

(3) (i) The notice shall state the estimated date when the point referred to in subdivision C (2) of this clause will be reached and the estimated amount of additional funds required to continue performance to the date specified in subparagraph C (1) of this clause, or an agreed date substituted for it.

(ii) The Subcontractor/Supplier shall, sixty days in advance of the date specified in subparagraph C (1) of this clause, or an agreed date substituted for it, advise SRNS in writing as to the estimated amount of additional funds required for the timely performance of the Subcontract for a further period as may be specified in the Subcontract or otherwise agreed to by the parties.

(4) If, after the notification referred to in subdivision C (3) (ii) of this clause, additional funds are not allotted by the date specified in subparagraph C (1) of this clause, or an agreed date substituted for it, SRNS shall, upon the Subcontractor’s/Supplier’s written electronic request, terminate the Subcontract on that date or on the date set forth in the request, whichever is later, pursuant to the Termination For Convenience of SRNS article.

D. When additional funds are allotted from time to time for continued performance of the work under the Subcontract, the parties shall agree on the applicable period of Subcontract performance to be covered by these funds. The provisions of paragraphs B and C of this clause shall apply to these additional allotted funds and the substituted date pertaining to them, and the Subcontract shall
be modified accordingly.

E. If, solely by reason of SRNS's failure to allot additional funds in amounts sufficient for the timely performance of the Subcontract, the Subcontractor/Supplier incurs additional costs or is delayed in the performance of the work under the Subcontract, and if additional funds are allotted, an equitable adjustment shall be made in the price or prices (including appropriate target, billing, and ceiling prices where applicable) of the work to be performed.

F. SRNS may at any time before termination, and, with the consent of the Subcontractor/Supplier, after notice of termination, allot additional funds for the Subcontract.

G. The provisions of this clause with respect to termination shall in no way be determined to limit the rights of SRNS under the default article of the Subcontract. This clause shall become inoperative upon the allotment of funds for the total price of the work under the Subcontract except for rights and obligations then existing under this clause.

H. Nothing in this clause shall affect the right of SRNS to terminate the Subcontract pursuant to the Termination for Convenience of SRNS article of the Subcontract.

A.23 SOUTH CAROLINA TAX REQUIREMENTS FOR NONRESIDENTS
Non-resident Subcontractors/Suppliers conducting a business or performing personal services of a temporary nature within South Carolina are required to register with the South Carolina Department of Revenue in accordance with Title 12 of the Code of Laws of South Carolina, sections 12-8-540 & 12-8-550. Proof of registration must be submitted to ASG@srs.gov and the SRNS Procurement Representative prior to award.

A.24 RESERVED

A.25 COUNTERINTELLIGENCE

Note: This article applies if the Subcontract involves access to classified matter.

A. The Subcontractor/Supplier shall take all reasonable precautions in the work under this subcontract to protect SRNS/DOE programs, facilities, technology, personnel, unclassified sensitive information and classified matter from foreign intelligence threats and activities conducted for governmental or industrial purposes, in accordance with DOE Order 5670.3, Counterintelligence Program; Executive Order 12333, U.S. Intelligence Activities; and other pertinent national and Departmental Counterintelligence requirements.

B. The Subcontractor/Supplier shall comply with requirements established by the DOE-SR Counterintelligence Officer. The DOE-SR Counterintelligence Officer will be responsible for conducting defensive Counterintelligence briefings and debriefings of Subcontractor/Supplier employees traveling to foreign countries or interacting with foreign nationals. The Subcontractor/Supplier shall be responsible for requesting defensive Counterintelligence briefings and debriefings of Subcontractor/Supplier employees who have traveled to foreign countries or interacted with foreign nationals. The Subcontractor/Supplier shall coordinate Counterintelligence Awareness training activities with the SRNS Procurement Representative. The Subcontractor/Supplier shall immediately report targeting, suspicious activity and other Counterintelligence concerns to the SRNS Procurement Representative; and provides assistance to other elements of the U.S. Intelligence Community as stated in the aforementioned Executive Order, the DOE Counterintelligence Order, and other pertinent national and Departmental Counterintelligence requirements.

A.26 UNCLASSIFIED CONTROLLED NUCLEAR INFORMATION (UCNI)

In the performance of this order, the Subcontractor/Supplier is responsible for complying with the following requirements and for flowing down all requirements to Subtier Subcontractor/Suppliers.

A. The Subcontractor/Supplier ensures that access to UCNI is provided to only those individuals authorized for routing or special access (see DOE O 471.1B). Subcontractor/Supplier may provide access to material or data containing Unclassified Controlled Nuclear Information (UCNI) utilized in the performance of this Order only to employees who are citizens of the United States.

B. The Subcontractor/Supplier ensures that matter identified as UCNI is protected in accordance with the instructions contained in DOE O 471.1B. Any material or data containing UCNI which is stored on computer systems must be protected, and the protective measures and/or policies must be specified in a Computer Protection Plan approved by the SRNS Computer Security organization. Adherence to the Plan is required during the performance of this Order.

C. Material or data containing UCNI shall be disposed of in a manner as described in DOE O 471.1B. At a minimum, UCNI matter must be destroyed by using strip cut shredders that result in particles of no more than 1/4-inch wide strips.
Documents containing UCNI may also be disposed of in the same manner that is authorized for Subcontractor/Supplier disposition of other classified material or data. If the above disposal methods are not available to the Supplier, the Subcontractor/Supplier may return the UCNI matter to the STR/End User for disposition, with the prior approval of the STR/End User.

D. The Subcontractor/Supplier shall report to the SRNS Security Office or the SRNS Procurement Representative any incidents involving the unauthorized disclosure of UCNI.

E. If performance of work under this order results in the generation of unclassified documents that contain UCNI, the Subcontractor/Supplier shall have a sufficient number of trained UCNI review personnel to ensure the prompt and proper review of generated material or data to provide for the identification, marking, and proper handling of material or data determined to contain UCNI. The Subcontractors/Suppliers Reviewing Officials shall apply or authorize the application of UCNI markings to any unclassified matter that contains UCNI in accordance with the instructions contained in DOE M 471.1-1, Chapter I, Part C.

F. If the Subcontractor/Supplier has a formally designated Classification Officer, the Classification Officer:
   (1) Serves as a Reviewing Official for information under his/her cognizance;
   (2) Trains and designates other Reviewing Officials in his/her organization, subordinate organizations, and Subtier Subcontractors/Suppliers and maintains a current list of all Reviewing Officials; and
   (3) May overrule UCNI determinations made by Reviewing Officials under his/her cognizance.

G. If the Subcontractor/Supplier has no formally designated Classification Officer, the Subcontractor/Supplier submits a request for the designation of Reviewing Officials to the local Federal Classification Officer in accordance with the instructions contained in DOE M 471.1-1, Chapter I Part B.

A.27 WAIVER OF BENEFITS (STAFF AUGMENTATION SUBCONTRACTS ONLY)

Prior to performance, the Subcontractor/Supplier shall obtain from each Subcontractor/Supplier employee and submit to SRNS a signed acknowledgement and waiver of any SRNS salary and benefits programs in a form satisfactory to SRNS, whereby the Subcontractor/Supplier employee agrees and understands that s(he) is an employee of the Subcontractor/Supplier, and not of Savannah River Nuclear Solutions, LLC (SRNS) or the United States Department of Energy, that the employee will receive all compensation (salary and benefits) from Subcontractor/Supplier and will not be eligible for any salary or benefits programs provided by SRNS, including but not limited to base salary, health and welfare plans, pension plans, and 401(k) investment savings programs.

A.28 WORKPLACE SUBSTANCE ABUSE PROGRAMS

A. Fitness for Duty
   (1) Subcontractor/Supplier and its Subtier Subcontractors/Suppliers are required to comply with this Workplace Substance Abuse Program article, which addresses the Subcontractor/Supplier portion of SRNS “Workplace Substance Abuse Program Plan.” The Subcontractor/Supplier shall advise employees and Subtier Subcontractors/Suppliers that it is the policy of SRNS to prohibit the use, possession, sale and distribution of alcohol, drugs or other controlled substance within the limits of the Savannah River Site (SRS), and/or any SRS off-site facilities, and to prohibit the presence of individuals who have such substances in the body for non-medical reasons. In order to ensure that SRNS work sites are free of illegal drugs and alcohol, all personnel and Subcontractor/Supplier employees shall be tested in accordance with the requirements of DEAR 970.5223-4 and 10 CFR 707, “Workplace Substance Abuse Program at DOE Sites”. Testing includes initial “Pre-Access” testing and “Random” testing for the presence of illegal drugs and alcohol. Any Subcontractor/Supplier employee who is found in violation of the policy may be removed or barred from the site.

   (2) The Subcontractor/Supplier agrees to advise its employees and Subtier Subcontractors/Suppliers of the above policy prior to assignment to the Site and to maintain documentation that such advice has been given.

B. Substance Testing
   (1) SRNS will collect urine specimens when Subcontractor/Supplier employees are processed for badging. SRNS will send these specimens to a certified laboratory for testing and verification. The testing process may take up to five (5) days to obtain results. In the event of "positive" findings, the Subcontractor/Supplier will be notified and
shall arrange for an "Exit Conference". The Subcontractor/Supplier then agrees to promptly remove such individual from the Savannah River Site (SRS) and return the badge to the SRNS Badge Office.

(2) A Breath Alcohol Test will be given during the initial badging process and the results will be available immediately. In the event of "positive" findings, the Subcontractor/Supplier will be notified and shall arrange for an "Exit Conference". The Subcontractor/Supplier then agrees to promptly remove such individual from the Savannah River Site (SRS) and return the badge to the SRNS Badge Office.

(3) The Subcontractor/Supplier agrees to advise its employees and Subtier Subcontractors/Suppliers that it is the policy of SRNS that: (1) the manufacture, dispensation or sale, offer for sale, purchase, use, transfer, or possession of alcohol and illegal drugs on SRS or US Department of Energy (Owner) premises is prohibited; (2) employees, while on the SRS premises, are prohibited from being under the influence of alcohol ("Under the Influence" means the employee is affected by alcohol in any detectable manner) or impaired by drugs; (3) entry onto the SRS premises constitutes consent to an inspection of the employee and his or her vehicle as well as their personal effects while entering, on, or leaving premises; (4) any employee who is found in violation of this policy or who refuses to permit an inspection may be removed or barred from the SRS premises at the discretion of SRNS. As used herein, "SRS premises" means the property, leased or otherwise, including owned project site locations in which SRNS business is being conducted, and owned or rented vehicles and/or equipment is being operated.

The Subcontractor/Supplier agrees to secure the written consent of employees to release results of substance abuse tests (breath alcohol and urine) to the designated SRNS representative.

(4) The Subcontractor/Supplier agrees to comply with and secure the compliance of its employees and Subtier Subcontractors/Suppliers of random, occurrence and/or for cause substance abuse testing. In the event of "positive" findings, the Subcontractor/Supplier will be notified and shall arrange for an "Exit Conference". The Subcontractor/Supplier then agrees to promptly remove such individual from the Savannah River Site (SRS) and return the badge to the SRNS Badge Office. Any positive finding will result in denial of site access for 12 months for the Subcontract/Supplier employee. In the event of a refusal, the Subcontractor's employee may be terminated for cause and the individual will be refused access to the site.

Occurrence testing additionally requires the following:

If an injury /illness is the result of an occupational incident that requires recordable medical treatment, as defined by OSHA, then drug and alcohol testing is required. In addition, if an occupational incident involves damage to government vehicle or property or Subcontractor equipment then drug and alcohol testing is required. SRNS will require the Subcontractor/Supplier to have their employees drug and alcohol tested on the day of the injury, illness or incident.

(5) Subcontractor’s/Supplier’s employees who are required to obtain a security clearance may be required to successfully pass an additional alcohol and drug screening as required in the Security Requirements article of this order.

C. Suitability for Employment

(1) Subcontractor/Supplier employees, including Subtier Subcontractors/Suppliers, who are to be badged to permit SRS access, must successfully complete the Suitability for Employment process. As part of this process, the Subcontractor/Supplier agrees to advise its employees and Subtier Subcontractors/Suppliers that they will be required to complete certain forms, which authorize background investigations. These forms shall be submitted during the badging process.

(2) Subcontractor/Supplier employees will be issued a photo badge and allowed site access on the first reporting day. In the event a Subcontractor/Supplier employee subsequently fails to complete successfully the background investigation, the Subcontractor/Supplier agrees to remove promptly such individual from the site and to return the badge to the SRNS Badging Office.

(3) Subcontractor/Supplier agrees to advise its employees of the above requirement prior to assignment to the SRS and to maintain documentation that such advice has been given.

A.29 BADGING REQUIREMENTS
A. Photo Badge
(1) Subcontractor/Supplier employees may be issued a site access photo badge for a period not to exceed one year. To obtain a Photo Badge, Subcontractor/Supplier employees and any Subtier Subcontractor/Supplier employees must be processed through SRNS’s Subcontract Badging Procedure and are subject to investigation by Governmental authorities. All badges must be returned or accounted for prior to final payment. All Subcontractor/Supplier employees must be at least 18 years old.

(2) Subcontractor/Supplier employees and any Subtier Subcontractor/Supplier employees shall complete Subcontractor/Supplier Employee Data Sheet and Fingerprint Cards. If a long-term badge is required (period greater than six (6) months) the employee will also be required to complete Standard Form (SF) 85, “Questionnaire for Non-Sensitive Positions”, and form Optional Form 306, “Declaration for Federal Employment”. These forms are required for the Governments use in conducting background investigations per Homeland Security Presidential Directive HSPD-12. Copies of these forms are available on the SRNS Internet Home Page at http://www.srs.gov/general/busiops/PMMD/SRNS_general_provisions.htm.

(3) Subcontractor/Supplier will observe the following badging procedure for processing their employees through security orientation:

(i) A minimum of two (2) working days prior to the start of the badging and orientation process, Subcontractor/Supplier shall transmit the following information to the Subcontract Technical Representative (STR) (or the End User if an STR is not appointed for this order):

- Subcontract Number;
- Subcontractor/Supplier Employee Name;
- Subcontractor/Supplier Employee Address;
- Subcontractor/Supplier Employee Social Security Number;
- Subcontractor/Supplier Employee Date of Birth;
- Subcontractor/Supplier Employee’s Phone Number;

(ii) Subcontractor/Supplier employees shall report to SRS Building 703-46A at SRS Road 1, approximately two miles east of SC Highway 125 in Jackson, SC.

(iii) Each Subcontractor/Supplier employee must successfully pass General Employee Training (GET) prior to undergoing the Photo Badging procedure. See Article titled “General Employee Training and Annual Refresher Training for Subcontract Employees”. GET is given on Monday of each week in n Bldg. 703-41A. The Jackson Municipal Complex in Jackson, SC or some other designated area may be utilized when needed. GET should be scheduled through the STR or Enduser well in advance of the desired date in order to assure placement.

(iv) The orientation and badging process will take approximately four (4) hours.

(4) The maximum duration that Supplier/Subcontractor employees will be issued a site access badge is one (1) year. Supplier/Subcontractor employees requiring a new badge will report to the Badge Office and repeat the badging process.

(5) If Work under this Subcontract is to be performed in security areas, all personnel will be required to sign in and out at security gates and are subject to a search of their person and belongings at entrances to or exit from the area.

B. Temporary Badge (typically for visitors and short-term personnel).

(1) Temporary badges are valid for a maximum of 10 calendar days per person in a calendar year. To avoid unnecessary expiration, these badges should be returned to the badge office immediately upon completion of need.

(2) Two working days prior to the need date, Subcontractor/Supplier shall transmit the following information to the STR/End User:

- Subcontract Number;
- Subcontractor/Supplier Employee Name;
• Subcontractor/Supplier Employee Address;
• Subcontractor/Supplier Employee Social Security Number;
• Subcontractor/Supplier Employee Date of Birth;
• Subcontractor/Supplier Employee’s Phone Number;

(3) The Assigned Competent Person (ACP) (Subcontractor/Supplier or SRNS employee) shall perform Task Analysis of scope to be performed and identify any applicable contractual task specific checklist(s) from the Subcontractors/Suppliers accepted Worker Protection Plan or SRNS’s Focused Observation Database if a WPP is not required by the terms of this order.

(4) ACP shall provide advance copy of any task specific safety checklist(s) to personnel seeking temporary badges.

(5) Badge Office provides initial security briefing, issues registration card and obtains acknowledgement signature, issues “maroon” Visitors Badge for duration requested by STR/End User.

(6) ACP reviews any applicable checklist(s) and performs focused observations as directed by the STR/End User.

(7) Upon completion of scope, return badge to Badge Office upon exiting SRS.

C. Identity Verification.

(1) In order to receive a photo or temporary badge for entry to SRS, Subcontractor/Supplier employees, except delivery personnel (see subparagraph (2) below), will be required to present two specific forms of identification from the “List of Acceptable Documents” (Department of Homeland Security Form I-9, copy available on the SRNS Internet Home Page. At least one of the documents selected from the list must be a valid State or Federal government-issued picture ID.

(2) Vendor Delivery Personnel. Unbadged personnel seeking a temporary badge for material/equipment deliveries will be required to present one form of picture identification that will verify their identity, such as a valid state driver’s license that includes a photograph. Delivery personnel shall enter the site at the Aiken Barricade located approximately one (1) mile south of SC Highway 278, and will be escorted at all times to the delivery location and back to the entrance barricade by Centerra Group, LLC assigned escorts, or by Assigned Competent Persons (SRNS or Subcontractor/Supplier).

D. If the Subcontractor/Supplier or any Subtier Subcontractor/Supplier should independently suspend or remove an employee from work at the Savannah River Site (SRS) for unsafe acts or behavior, the Subcontractor/Supplier shall immediately notify the STR/End User, return the employee's badge to the STR/End User, and provide the STR/End User with written electronic notification of the employee's name and reason(s) for such suspension or removal.

A.30 GENERAL EMPLOYEE TRAINING AND ANNUAL REFRESHER TRAINING FOR SUBCONTRACT EMPLOYEES

The following terms are applicable if performance of this Subcontract or Order will require the Subcontractor’s/Supplier’s employee(s) to perform work on SRS premises for more than ten (10) working days.

A. General Employee Training (GET)

(1) The Subcontractor/Supplier shall inform his employees and the employees of his Subtier Subcontractors/Suppliers and agents that it is the policy of Savannah River Nuclear Solutions, LLC (SRNS) to adhere to the requirements contained in the DOE Order entitled “Personnel Selection, Qualification and Training Requirements,” which requires any individual, employed either full or part-time at any DOE reactor or non-reactor facility to receive selected general training.

(2) Successful Completion Required

Said employees, referred to in the remainder of this document as "individual", must successfully complete the training known as "General Employee Training" (GET) as offered by the SRS. The GET sessions are given by a Savannah River Site authorized GET instructor. There are three categories of GET.

(i) Category 1 consists of viewing a video that lasts for one hour. This category is limited to delivery personnel, visitors, and other temporary personnel that require badged access to the general site and property protection areas and are typically on site greater than 10 days, but not consecutively, in a calendar year.

(ii) Category 2 consists of viewing a video and a written examination, and lasts for
approximately two hours. This category would apply to visitors or other temporary personnel that require badged access to the general site and property protection areas and are on site greater than 10 days consecutively in a calendar year, and additional training is not required as determined by SRNS.

(iii) Category 3 consists of eight hours of training and includes instructor lecture along with audio and visual aids and a written examination. This category applies to individuals who require badged access to the general site, property protection areas, or security controlled areas and additional training is required, as determined by SRNS.

(3) **Successful Completion Defined**
Successful completion occurs when the individual:
(i) Is scheduled for GET,
(ii) Attends the GET session,
(iii) Obtains a test score of 70% or greater on the written examination, if required, (100% is the highest obtainable score), and
(iv) Properly completes all documents (rosters, exam answer sheet, etc.).

(4) **Unsuccessful Completion Defined**
If the individual fails to complete successfully GET, the individual is given a failure notice and is to notify the Subcontract Technical Representative (STR)/End User for rescheduling for remedial training or for a re-test. The individual will be allowed several chances to complete successfully the GET. Continued failure to complete successfully GET will result in resolution by the STR/End User.

(5) **Scheduling for GET**
The STR/End User shall direct the individual to the appropriate training center to attend the GET session. GET training is scheduled subject to demand.

(6) **Records**
GET records will be maintained by SRNS.

B. **Annual Refresher Training**
Refresher Training is required after an individual's initial successful completion of all categories of GET, regardless of the individual's present employer. Category 1 and Category 2 GET training must be repeated annually. For Category 3, successful completion of Consolidated Annual Training (CAT) is required. The Subcontractor/Supplier is responsible for scheduling its employees for this training. The STR/End User may be contacted for assistance.

A.31 **SECURITY EDUCATION REQUIREMENTS FOR CONTRACTORS**

This Article is applicable if performance of the Subcontract will require the Subcontractor’s/Supplier’s employee(s) to receive a security badge.

A. **Subcontractor/Supplier Security Education Coordinator**

(1) If the Subcontract will require a force of more than thirty (30) subcontract employees to receive a badge, then the Subcontractor/Supplier shall provide to the SRNS Security Education Office, the name of its representative appointed to administer its Security Education Program. This representative shall be referred to as the Subcontractor/Supplier Security Education Coordinator (SSEC).

(2) If the Subcontract will require that less than thirty (30) subcontract employees to receive a badge, then the SRNS Subcontract Technical Representative (STR)/End User will perform the activities discussed herein.

B. **Company Roster**
The SSEC will be responsible for providing the STR/End User with a roster of all subcontract personnel receiving a badge. At a minimum the data shall include name, social security number, work telephone number, clearance level and place where work is generally performed. This list shall be kept current and updated every sixty- (60) days.

C. **Initial Briefing**
The SSEC will ensure that all subcontract personnel, regardless of clearance level, receive an Initial Security Briefing. This briefing is shown during General Employee Training. This briefing consists of a videotape shown during GET, or at the time of badging for those individuals not required to attend GET.

D. **Comprehensive Briefing**
If Subcontractor/Supplier personnel have a clearance at the inception of the Subcontract, or receive a clearance at any time during the course of the Subcontract, the SSEC/STR/End User will ensure that those Subcontractor/Supplier employees receive a Comprehensive Briefing from SRNS.

E. **Annual Refresher Briefing**
The SSEC/STR/End User shall ensure that all Subcontractor/Supplier employees receive, at least once in a twelve (12) month period, an Annual Security Refresher briefing from SRNS. This briefing is provided during GET Refresher Training.
F. **Foreign Travel Briefing**

If a Subcontractor/Supplier employee plans a trip to a sensitive country, whether on official business or for pleasure, the SSEC/STR/End User is responsible for ensuring that the individual receives a Foreign Travel Briefing from SRNS before departing and a Debriefing upon return. The OPSEC Officer is responsible for these Briefings.

G. **Badge Retrieval at Termination**

The Subcontractor/Supplier is responsible for ensuring that badges are returned or accounted for when a Subcontractor/Supplier employee terminates employment or when the Subcontract is completed. The employee must report to Employment Processing Center, for proper completion of out-processing and badge return. This effort should be coordinated with the SRNS STR/End User. The Subcontractor shall ensure that any/all SRS-issued site security badges are returned to the Badge Office (703-46A) within 10 calendar days after badge expiration date (or subcontract/subcontractor employee termination date, whichever occurs first). Failure to do so may result in withholding of invoice payments until such time that the badge(s) is returned.

H. **Termination Briefing**

When a Subcontractor/Supplier employee terminates employment or is reassigned, the SSEC/STR/End User will ensure that a Termination Briefing by SRNS is given and the appropriate forms are executed. Briefing materials and appropriate forms are provided by SRNS.

A.32 **SUBCONTRACTORS’/SUPPLIERS’ LIABILITY FOR FINES AND PENALTIES**

A. Subcontractor/Supplier is liable to SRNS for fines and penalties assessed by any governmental entity against SRNS or DOE as a result of Subcontractor’s/Supplier’s failure to perform its work under the Subcontract in compliance with the requirements of the Subcontract.

B. Subcontractor/Supplier shall indemnify, defend and hold harmless SRNS and DOE from and against any and all claims, demands, actions, causes of action, suits, damages, expenses, including attorney’s fees, and liabilities whatsoever resulting from or arising in any manner on account of the assessment of said fines and penalties against SRNS or DOE.

A.33 **FOREIGN NATIONALS**

As used in this Article, the term “Foreign National” is defined to be a person who was born outside the jurisdiction of the United States; is a citizen of a foreign government and has not been naturalized under U.S. law.

A. The Subcontractor/Supplier shall obtain the approval of SRNS, in writing, electronically, prior to any visit to a DOE or SRNS facility by any Foreign National in connection with work being performed under this Order, in accordance with the requirements of DOE Order 142.3, Unclassified Foreign Visits and Assignments Program. Visits are normally for the purpose of technical discussions, orientation, observation of projects or equipment, training, subcontract service work, including delivery of materials, or for courtesy purposes. The term "visit" also includes officially sponsored attendance at a DOE or SRNS event off-site from the DOE/SRNS facility, but does not include off-site events and activities open to the general public. Subcontractors/Suppliers should be aware that required forms and documents necessary for approval of visits by Foreign Nationals should be submitted to the SRNS Procurement Representative at least four (4) to six (6) weeks prior to the visit, depending on the nationality of the individual and the areas to be visited. Forms can be obtained from the SRNS Procurement Representative.

B. In addition, the Subcontractor/Supplier shall obtain the approval of the SRNS Procurement Representative, in writing, electronically, prior to the employment of, or participation by, any Foreign National in the performance of work under this Subcontract or any Lower-tier Subcontract at off-site locations. Such approvals will be processed in accordance with the requirements of DOE Order 142.3

C. In the performance of off-site work, Foreign Nationals only incidentally involved with a SRNS Subcontract, and who have no knowledge that their activities are associated with SRNS Subcontract work, are exempt from the above.

D. **If the statement of work is accompanied by an approved Exception from Foreign National Information Requirements form, this Subcontract does not require the Subcontractor to provide foreign national information that would otherwise be required by DOE Order 142.3a.**

A.34 **JOINT INTELLECTUAL PROPERTY RIGHTS**

A. “Joint Intellectual Property Rights” shall mean any work under the subcontract, which:

1. Results from the involvement of at least one employee/participant from each of SRNS and the Subcontractor/Supplier; and
(2) The subject matter of which is capable of protection under domestic or foreign law, including but not limited to, patents, copyrights, trademarks, or mask works.

B. As to Joint Intellectual Property Rights, in which SRNS has a joint ownership interest, the Subcontractor/Supplier agrees to negotiate in good faith with SRNS a Memorandum of Agreement to resolve issues of participation in protection and commercialization.

A.35 SCIENTIFIC AND TECHNICAL INFORMATION
A. Electronic submissions of technical reports will consist of two virus-free copies that are readable in the following formats:
(1) Text will be submitted in native software (that is compatible with the suite of document creation software currently used at SRS) (fonts identified) or in RTF (rich text format).
(2) Embedded objects and files that are linked to a document must be supplied as well, as follows:
   (i) Raster images (for example, photographs) will be submitted as TIFF or EPS @ resolution>100 dpi.
   (ii) Vector art (for example, line art) will be submitted as EPS images.
   (iii) Data-driven displays (e.g., spreadsheet charts) must be accompanied by data set used to generate them.

A.36 BANKRUPTCY
If the Subcontractor/Supplier enters into any proceeding relating to bankruptcy, it shall give written notice via certified mail to the SRNS Procurement Representative within five (5) days of initiating the proceedings. The notification shall include the date on which the proceeding was filed, the identity and location of the court and a listing of the SRNS Subcontract/Order Numbers for which final payment has not been made.

A.37 ACCESS TO DOE–OWNED OR LEASED FACILITIES
(Article applies if employees of Subcontractor/Supplier will require physical access to DOE-owned or leased facilities)
A. The performance of this Subcontract requires that employees of the Subcontractor/Supplier have physical access to DOE-owned or leased facilities. The Subcontractor/Supplier understands and agrees that DOE has a prescribed process with which the Subcontractor/Supplier and its employees must comply in the Subcontract to receive a security badge that allows such physical access. The Subcontractor/Supplier shall propose employees whose background offers the best prospect of obtaining a security badge approval for access. This clause does not control requirements for an employee obtaining a security clearance.

B. The Subcontractor/Supplier shall assure:
   (1) Compliance with procedures established by DOE and SRNS in providing its employees with any forms directed by DOE or SRNS;
   (2) Employees properly complete any forms;
   (3) Employees submit the forms to the person designated by the SRNS Procurement Representative;
   (4) Employees cooperate with DOE and SRNS officials responsible for granting access to DOE-owned or leased facilities; and
   (5) Employees provide additional information requested by those DOE/SRNS officials.

C. The Subcontractor/Supplier understands and agrees that DOE may unilaterally deny a security badge to an employee and that the denial remains effective for that employee unless DOE subsequently determines that access may be granted. Upon notice from DOE or SRNS that an employee’s application for a security badge is or will be denied, the Subcontractor/Supplier shall promptly identify and submit the appropriate forms for the substitute employee. The denial of a security badge to individual employees by DOE shall not be cause for extension of the period of performance of this Subcontract or any Subcontractor/Supplier claim against DOE or SRNS.

D. The Subcontractor/Supplier shall return to the SRNS Procurement Representative, or designee, the badge(s) or other credential(s) provided by DOE pursuant to this clause, granting physical access to DOE-owned or leased facilities by the Subcontractor’s.Supplier’s employee(s) upon:
   (1) Termination of this Subcontract;
   (2) Expiration of this Subcontract;
   (3) Termination of employment on this Subcontract by an individual employee; or
   (4) Demand by DOE/SRNS for return of the badge

E. The Subcontractor/Supplier shall include this clause, including this paragraph E. in any Lower tier Subcontract, awarded in the performance of this Subcontract, in which an employee(s) of the Subtier Subcontractor/Supplier will require physical access to DOE-owned or leased facilities

A.38 ACCEPTANCE OF TERMS AND CONDITIONS
A. Seller, by signing this Agreement/Subcontract or delivering the items identified herein, agrees to
comply with all the terms and conditions and all specifications and other documents that this Agreement/Subcontract incorporated by reference or attachment. The Company hereby objects to any terms and conditions contained in any acknowledgment of this Agreement/Subcontract that are different from or in addition to those mentioned in this document. Failure of the Company to enforce any of the provisions of this Agreement/Subcontract shall not be construed as evidence to interpret the requirements of this Agreement/Subcontract, nor a waiver of any requirement, nor of the right of the Company to enforce each and every provision. All rights and obligations shall survive final performance of this Agreement/Subcontract.

B. When the use of Subtier Subcontractors/Suppliers is determined to be applicable, the Prime Subcontractor/Supplier is responsible to flow down those Technical and Quality requirements that are determined to be applicable for the activities within its defined scope of work, in accordance with referenced Codes/Standards/Material Specifications, or other requirements identified within the procurement documents included with this Order package. The Prime Subcontractor/Supplier is furthermore responsible to flow down all commercial Terms and Conditions, including articles incorporated by reference, to all Subtier Subcontractors/Suppliers, which includes verification that the Subtier Subcontractor/Supplier has been appropriately qualified to perform the activities required to satisfy this procurement. The Prime Subcontractor/Supplier must maintain objective evidence of the successful flow down of the referenced requirements and provide such evidence to SRNS upon request. This flow down is also required at all levels if the Subtier Subcontractor/Supplier to the Prime Supplier deems it necessary to subcontract further its parts of this SRNS contract.

C. When NQA-1 is invoked as the governing quality standard, the Prime Subcontractor/Supplier and applicable Subtier Subcontractors/Suppliers shall be required to meet the Part 1 Requirements (Sections 100 through 900, as determined to be applicable), in the Procurement documents. NQA-1 Part II will be invoked at the discretion of SRNS and will be detailed via the procurement documents, and if invoked, must be flowed down from the Prime Subcontractor/Supplier to its applicable Subtier Subcontractors/Suppliers at all levels. If the Prime Subcontractor/Supplier or its Subtier Subcontractors/Suppliers intends to upgrade materials by way of a Commercial Grade Dedication Process, SRNS must be notified of this intent and the Subcontractor’s/Supplier’s process verified and approved prior to dedicating any material associated with an SRNS procurement.

D. The SRNS Procurement Representative is to be notified in writing, within five working days of any changes within your company as identified below:

- Key quality personnel to include as a minimum:
  - Quality Assurance/Quality Control Manager
  - Assistant Quality Assurance/Quality Control Manager
  - Other critical Quality Assurance/Quality Control personnel
  - Quality Assurance Program Revisions
  - Company ownership transfers/buy-outs, and
  - All identified Nonconformance or Corrective Action Reports associated with SRNS contracts including those issued concerning Subtier Subcontractors/Suppliers.

### A.39 SUPPLEMENTAL DEFINITIONS FOR FAR AND DEAR CLAUSES INCORPORATED BY REFERENCE

- **A.** “Contract” means this Subcontract or Order (except in instances when it is not applicable or appropriate), and includes changes and modifications to this Subcontract.
- **B.** “Contractor” means the party to whom this Subcontract or Order is awarded (except in instances when it is not applicable or appropriate).
- **C.** “Government” means SRNS (except in instances when it is not applicable or appropriate).
- **D.** “Subtier Subcontractor/Supplier” means any party entering into an agreement with the Subcontractor/Supplier or any Subtier Subcontractor/Supplier for the furnishing of supplies or services required for performance of the Subcontract or Order.

This Subcontract or Order incorporates the Clauses identified below by reference, with the same force and effect as if they were given in full text. Upon request, SRNS will make their full text available.

### *A.40 NUCLEAR HAZARDS INDEMNITY AGREEMENT (OCT 2005)*

DEAR 952.250-70
Note: Include this clause in any subcontract which may involve the risk of public liability, as that term is defined in the Atomic Energy Act of 1954 (Act) and further described in paragraph DEAR 952.247-70 (d)(2). However, this clause shall not be included in subcontracts in which the subcontractor is subject to Nuclear Regulatory Commission (NRC) financial protection requirements under section 170b. of the Act, as amended, or NRC agreements of indemnification under section 170c. or k. of the Act for the activities under the subcontract.

A.65 COMPLIANCE WITH DIESEL EMISSION REDUCTION ACT (DERA)
A. All diesel powered equipment bought on-site for ARRA work is required to burn ultra-low sulfur diesel fuel (≤ 15 ppm). Fuel certification will be available for inspection upon request.

B. All pre-1996 model year non-road diesel engine equipment brought on-site for ARRA work shall be retrofitted with EPA verified control equipment. Equipment certification will be submitted prior to commencement of work.

C. SRS is implementing South Carolina State Transport Police (SCSTP) maximum idling regulation SCCL§56-35-10. All “self-propelled diesel motor vehicles licensed for use on a public roadway to transport passengers or property when the vehicle has a gross vehicle weight rating or gross combination weight rating of ten thousand and one pounds or more” shall be shut down if the idling period will exceed 10 consecutive minutes. Additional guidance on maximum idling time can be obtained at www.scstp.org.

A.66 INSPECTION EXCEPTION FOR THORIATED TUNGSTEN ELECTRODES
SRS has determined that thoriated tungsten electrodes will no longer be used in the manual gas tungsten arc welding (GTAW) process at SRS. This applies to the manual GTAW process only. For automatic GTAW the use of thoriated tungsten is allowed due to the dedicated grinding area and control of the process.

A.67 DEFENSE PRIORITY AND ALLOCATION REQUIREMENTS
This is a rated Order certified for national defense, emergency preparedness, and energy program use, and the Subcontractor/Supplier shall follow all the requirements of the Defense Priorities and Allocations System Regulation. (15 CFR 700). Should any applicable DPAS regulations pertaining to acceptance and rejection of rated Orders (see 15 CFR 700.13), preferential scheduling (see 15 CFR 700.14), extension of priority ratings (see 15 CFR 700.15) changes or cancellations of priority ratings and rated orders (see 15 CFR 700.16) use of rated Orders (see 15 CFR 700.17), and limitations on placing rated Orders (see 15 CFR 700.18) conflict with this Agreement, then the DPAS will control.

15 CFR 700.17 provides an exemption for all Orders less than $75,000, or one half of the Federal Acquisition Regulation (FAR) Simplified Acquisition Threshold, (see FAR 2.101) whichever amount is larger, provided that delivery can be obtained in a timely fashion without the use of the priority rating.

This rating must be passed on to Subtier Subcontractors/Suppliers in all cases to ensure delivery of the items required. The Subcontract is rated (DO-E1 for Construction or DO-E2 for Operations). Reference FAR 52.211-15.

A.68 EXPORT CONTROL
The Parties agree to adhere to all applicable U.S. export laws and regulations. Each party acknowledges that it is responsible for its own compliance with all U. S. export control laws and regulations.

A.69 DOE O 442.2 – DIFFERING PROFESSIONAL OPINIONS FOR TECHNICAL ISSUES INVOLVING ENVIRONMENT, SAFETY AND HEALTH
Subcontractors/Suppliers and any Subtier Subcontractor/Supplier are responsible for flowing down the requirements of the Contractor Requirements Document (CRD) identified in DOE O 442.2 to the extent necessary to ensure compliance with this requirement. The Subcontractors/Suppliers and any Subtier must:

(1) Ensure that all Subcontractor/Supplier and any Subtier Subcontractor/Supplier employees are notified quarterly that they have the right to report environment, safety and health technical concerns that have not
been resolved through routine work processes through the Department of Energy Differing Professional Opinion (DPO) process (the DOE DPO process can be found in Attachment 2 to DOE O 442.2 and at http://www.hss.doe.gov/nuclearsafety/qa/dpo.html). The notification must provide points of contact (name, phone number and email addresses of DPO Managers) as listed on the DOE DPO web page, as well as the DOE DPO web page address.

(2) Protect Subcontractor/Supplier and any Subtier Subcontractor/Supplier employees from reprisal or retaliation for reporting a DPO.

(3) Provide Subcontractor/Supplier and any Subtier Subcontractor/Supplier employees’ reasonable time and resources to use the DPO Process.

(4) Assist DOE as requested in the resolution of the DPO.

(5) Report to the DOE when requested on the status of assigned implementation actions resulting from the DPO resolution and on the closure of these implementations actions.

A.70  *STOP WORK*
FAR 52.242-15 (AUG 1989)

A.71 BASIC SAFEGUARDING OF COVERED CONTRACTOR INFORMATION SYSTEMS (REFERENCE FAR 52.204-21 JUN 2016)

(a) Definitions. As used in this clause--

“Covered subcontractor information system” means an information system that is owned or operated by a subcontractor that processes, stores, or transmits Federal contract information.

“Federal subcontract information” means information, not intended for public release, that is provided by or generated for the Government under a contract to develop or deliver a product or service to the Government, but not including information provided by the Government to the public (such as on public Web sites) or simple transactional information, such as necessary to process payments.

“Information” means any communication or representation of knowledge such as facts, data, or opinions, in any medium or form, including textual, numerical, graphic, cartographic, narrative, or audiovisual (Committee on National Security Systems Instruction (CNSSI) 4009).

“Information system” means a discrete set of information resources organized for the collection, processing, maintenance, use, sharing, dissemination, or disposition of information (44 U.S.C. 3502).

“Safeguarding” means measures or controls that are prescribed to protect information systems.

(b) Safeguarding requirements and procedures.

(1) The Subcontractor shall apply the following basic safeguarding requirements and procedures to protect covered subcontractor information systems. Requirements and procedures for basic safeguarding of covered subcontractor information systems shall include, at a minimum, the following security controls:

(i) Limit information system access to authorized users, processes acting on behalf of authorized users, or devices (including other information systems).

(ii) Limit information system access to the types of transactions and functions that authorized users are permitted to execute.

(iii) Verify and control/limit connections to and use of external information systems.

(iv) Control information posted or processed on publicly accessible information systems.

(v) Identify information system users, processes acting on behalf of users, or devices.

(vi) Authenticate (or verify) the identities of those users, processes, or devices, as a prerequisite to allowing access to organizational information systems.

(vii) Sanitize or destroy information system media containing Federal Contract Information before disposal or release for reuse.

(viii) Limit physical access to organizational information systems, equipment, and the respective operating environments to authorized individuals.

(ix) Escort visitors and monitor visitor activity; maintain audit logs of physical access; and control and manage physical access devices.

(x) Monitor, control, and protect organizational communications (i.e., information transmitted or received by organizational information systems) at the external boundaries and key internal boundaries of the information systems.

(xi) Implement subnetworks for publicly accessible system components that are
Physically or logically separated from internal networks.
(xii) Identify, report, and correct information and information system flaws in a timely manner.
(xiii) Provide protection from malicious code at appropriate locations within organizational information systems.
(xiv) Update malicious code protection mechanisms when new releases are available.
(xv) Perform periodic scans of the information system and real-time scans of files from external sources as files are downloaded, opened, or executed.
(2) Other requirements. This clause does not relieve the Subcontractor of any other specific safeguarding requirements specified by Federal agencies and departments relating to covered subcontractor information systems generally or other Federal safeguarding requirements for controlled unclassified information (CUI) as established by Executive Order 13556.

A.72 CONTRACTOR REQUIREMENTS
DOCUMENT DOE O 221.1B, REPORTING FRAUD, WASTE AND ABUSE TO THE OFFICE OF INSPECTOR GENERAL

Regardless of the performer of the work, the Subcontractor/Supplier is responsible for complying with the requirements of this Contractor Requirements Document (CRD). This flowed down applies to subcontracts with a value of $5.5 million or more and with a period of performance of 120 days or longer.

SUBCONTRACTOR/SUPPLIER AND ITS SUBTIER SUBCONTRACTORS/SUPPLIERS MUST MEET THE FOLLOWING REQUIREMENTS.

1. GENERAL REQUIREMENTS. Subcontractor/Supplier, and its Subtier Subcontractors/Suppliers, must not deter or dissuade employees from notifying an appropriate authority of actual or suspected violations of law, rule or regulation (including criminal acts under Title 18 of the United States Code, Crimes and Criminal Procedure); gross mismanagement; a gross waste of funds; serious threats to environment, safety, and health; and abuse of authority relating to DOE programs, operations, facilities, contracts, or information technology systems. Appropriate authorities include but are not limited to the Office of Inspector General (OIG), a supervisor, an Employee Concerns office, general counsel, security officials, the U.S. Government Accountability Office, outside law enforcement agency such as the Federal Bureau of Investigation (FBI) or State/local police. Subcontractor’s/Supplier’s, and its Subtier Subcontractors’/Suppliers’, employees are not expected to report allegations based on mere suspicion or speculation. When in doubt, officials are encouraged to contact a local OIG representative to determine whether reporting is necessary.

Individuals who contact the OIG are not required to reveal their identity to the OIG. However, persons who report allegations are encouraged to identify themselves in the event additional questions arise as the OIG evaluates or pursues their allegations. Confidentiality for DOE Federal employees is established by the Inspector General Act of 1978, section 7(b), which prevents the OIG from disclosing the identity of a DOE Federal employee who reports an allegation or provides information, without the individual’s consent, unless the OIG determines that disclosure is unavoidable during the course of the investigation. Because of their unique role within DOE, the OIG also applies this provision to DOE facility management contractor employees. All others who report allegations are not automatically entitled to confidentiality. Such individuals may request confidentiality, which will be evaluated on a case-by-case basis.

Individuals who contact the OIG are encouraged to provide relevant and specific details of the issue, including the identity of the person, company, or organization alleged to have engaged in wrongdoing; a description of the alleged impropriety; the DOE facility and program affected by the alleged misconduct; Contract/Subcontract numbers; date(s) of alleged wrongdoing; how the complainant is aware of the alleged impropriety; the identity of potential witnesses; and the identity and location of supporting documentation.

a. The following issues are exempt from reporting to the OIG:
(1) Threats of actual or imminent bodily injury or death (such as assault, arson, etc.). However, threats of actual or imminent bodily injury or death must be reported immediately to SRNS, site security, and Federal, State, or local law enforcement authorities in accordance with DOE or local site guidance.
(2) Information about espionage. Information regarding espionage, including approaches made by representatives of other Governments for the commission of espionage or the collection of information, must be reported to the Department’s Deputy Director of Counterintelligence and SRNS Counterintelligence.

b. The following issues may be reported to the OIG, but are routinely referred to other appropriate authorities:
1. Regulatory violations already submitted to or
discovered by the Office of Enterprise Assessments;
2. Professional disagreements of opinion;
3. Non-compliance with internal office policies and
procedures; policy disagreements;
4. Security infractions;
5. Employee grievances and disputes among
employees;
6. Prohibited personnel practices;
7. Employee performance concerns, and minor
conduct issues such as tardiness and other minor leave
issues, insubordinate behavior and failure to follow
instructions, and discourteous and unprofessional
behavior;
8. Failure to pay legitimate debts;
9. Equal employment opportunity complaints
(including sexual harassment complaints);
10. Classification appeals (related to both documents
and personnel positions);
11. Theft of personal property; and
12. Off-duty conduct that does not involve DOE
funds, programs, operations, facilities, subcontracts, or
information technology systems.

2. SPECIFIC CONTRACTOR REQUIREMENTS.
a. In accordance with  Federal Acquisition Regulation
(FAR) clause 52.203-13, the
Contractor/Subcontractor/Supplier shall timely
disclose, in writing, to the OIG whenever, in
connection with the award, performance, or close out of
a DOE contract or any subcontract thereunder, the
Contractor/Subcontractor/Supplier has credible
evidence that a principal, employee, agent, or subtier
subcontractor/supplier of the
Contractor/Subcontractor/Supplier has committed:
(1) A violation of Federal criminal law involving fraud,
conflict of interest, bribery, or gratuity violations found
in Title 18 of the U.S. Code; or
(2) A violation of the civil False Claims Act, found in
Title 31 of the U.S. Code.
b. Notify Subcontractor’s/Supplier’s and its Subtier
Subcontractors’/Suppliers’ employees annually of their
duty to report actual or suspected violations of law,
rule, or regulation outlined above.
c. Prominently display DOE OIG hotline posters
within business segments performing work under a
DOE Subcontract and at DOE work sites.
d. Subcontractor/Supplier and its Subtier
Subcontractors’/Suppliers’ personnel with appropriate
authority may gather additional information prior to
reporting the matter to the OIG, provided:
(1) relevant information and documents are not altered,
destroyed or hidden, and
(2) personnel are not influenced in their recollection of
events or discouraged or prohibited from contacting, or
cooperating with, the OIG.
e. With the exceptions of traffic violations and thefts of
personal property, ensure that criminal allegations or
offenses involving DOE funds, programs, operations,
facilities, subcontracts, or information technology
systems that are reported to an outside law enforcement
agency such as the FBI or state/local police are
reported to the OIG within 3 business days of making
or becoming aware of such a report to ensure timely
and appropriate coordination among law enforcement
agencies with DOE jurisdiction.
f. Ensure that no nondisclosure policy, directive, form,
or agreement is implemented or enforced that restricts
Subcontractor’s/Supplier’s and its Subtier
Subcontractors’/Suppliers’ employees from reporting
information about actual or suspected violations of law,
statute, or regulation involving fraud, waste, abuse,
misuse, corruption, criminal acts, or mismanagement to
the OIG.
g. Ensure that no Subcontractor/Supplier and its
Subtier Subcontractor/Supplier employee with
authority takes or threatens to take any action against
any Subcontractor/Supplier and its Subtier
Subcontractor/Supplier employee as a reprisal for
making a whistleblower complaint or disclosing
information in support of a whistleblower complaint to
a supervisor, management official, the OIG or other
appropriate authority.
h. Report to the OIG any credible evidence, including a
credible statement from the alleged victim, that reprisal
action is being or has been taken, or is threatened to be
taken, against a Subcontractor/Supplier and its Subtier
Subcontractor/Supplier employee for making a
complaint or disclosing information to a supervisor,
management official, the OIG, or other appropriate
authority.

A.73 CONTRACTOR REQUIREMENTS
DOCUMENT DOE O 221.2A,
COOPERATION WITH THE OFFICE OF INSPECTOR GENERAL

The subcontractor/supplier and their subtier
subcontractors must meet the following requirements.
1. GENERAL REQUIREMENTS.
Subcontractors/suppliers must ensure that their
employees and subtier subcontractors cooperate fully
and promptly with requests from the Office of
Inspector General (OIG) for information and data
relating to DOE programs and operations.
2. SPECIFIC REQUIREMENTS.
Subcontractors/suppliers must ensure that all their
employees and subtier subcontractors understand that
they must:
a. comply with requests for interviews and briefings
and must provide affidavits or sworn statements, if so
requested by an employee of the OIG so designated to
take affidavits or sworn statements.
b. not impede or hinder another employee’s or subtier subcontractor’s cooperation with the OIG.

c. ensure that reprisals are not taken against DOE contractor or SRNS employees who cooperate with or disclose information to the OIG or other lawful appropriate authority.

A.74 DOE O 486.1A, FOREIGN GOVERNMENT SPONSORED OR AFFILIATED ACTIVITIES

Note: This article applies to Research & Development or Demonstration subcontracts, at any tier, to the extent necessary to ensure the subcontractor’s/supplier’s or sub-tier subcontractors’ compliance with the requirements, where the subcontractor’s/supplier’s or sub-tier subcontractors’ work within the scope of the Subcontract is performed on or at a Department of Energy of Energy (DOE)/National Nuclear Security Administration (NNSA) site/facility, including DOE/NNSA/contractor leased space.

Regardless of the performer of the work, the subcontractor/supplier is responsible for complying with the requirements of this article. The definitions found in Attachment 2 to DOE O 486.1A, referenced in and made a part of this article, provide information applicable to subcontracts in which this article is inserted. The Subcontractor/supplier is responsible for flowing down the requirements of this DOE Order and article to sub-tier subcontractors, at any tier, to the extent necessary to ensure compliance.

Subcontractor personnel participation in any Foreign Government-Sponsored Talent Recruitment Program of a Foreign Country of Risk is prohibited. Subcontractor Employee participation in any Other Foreign Government Sponsored or Affiliated Activity is restricted.

4. Upon notification to SRNS of potential activity the Subcontractor recognizes it may be required to stop performance of work under the subcontract during the investigatory period until a final determination is made and/or approval is granted by DOE, including a decision on any exemption request. The Subcontractor specifically acknowledges that in the event it is required to delay performance of work as a result of compliance with this clause this may qualify as grounds for termination for cause in accordance with this agreement.

(This article applies to Advisory and Assistance services, and all other service and material subcontracts. Exceptions to this requirement are Strategic Agreement auto-sourced purchase orders and purchase orders placed through Vinimaya; however, Organizational Conflicts of Interest (OCI) determinations must be addressed for Strategic Agreements and at the Basic Ordering Agreement (BOA) and Task Order Authorization (TOA) level for services. Pcard orders and purchase orders equal to or less than the micro-purchase threshold are exempt from this requirement.)

A.75. ORGANIZATIONAL CONFLICTS OF INTEREST (JUN 1997)

DEAR 952.209-72

(a) Purpose. The purpose of this clause is to ensure that the subcontractor (1) is not biased because of its financial, contractual, organizational, or other interests which relate to the work under this subcontract, and (2) does not obtain any unfair competitive advantage over other parties by virtue of its performance of this subcontract.

(b) Scope. The restrictions described herein shall apply to performance or participation by the subcontractor and any of its affiliates or their successors in interest (hereinafter collectively referred to as “subcontractor”) in the activities covered by this clause as a prime contractor, subcontractor, cosponsor, joint venturer, consultant, or in any similar capacity. For the purpose of this clause, affiliation occurs when a business concern is controlled by or has the power to control another or when a third party has the power to control both.

(1) Use of Subcontractor’s Work Product.
   (i) The subcontractor shall be ineligible to participate in any capacity in SRNS, subcontracts, or proposals therefore (solicited and unsolicited) which stem directly from the subcontractor’s performance of
work under this subcontract for a period of
Procurement Representative see DEAR 909.507–2 and
enter specific term) years after the completion
of this subcontract. Furthermore, unless so
directed in writing by the Procurement Representative,
the subcontractor shall not perform any advisory
and assistance services, or all other services and
materials, work under
this subcontract on any of its products or services
or the products or services of another
firm if the subcontractor is or has been substantially
involved in their development or marketing.
Nothing in this subparagraph shall
preclude the subcontractor from competing for
follow-on subcontracts for advisory and assistance
services or all other services and materials.
(ii) If, under this subcontract, the subcontractor
prepares a complete or essentially complete
statement of work or specifications to be
used in competitive acquisitions, the contractor
shall be ineligible to perform or participate
in any capacity in any contractual
effort which is based on such statement of
work or specifications. The contractor shall
not incorporate its products or services in
such statement of work or specifications unless
so directed in writing by the contracting
officer, in which case the restriction in this
subparagraph shall not apply.
(iii) Nothing in this paragraph shall preclude
the subcontractor from offering or selling
its standard and commercial items to SRNS.
(2) Access to and use of information. (i) If
the subcontractor, in the performance of this
subcontract, obtains access to information, such
as SRNS plans, policies, reports, studies,
financial plans, internal data protected
by the Privacy Act of 1974 (5 U.S.C. 552a), or
data which has not been released or otherwise
made available to the public, the subcontractor
agrees that without prior written approval
of the Procurement Representative it shall not:
(A) use such information for any private
purpose unless the information has been released
or otherwise made available to the
public;
(B) compete for work for SRNS
based on such information for a period of six
(6) months after either the completion
of this subcontract or until such information is released
or otherwise made available to the
public, whichever is first;
(C) submit an unsolicited proposal to SRNS which is
based on such information
until one year after such information is
released or otherwise made available to the
public; and
(D) release such information unless such
information has previously been released or
otherwise made available to the public by
SRNS.
(ii) In addition, the subcontractor agrees that
to the extent it receives or is given access to
proprietary data, data protected by the Privacy
Act of 1974 (5 U.S.C. 552a), or other confidential
or privileged technical, business, or
financial information under this subcontract, it
shall treat such information in accordance
with any restrictions imposed on such information.
(iii) The subcontractor may use technical data
it first produces under this subcontract for its
private purposes consistent with paragraphs
(b)(2)(i) (A) and (D) of this clause and the
patent, rights in data, and security provisions
of this subcontract.
(c) Disclosure after award. (1) The subcontractor
agrees that, if changes, including additions,
to the facts disclosed by it prior to
award of this subcontract, occur during the
performance
of this subcontract, it shall make an
immediate and full disclosure of such
changes in writing to the Procurement Representative.
Such disclosure may include a description of
any action which the subcontractor has taken
or proposes to take to avoid, neutralize, or
mitigate any resulting conflict of interest.
SRNS may, however, terminate
the subcontract for convenience if it deems such
termination to be in the best interest of
SRNS.
(2) In the event that the subcontractor was
aware of facts required to be disclosed or the
existence of an actual or potential organizational
conflict of interest and did not disclose
such facts or such conflict of interest
to the Procurement Representative, SRNS may
terminate this contract for default.
(d) Remedies. For breach of any of the
above restrictions or for nondisclosure or
misrepresentation of any facts required to be
disclosed concerning this subcontract, including
the existence of an actual or potential organizational
conflict of interest at the time of
or after award, the Procurement Representative may
terminate
the subcontract for default, disqualify the
subcontractor from subsequent related contractual
efforts, and pursue such other remedies
as may be permitted by law or this subcontract.
(e) Waiver. Requests for waiver under this
clause shall be directed in writing to the
Procurement Representative and shall include a full description of the requested waiver and the reasons in support thereof. If it is determined to be in the best interests of SRNS, the Procurement Representative may grant such a waiver in writing.

(End of clause)

ALTERNATE I: In accordance with 909.507–2 and 970.0905, include the following alternate in the specified types of subcontracts.

(f) Subcontracts. (1) The Procurement Representative subcontractor shall include a clause, substantially similar to this clause, including this paragraph (f), in subcontracts in accordance with FAR part 13 and involving the performance of advisory and assistance services as that term is defined at FAR 37.201. The terms “subcontract,” “subcontractor,” and “Procurement Representative” shall be appropriately modified to preserve SRNS’ rights.

(2) Prior to the award under this subcontract for advisory and assistance services or all other service and material subcontracts, the Procurement Representative shall obtain from the proposed subcontractor or consultant the disclosure required by DEAR 909.507–1, and shall determine in writing whether the interests disclosed present an actual or significant potential for an organizational conflict of interest. Where an actual or significant potential organizational conflict of interest is identified, the subcontractor shall take actions to avoid, neutralize, or mitigate the organizational conflict to the satisfaction of the Procurement Representative. If the conflict cannot be avoided or neutralized, the Procurement Representative must obtain the approval of the DOE contracting officer prior to entering into the subcontract.

SECTION D

SECTION D ARTICLES APPLY IF THE PRICE OF THIS ORDER EXCEEDS $100,000.

D.1 SUSTAINABLE ACQUISITION PROGRAM

A. Pursuant to Executive Order 13423, Strengthening Federal Environmental, Energy and Transportation Management, and Executive Order 13514, Federal Leadership in Environmental, Energy, and Economic Performance, the Department of Energy (DOE) is committed to managing its facilities in an environmentally preferable and sustainable manner that will promote the natural environment and protect the health and well-being of its Federal employees and subcontractor/supplier service providers. In the performance of work under this contract, the subcontractor/supplier shall provide its services in a manner that promotes the natural environment, reduces greenhouse gas emissions and protects the health and - well-being of Federal employees, contract service providers and visitors using the facility.

B. Green purchasing or sustainable acquisition has several interacting initiatives. The subcontractor/supplier must comply with initiatives that are current as of the contract award date. DOE may require compliance with revised initiatives from time to time. The subcontractor/supplier may request an equitable adjustment to the terms of its contract using the procedures in the Changes clause of the contract. The initiatives important to these Orders are explained on the following Government or Industry Internet Sites:

(1) Recycled Content Products are described at http://epa.gov/cpg
(2) Biobased Products are described at http://www.biopreferred.gov/
(3) Energy efficient products are at http://energystar.gov/products for Energy Star products
(4) Energy efficient products are at http://www.femp.energy.gov/procurement for FEMP designated products
(5) Environmentally preferable and energy efficient electronics including desktop computers, laptops and monitors are at http://www.epeat.net the Electronic Products Environmental Assessment Tool (EPEAT) the Green Electronics Council site
(6) Greenhouse gas emission inventories are required, including Scope 3 emissions which include subcontractor/supplier emissions. These are discussed at Section 13 of Executive Order 13514 which can be found at http://www.archives.gov/federal-register/executive-orders/disposition.html
(7) Non-Ozone Depleting Alternative Products are at http://www.epa.gov/ozone/strathome.html
(8) Water efficient plumbing products are at http://epa.gov/watersense.

C. The clauses at FAR 52.223-2, Affirmative Procurement of Biobased Products under Service and Construction Contracts, 52.223-15, Energy Efficiency in Energy Consuming Products, and 52.223-17 Affirmative Procurement of EPA-Designated Items in Service and Construction Contracts, require the use of products that have biobased content, are energy efficient, or have recycled content. To the extent that the services provided by the subcontractor/supplier require provision of any of the above types of products, the subcontractor/supplier must provide the energy efficient and environmentally sustainable type of product unless that type of product—

(1) Is not available;
(2) Is not life cycle cost effective or does not exceed 110% of the price of alternative items if life cycle cost data is unavailable (EPEAT is an example of lifecycle costs that have been analyzed by DOE and found to be acceptable at the silver and gold level);
(3) Does not meet performance needs; or,
(4) Cannot be delivered in time to meet a critical need.

D. In the performance of this contract, the subcontractor/supplier shall comply with the requirements of Executive Order 13423,

E. In complying with the requirements of paragraph (c) of this clause, the subcontractor/supplier(s) shall coordinate its activities with and submit required reports through the Environmental Sustainability Coordinator or equivalent position. Reporting under this paragraph and paragraphs (f) and (g) of this clause is only required if the contract or subcontract offers subcontracting opportunities for energy efficient and environmentally sustainable products or services exceeding $100,000 in any contract year.

F. The subcontractor/supplier shall prepare and submit performance reports, if required, using prescribed DOE formats, at the end of the Federal fiscal year, on matters related to the acquisition of environmentally preferable and sustainable products and services. This is a material delivery under the contract. Failure to perform this requirement may be considered a failure that endangers performance of this contract and may result in termination for default.

G. These provisions shall be flowed down only to first tier subcontracts exceeding the simplified acquisition threshold that support operation of the DOE facility and offer significant subcontracting opportunities for energy efficient or environmentally sustainable products or services. The Subcontractor, if subcontracting opportunities for sustainable and environmentally preferable products or services exceed the threshold in paragraph (e) of this clause, shall comply with the procedures in paragraphs (c) through (e) of this clause regarding the collection of all data necessary to generate the reports required under paragraphs (c) through (e) of this clause, and submit the reports directly to the Prime Contractor’s Environmental Sustainability Coordinator at the supported facility. The Subcontractor will advise the subcontractor/supplier if it is unable to procure energy efficient and environmentally sustainable items and cite which of the reasons in paragraph (c) of this clause apply. The reports may be submitted at the conclusion of the subcontract term provided that the subcontract delivery term is not multi-year in nature. If the delivery term is multi-year, the Subcontractor shall report its accomplishments for each Federal fiscal year in a manner and at a time or times acceptable to both parties. Failure to comply with these reporting requirements may be considered a breach of contract with attendant consequences.

(1) Since this contract involves subcontractor/supplier operation of Government-owned facilities and/or motor vehicles, the provisions of Executive Order 13423 are applicable to the subcontractor/supplier to the same extent they would be applicable if the Government were operating the facilities or motor vehicles. Information on the requirements of the Executive Order may be found at http://www.archives.gov/federal-register/executive-orders/.

F.1 INTEGRATION OF ENVIRONMENT, SAFETY AND HEALTH INTO WORK PLANNING AND EXECUTION
DEAR 970.5223-1

A. For the purpose of this Article,
   (1) Safety encompasses environment, safety and health, including pollution prevention and waste minimization; and
   (2) Employees include /Suppliers and Subtier Subcontractors/Suppliers employees.

B. In performing work under this Subcontract, the Subcontractor/Supplier and any Subtier Subcontractors/Suppliers, shall perform work safely, in a manner that ensures adequate protection for employees, the public, and the environment, and shall be accountable for the safe performance of work. The Subcontractor/Supplier shall exercise a degree of care commensurate with the work and the associated hazards. The Subcontractor/Supplier shall ensure that management of environment, safety and health (ES&H) functions and activities becomes an integral, but visible part of the Subcontractor’s/Supplier’s work planning and execution processes. The Subcontractor/Supplier shall, in the performance of work, ensure that:
   (1) Line management is responsible for the protection of employees, the public, and the environment. Line management includes those Subcontractor/Supplier and Subtier
Subcontractor/Supplier employees managing or supervising employees performing work.

(2) Clear and unambiguous lines of authority and responsibility for ensuring ES&H are established and maintained at all organizational levels.

(3) Personnel possess the experience, knowledge, skills, and abilities that are necessary to discharge their responsibilities.

(4) Resources are effectively allocated to address ES&H, programmatic, and operational considerations. Protecting employees, the public, and the environment is a priority whenever activities are planned and performed.

(5) Before work is performed, the associated hazards are evaluated and an agreed-upon set of ES&H standards and requirements are established which, if properly implemented, provide adequate assurance that employees, the public, and the environment are protected from adverse consequences.

(6) Administrative and engineering controls to prevent and mitigate hazards are tailored to the work being performed and associated hazards. Emphasis should be on designing the work and/or controls to reduce or eliminate the hazards and to prevent accidents and unplanned releases and exposures.

(7) The conditions and requirements to be satisfied for operations to be initiated and conducted are established and agreed-upon by SRNS and the Subcontractor/Supplier. These agreed-upon conditions and requirements of the Subcontract are binding upon the Subcontractor/Supplier. The extent of documentation and level of authority for agreement shall be tailored to the complexity and hazards associated with the work.

C. The Subcontractor/Supplier and any Subtier Subcontractors/Suppliers, shall manage and perform work in accordance with Article F.2 or a documented Worker Protection Plan (WPP) that fulfills all conditions in paragraph B. of this Article to the degree specified in Article F.3 or F.4. as indicated applicable to this subcontract. Documentation in the subcontract shall describe how the Subcontractor/Supplier will:

1. Define the Work to be performed;
2. Identify and analyze hazards associated with the work;
3. Develop and implement hazard controls;
4. Perform work within controls; and
5. Provide feedback on adequacy of controls and continue to improve safety management.

D. The subcontract shall describe how the Subcontractor/Supplier will establish, document, and implement safety performance objectives, performance measures, and commitments in response to Subcontract requirements and funding limits while maintaining the integrity of the WPP. The subcontract shall also describe how the Subcontractor/Supplier will measure WPP effectiveness.

E. The Subcontractor/Supplier shall submit to the SRNS Procurement Representative documentation of its WPP for review and acceptance. The SRNS Procurement Representative will establish dates for submittal, discussions, and revisions to the WPP. The SRNS Procurement Representative will provide guidance on preparation, content, review, and acceptance of the WPP. On an annual basis, the Subcontractor/Supplier shall review and update, for SRNS acceptance, its safety performance objectives, performance measures, and commitments consistent with, and in response to, Subcontract requirements, funding limits and direction. Resources shall be identified and allocated to meet the safety objectives and performance commitments as well as maintain the integrity of the entire WPP. Accordingly, the subcontract shall be integrated with the Subcontractor’s/Supplier’s business processes, as applicable to the Scope of Work contained in this subcontract, for work planning, budgeting, authorization, execution, and change control.

F. The Subcontractor/Supplier and any Subtier Subcontractors/Suppliers, shall comply with, and assist SRNS in complying with, ES&H requirements of all applicable laws and regulations, and applicable directives identified in the Article of this Subcontract on Laws, Regulations, and DOE Directives. The Subcontractor/Supplier shall cooperate with Federal and non-Federal agencies having jurisdiction over ES&H matters under this Subcontract.

G. The Subcontractor/Supplier shall promptly evaluate and resolve any noncompliance with applicable ES&H requirements including those specified in the subcontract. If the Subcontractor/Supplier fails to provide resolution or, if at any time, the Subcontractor’s/Supplier’s acts or failure to act causes substantial harm or an imminent danger to the environment or health and safety of employees or the public, the SRNS Procurement Representative may issue an order stopping work in whole or in part. Any stop work order issued by the SRNS Procurement Representative under this Article (or issued by the Subcontractor/Supplier to a Subtier
Subcontractor/Supplier shall be without prejudice to any other legal or contractual rights of SRNS. In the event that the SRNS Procurement Representative issues a stop work order, an order authorizing the resumption of the work may be issued at the discretion of the SRNS Procurement Representative. The Subcontractor/Supplier shall not be entitled to an extension of time or additional fee or damages by reason of, or in connection with, any work stoppage ordered in accordance with this Article.

H. SRNS shall hold the Subcontractor/Supplier responsible for compliance with the ES&H requirements applicable to this Subcontract, including performance of work by any Subtier Subcontractors/Suppliers. In utilizing the Focused Observation Checklists, Subcontractors/Suppliers are required to forward any self-identified safety deficiencies to the STR/End User. The STR/End User will forward the deficiencies to SRNS Contractor Assurance for screening.

F.2 ENVIRONMENT, SAFETY, AND HEALTH COMPLIANCE - CATEGORY A
(Compliance by the Subcontractor/Supplier with the requirements of this Article F.2 shall satisfy any/all requirements of Article F.1, "Integration of Environment, Safety and Health into Work Planning and Execution", applicable to the scope of work contained in this Subcontract.)

A. The Subcontractor/Supplier, and any Subtier Subcontractor/Supplier, shall take all reasonable precautions in the performance of the work under this Subcontract to protect the environment, safety, and health of employees and members of the public. All work shall be performed to include Lower-tier subcontracted work in compliance with all applicable SRNS/DOE environmental, safety, and health requirements, including DOE Regulation 10 CFR 851, “Worker Safety and Health Program”, and orders, and procedures including related reporting requirements and all subsequent updates to OSHA and 10 CFR 851. Such procedures provide authority to SRNS employees to call a “time out/stop work” when unsafe conditions are observed and/or employee actions are likely to cause injury to themselves, other personnel, or cause damage to SRS property. The Subcontractor/Supplier shall ensure that its employees, including lower-tier Subcontractor/Supplier employees are aware of this authority, and also have similar “time out/stop work” authority when performing work under this Subcontract. The SRNS Procurement Representative shall notify the Subcontractor/Supplier in writing of any noncompliance with the provisions of this Article and the corrective action to be taken. After receipt of such notice, the Subcontractor/Supplier shall immediately take corrective action. In the event that the Subcontractor/Supplier fails to take corrective action and comply with said SRNS/DOE regulations, requirements and procedures the SRNS Procurement Representative may, without prejudice to any other legal or contractual rights of SRNS, issue an Order stopping work in whole or in part. An Order authorizing the resumption of work may be issued at the discretion of the Procurement Representative. The Subcontractor/Supplier shall not be entitled to an extension of time or additional fee or damages by reason of, or in connection with, any work stoppage ordered in accordance with this Article.

B. Prior to the start of work under this Subcontract, the Subcontractor/Supplier shall provide to the SRNS Procurement Representative a completed Prequalification Checklist for review and acceptance by the appropriate contractor’s organization(s). The Prequalification Checklist shall contain the following minimum requirements, as applicable:
(1) letter acknowledging a Corporate Safety and Health Policy and confirmation of compliance with SRNS procedures. In addition, for any tasks identified in the Statement of Work as outside the scope of SRNS procedures, the Subcontractor/Supplier shall provide to the SRNS Procurement Representative for SRNS review and acceptance any appropriate documentation, procedures or manuals containing task hazard reviews and safeguards to be implemented. Whenever a significant change or addition is made to such documentation, procedures or manuals, the Subcontractor/Supplier shall re-submit the revised document to SRNS for review and acceptance. Examples of significant changes include any requirement deletions, additional scope added, total re-write or major revision. Additionally, the Subcontractor/Supplier must submit annually to SRNS either an update to the documentation, procedures or manuals for acceptance or a letter stating that no changes are necessary in the current accepted documents.
(2) EMR & TRC Worksheet
(3) Safety and Industrial Hygiene Representation: The Subcontractor/Supplier shall designate required representation as specified in the Subcontract. The designation must include qualifications and duties.
(4) Insurance Confirmation of EMR Rate
(5) OSHA 300 Logs/Summaries
Focused Observation Checklists
Designated Local Medical Provider
Assigned Competent Person (ACP): The Subcontractor/Supplier shall designate in writing an Assigned Competent Person (ACP), and alternates, who will be responsible for SRS perimeter barricade escort and safety orientation for non-badged material/equipment delivery personnel and other non-badged Subcontractor/Supplier personnel seeking temporary badges in support of the Subcontractor/Supplier’s work scope. The ACP shall be a responsible employee, cognizant of the Subcontract scope and all applicable environmental, safety and health requirements, including any focused observation safety checklists. The ACP shall furnish an advance copy of applicable focused observation safety checklists to any non-badged temporary personnel anticipating entry onto SRS, and shall meet entering personnel at the SRNS Badging Office, Building 703-46A when they report for temporary badging. The ACP and entering personnel shall review the scope of work to be performed and upon arrival at the work site review, complete and date any applicable focused observation safety checklist(s). For material/equipment deliveries, the ACP shall review any applicable focused observation safety checklists with delivery personnel, including specific safety measures required for loading/unloading in accordance with OSHA.

C. Equipment Safety
The Subcontractor/Supplier shall ensure that major equipment used in the performance of work under this Subcontract is inspected, operated and maintained by qualified competent personnel. As confirmation, the Subcontractor/Supplier shall complete Form PF-44, Major Equipment Declaration, and (copy available on the SRNS Internet Home Page) and provide one (1) copy to the Subcontract Technical Representative (STR)/End User, prior to placing any such equipment in service on the Savannah River Site. Additionally, prior to performing any activity involving the loading, unloading, and transporting of self-propelled medium or heavy duty equipment on the Savannah River Site, the Subcontractor/Supplier shall complete the “Self-propelled Equipment Loading, Unloading & Transport Safety Review Checklist”, copy available on the SRNS Home Page at [http://www.srs.gov/general/business/PMMD/SRNS_S_general_provisions.htm](http://www.srs.gov/general/business/PMMD/SRNS_S_general_provisions.htm), and provide a copy to the STR/END USER.

D. Site Reporting Requirements
The Subcontractor/Supplier shall immediately notify the STR/END USER or SRNS Procurement Representative of any event/condition that may require reporting to DOE. Further, the Subcontractor/Supplier shall cooperate with any SRNS or DOE critique, analysis, or investigation and complete necessary reports for such events/conditions. Events/conditions that require reporting to DOE are defined in DOE Manual 231.1-2 (DOE M 231.1-2) and can include (but are not limited to):

1. Operational emergencies,
2. Occupational injury or illness (including exposures to hazardous substances in excess of allowable limits) and near misses,
3. Any on-the-job injury where an employee is taken offsite for something other than observation. The notification requirement applies to any person who goes offsite for prompt medical treatment of any type. The mode of transportation (ambulance, personal vehicle, etc.) is not pertinent – any offsite transfers must be reported immediately,
4. Any violation of Lockout/Tagout controls where there are no credible barriers left between the worker, and the energy source regardless of whether or not there was an injury,
5. Fires/explosions,
6. Hazardous energy control failures,
7. Operations shutdown directed by management for safety response,
8. Environmental release of radioactive materials, hazardous substances, regulated pollutants, oil spills, etc.,
9. Violation of Federal Motor Carrier Safety Regulations or Hazardous Material Regulations,
10. Loss, damage, theft, or destruction to government property (including damage to ecological resources like wetlands, critical habitats, historical/archeological sites, etc.),
11. Spread of radioactive contamination or loss of control of radioactive materials,
12. Personnel radioactive contaminations or exposures, and
13. Violations of procedures.
Immediate notification is required of such events to ensure SRNS meets its commitment for 30 minute notification to appropriate DOE authorities. The Subcontractor/Supplier shall preserve conditions surrounding or associated with the event for continued investigation unless such actions interfere with establishing a safe condition. The Subcontractor/Supplier and their employees shall not conceal nor destroy any information.
concerning noncompliance or potential noncompliance with the environment, safety and health requirements of this Subcontract.

**F.3 ENVIRONMENT, SAFETY, AND HEALTH COMPLIANCE – CATEGORY B**

(Compliance by the Subcontractor/Supplier with the requirements of this Article F.3 shall satisfy any/all requirements of Article F.1, “Integration of Environment, Safety and Health into Work Planning and Execution”, applicable to the scope of work contained in this Subcontract.)

A. The Subcontractor/Supplier and any Subtier Subcontractors/Suppliers shall take all reasonable precautions in the performance of the work under this Subcontract to protect the environment, safety and health of employees and members of the public, and shall comply with OSHA and all other applicable federal, state and local regulatory requirements, including new DOE Regulation 10 CFR 851, “Worker Safety and Health Program” which will apply to any work performed on the Savannah River Site and all subsequent updates to OSHA and 10 CFR 851. The Subcontractor/Supplier and any Subtier Subcontractor/Supplier shall comply with site-specific ES&H requirements when specified in the Subcontract. The SRNS Procurement Representative shall notify the Subcontractor/Supplier in writing of any noncompliance with the provisions of this article. After receipt of such notice, the Subcontractor/Supplier shall immediately take corrective action. In the event that the Subcontractor/Supplier fails to take corrective action and comply with said regulations and requirements, the SRNS Procurement Representative may, without prejudice to any other legal or contractual rights of SRNS, issue an order stopping work in whole or in part. An order authorizing the resumption of work may be issued at the discretion of the procurement representative. The Subcontractor/Supplier shall provide a copy of the accepted WPP and TSP to any Subtier Subcontractor/Supplier and shall ensure Subcontractor/Supplier employee’s performing work at the site have access to the WPP document accepted by SRNS, and other standards, controls and procedures including DOE worker protection publications applicable to the workplace. The Subcontractor’s/Supplier’s employees and the employees of any Subtier Subcontractors/Suppliers shall comply with the WPP and TSPs in the performance of the work under this Subcontract.

The Subcontractor/Supplier shall provide mechanisms to involve workers in the development of WPP goals, objectives, and performance measures and in the identification and control of workplace hazards. Whenever a significant change or addition is made to the WPP, it shall be re-submitted to SRNS for review and acceptance. Examples of significant changes include any requirement deletions, additional scope added, total re-write or major revision. Additionally, the Subcontractor/Supplier must submit annually to SRNS either an updated WPP for acceptance or a letter stating that no changes are necessary in the current accepted WPP.

B. Prequalification Checklist

Prior to the start of work under this Subcontract, Subcontractor/Supplier shall provide to contractor’s Procurement Representative a completed Prequalification Checklist for review and acceptance by the appropriate contractor’s organization(s). The Prequalification Checklist shall contain the following minimum requirements, as applicable:

1. Worker Protection Plan Checklist
2. EMR & TRC Worksheet
3. Safety and Industrial Hygiene Representation: The Subcontractor/Supplier shall designate required representation as specified in the Subcontract. The designation must include qualifications and duties.
4. Worker Protection Plan (WPP) and Task Specific Plan (TSP): The Subcontractor/Supplier shall possess and maintain a corporate WPP which implements the requirements applicable to the normal course of the Subcontractor’s/Supplier’s business. Prior to the start of work under this Subcontract, the Subcontractor/Supplier shall provide to the SRNS Procurement Representative a copy of the WPP and sample Task Specific Plans (TSP) for review and acceptance by the appropriate SRNS organization(s). Note: Subcontractor/Supplier is responsible for conducting hazard analysis and documenting additional TSPs. Work under this Subcontract shall not commence until the WPP and TSPs have been accepted by SRNS. The Subcontractor/Supplier shall provide a copy of the accepted WPP and TSP to any Subtier Subcontractor/Supplier and shall ensure that Subcontractor/Supplier employee’s performing work at the site have access to the WPP document accepted by SRNS, and other standards, controls and procedures including DOE worker protection publications applicable to the workplace. The Subcontractor’s/Supplier’s employees and the employees of any Subtier Subcontractors/Suppliers shall comply with the WPP and TSPs in the performance of the work under this Subcontract.

The Subcontractor/Supplier shall provide mechanisms to involve workers in the development of WPP goals, objectives, and performance measures and in the identification and control of workplace hazards. Whenever a significant change or addition is made to the WPP, it shall be re-submitted to SRNS for review and acceptance. Examples of significant changes include any requirement deletions, additional scope added, total re-write or major revision. Additionally, the Subcontractor/Supplier must submit annually to SRNS either an updated WPP for acceptance or a letter stating that no changes are necessary in the current accepted WPP.

5. Insurance Confirmation of EMR Rate
6. OSHA 300 Logs/Summaries
7. Focused Observation Checklists
8. Designated Local Medical Provider
9. Assigned Competent Person (ACP): The Subcontractor/Supplier shall designate in writing
an Assigned Competent Person (ACP), and alternates, who will be responsible for SRS perimeter barricade escort and safety orientation for non-badged material/equipment delivery personnel and other non-badged Subcontractor/Supplier personnel seeking temporary badges in support of the Subcontractor’s/Supplier’s work scope. The ACP shall be a responsible employee, cognizant of the Subcontract scope and all applicable environmental, safety and health requirements, including any focused observation safety checklists. The ACP shall furnish an advance copy of applicable focused observation safety checklists to any non-badged temporary personnel anticipating entry onto SRS, and shall meet entering personnel at the SRNS Badging Office, Building 703-46A when they report for temporary badging. The ACP and entering personnel shall review the scope of work to be performed and upon arrival at the work site review, complete and date any applicable focused observation safety checklist(s). For material/equipment deliveries, the ACP shall review any applicable focused observation safety checklists with delivery personnel, including specific safety measures required for loading/unloading in accordance with OSHA and the WPP.

C. Equipment Safety.
The Subcontractor/Supplier shall ensure that major equipment used in the performance of work under this Subcontract is inspected, operated and maintained by qualified competent personnel. As confirmation, the Subcontractor/Supplier shall complete Form PF-44, Major Equipment Declaration, (copy available on the SRNS Internet Home Page) and provide one (1) copy to the Subcontract Technical Representative (STR)/End User, prior to placing any such equipment in service on the Savannah River Site. Additionally, prior to performing any activity involving the loading, unloading, and transporting of self-propelled medium or heavy duty equipment on the Savannah River Site, the Subcontractor/Supplier shall complete the “Self-propelled Equipment Loading, Unloading & Transport Safety Review Checklist”, copy available on the SRNS Home Page at (http://www.srs.gov/general/busiops/PMMD/SRN S_general_provisions.htm), and provide a copy to the STR/END USER.

D. Safety Data Sheets.
The Subcontractor/Supplier shall provide the STR/END USER copies of Safety Data Sheets for all chemicals brought to SRS prior to the initial use of such chemicals. In addition, the Subcontractor/Supplier shall provide the STR/END USER with a current inventory on a monthly basis for chemicals stored on-site for thirty (30) or more days per EPCRA/CERCLA. All chemicals stored on-site shall follow NFPA storage guidelines.

E. Environmental Compliance
The Subcontractor/Supplier and any Subtier Subcontractors/Suppliers shall comply with all applicable environmental protection laws, Executive Orders, ordinances, regulations, directives, and codes. Upon request, the Subcontractor/Supplier shall submit an Environmental Compliance Plan (ECP) outlining the methods proposed to address the environmental requirements specified in the scope of work. The ECP shall specify the person responsible for ensuring the requirements are met.

F. Site Reporting Requirements
The Subcontractor/Supplier shall immediately notify the STR/END USER or SRNS Procurement Representative of any event/condition that may require reporting to the DOE. Further, the Subcontractor/Supplier shall cooperate with any SRNS or DOE critique, analysis, or investigation and complete necessary reports for such events/conditions. Events/conditions that require reporting to DOE are defined in DOE Manual 231.1-2 (DOE M 231.1-1-2) and can include (but are not limited to):

(1) Operational emergencies,
(2) Occupational injury or illness (including exposures to hazardous substances in excess of allowable limits) and near misses,
(3) Any on-the-job injury where an employee is taken offsite for something other than observation. The notification requirement applies to any person who goes offsite for prompt medical treatment of any type. The mode of transportation (ambulance, personal vehicle, etc.) is not pertinent – any offsite transfers must be reported immediately,
(4) Any violation of Lockout/Tagout controls where there are no credible barriers left between the worker, and the energy source regardless of whether or not there was an injury
(5) Fires/explosions,
(6) Hazardous energy control failures,
(7) Operations shutdown directed by management for safety reasons,
(8) Environmental release of radioactive materials, hazardous substances, regulated pollutants, oil spills, etc.
(9) Violation of Federal Motor Carrier Safety Regulations or Hazardous Material
Regulations,

(10) Loss damage, theft, or destruction to government property (including damage to ecological resources like wetlands, critical habitats, historical/archaeological sites, etc.),

(11) Spread of radioactive contamination or loss of control of radioactive materials,

(12) Personnel radioactive contaminations or exposures, and

(13) Violations of procedures.

Immediate notification is required of such events to ensure SRNS meets its commitment for 30 minute notification to appropriate DOE authorities. The Subcontractor/Supplier shall preserve conditions surrounding or associated with the event for continued investigation unless such actions interfere with establishing a safe condition. The Subcontractor/Supplier and their employees shall not conceal nor destroy any information concerning noncompliance or potential noncompliance with the environment, safety and health requirements of this Subcontract.

**F.4 ENVIRONMENT, SAFETY, AND HEALTH COMPLIANCE – CATEGORY C**

(Compliance by the Subcontractor/Supplier with the requirements of this Article F.4 shall satisfy any/all requirements of Article F.1, "Integration of Environment, Safety and Health into Work Planning and Execution", applicable to the scope of work contained in this Subcontract.)

**A.** The Subcontractor/Supplier and any Subtier Subcontractors/Suppliers shall take all reasonable precautions in the performance of the work under this Subcontract to protect the environment, safety and health of employees and members of the public, and shall comply with OSHA and all other applicable federal, state and local regulatory requirements, including new DOE Regulation 10 CFR 851, “Worker Safety and Health Program” which will apply to any work performed on the Savannah River Site and all subsequent updates to OSHA and 10 CFR 851. The Subcontractor/Supplier and any Subtier Subcontractor/Supplier shall comply with site-specific ES&H requirements when specified in the Subcontract. The SRNS Procurement Representative shall notify the Subcontractor/Supplier in writing of any noncompliance with the provisions of this Article. After receipt of such notice, the Subcontractor/Supplier shall immediately take corrective action. In the event that the Subcontractor/Supplier fails to take corrective action and comply with said regulations and requirements, the SRNS Procurement Representative may, without prejudice to any other legal or contractual rights of SRNS, issue an Order stopping work in whole or in part. An Order authorizing the resumption of work may be issued at the discretion of the Procurement Representative. The Subcontractor/Supplier shall not be entitled to an extension of time or additional fee or damages by reason of, or in connection with, any work stoppage ordered in accordance with this Article.

**B. Prequalification Checklist**

Prior to the start of work under this Subcontract, Subcontractor/Supplier shall provide to contractor’s Procurement Representative a completed Prequalification Checklist for review and acceptance by the appropriate contractor’s organization(s). The Prequalification Checklist shall contain the following minimum requirements, as applicable:

1. Worker Protection Plan Checklist
2. EMR & TRC Worksheet
3. Safety and Industrial Hygiene Representation: The Subcontractor/Supplier shall designate required representation as specified in the Subcontract. The designation must include qualifications and duties.
4. Worker Protection Plan (WPP): The Subcontractor/Supplier shall possess and maintain a corporate Worker Protection Plan (WPP) which implements the requirements applicable to the normal course of the Subcontractor’s/Supplier’s business. Prior to the start of work under this Subcontract, the Subcontractor/Supplier shall provide to the SRNS Procurement Representative a copy of the WPP for review and acceptance by the appropriate SRNS organizations. The Subcontractor’s/Supplier’s employees and the employees of any Subtier Subcontractors/Suppliers, shall comply with the WPP in the performance of the work under this Subcontract. Work under the Subcontract shall not commence until the WPP has been received and accepted by SRNS. The Subcontractor/Supplier shall provide a copy of the WPP to any Subtier Subcontractors/Suppliers and shall ensure Subcontractor/Supplier employee’s performing work at the site have access to the WPP document accepted by SRNS, and other standards, controls and procedures including DOE worker protection publications applicable to the workplace. The Subcontractor/Supplier shall provide mechanisms to involve workers in the development of WPP goals, objectives, and performance measures and in the identification and control of workplace hazards. Whenever a significant change or addition is made to the WPP,
it shall be re-submitted to SRNS for review and acceptance. Examples of significant changes include any requirement deletions, additional scope added, total re-write or major revision. Additionally, the Subcontractor/Supplier must submit annually to SRNS either an updated WPP for acceptance or a letter stating that no changes are necessary in the current accepted WPP.

(5) Insurance Confirmation of EMR Rate
(6) OSHA 300 Logs/Summaries
(7) Focused Observation Checklists
(8) Designated Local Medical Provider
(9) Assigned Competent Person (ACP): The Subcontractor/Supplier shall designate in writing an Assigned Competent Person (ACP), and alternates, who will be responsible for SRS perimeter barricade escort and safety orientation for non-badged material/equipment delivery personnel and other non-badged Subcontractor/Supplier personnel seeking temporary badges in support of the Subcontractor’s/Supplier’s work scope. The ACP shall be a responsible employee, cognizant of the Subcontract scope and all applicable environmental, safety and health requirements, including any focused observation safety checklists. The ACP shall furnish an advance copy of applicable focused observation safety checklists to any non-badged temporary personnel anticipating entry onto SRS, and shall meet entering personnel at the SRNS Badging Office, Building 703-46A when they report for temporary badging. The ACP and entering personnel shall review the scope of work to be performed and upon arrival at the work site review, complete and date any applicable focused observation safety checklist(s). For material/equipment deliveries, the ACP shall review any applicable focused observation safety checklists with delivery personnel, including specific safety measures required for loading/unloading in accordance with OSHA and the WPP.

C. Equipment Safety
The Subcontractor/Supplier shall ensure that major equipment used in the performance of work under this Subcontract is inspected, operated and maintained by qualified competent personnel. As confirmation, the Subcontractor/Supplier shall complete Form PF-44, Major Equipment Declaration, (copy available on the SRNS Internet Home Page) and provide one (1) copy to the Subcontract Technical Representative (STR)/End User, prior to placing any such equipment in service on the Savannah River Site. Additionally, prior to performing any activity involving the loading, unloading, and transporting of self-propelled medium or heavy duty equipment on the Savannah River Site, the Subcontractor/Supplier shall complete the “Self-propelled Equipment Loading, Unloading & Transport Safety Review Checklist”, copy available on the SRNS Home Page at (http://www.srs.gov/general/business/PMMD/SRN_S_general_provisions.htm), and provide a copy to the STR/END USER.

D. Safety Data Sheets
The Subcontractor/Supplier shall provide the STR/End User copies of Safety Data Sheets for all chemicals brought to SRS prior to the initial use of such chemicals. In addition, the Subcontractor/Supplier shall provide the STR/End User with a current inventory on a monthly basis for chemicals stored on-site for thirty (30) or more days per EPCRA/CERCLA. All chemicals stored on-site shall follow NFPA storage guidelines.

E. Environmental Compliance
The Subcontractor/Supplier and any Subtier Subcontractors/Suppliers shall comply with all applicable environmental protection laws, Executive Orders, ordinances, regulations, directives, and codes. Upon request, the Subcontractor/Supplier shall submit an Environmental Compliance Plan (ECP) outlining the methods proposed to address the environmental requirements specified in the scope of work. The ECP shall specify the person responsible for ensuring the requirements are met.

F. Site Reporting Requirements
The Subcontractor/Supplier shall immediately notify the STR/End User or SRNS Procurement Representative of any event/condition that may require reporting to the DOE. Further, the Subcontractor/Supplier shall cooperate with any SRNS or DOE critique, analysis, or investigation and complete necessary reports for such events/conditions. Events/conditions that require reporting to DOE are defined in DOE Manual 231.1-2 (DOE M 231.1-1-2) and can include (but are not limited to):

(8) Environmental release of radioactive materials, hazardous substances, regulated pollutants, oil spills, etc.  
(9) Violation of Federal Motor Carrier Safety Regulations or Hazardous Material Regulations, and  
(10) Loss damage, theft, or destruction to government property (including damage to ecological resources like wetlands, critical habitats, historical/archeological sites, etc.),  
(11) Spread of radioactive contamination or loss of control of radioactive materials,  
(12) Personnel radioactive contaminations or exposures, and  
(13) Violations of procedures.

Immediate notification is required of such events to ensure SRNS meets its commitment for 30 minute notification to appropriate DOE authorities. The Subcontractor/Supplier shall preserve conditions surrounding or associated with the event for continued investigation unless such actions interfere with establishing a safe condition. The Subcontractor/Supplier and their employees shall not conceal nor destroy any information concerning noncompliance or potential noncompliance with the environment, safety and health requirements of this subcontract.

F.5 FOR SRNS DIRECTED TECHNICAL PERFORMANCE

Contractor shall cause its employee(s) to assign to SRNS all rights under the copyright in all works of authorship prepared at the direction of SRNS during the term of this Subcontract. Contractor shall include terms in its arrangements with its employee(s) to require such assignments to SRNS. To the extent that such works of authorship are considered to be works made for hire for Contractor, Contractor agrees to assign and does hereby assign all of its rights under the copyrights in such works to SRNS or the U. S. Government.

(This Subcontract or Order incorporates the Clauses identified below by reference, with the same force and effect as if they were given in full text. Upon request, SRNS will make their full text available. Reference Article A.39, “Supplemental Definitions for FAR and DEAR Clauses Incorporated by Reference”.)

FAR 52.215-11

F.8 SECURITY REQUIREMENTS (JUN 2009)
DEAR 952.204-2 SECURITY.

Note: Applicable if under the terms of this Subcontract or Order, Subcontractor’s/Supplier’s employees will be required to possess access authorizations (L or Q Security Clearance). As prescribed in 904.404(d) (1), the following clause shall be included in Subcontracts entered into under section 31 (research assistance, 42 U.S.C. 2051), or section 41 (ownership and operation of production facilities, 42 U.S.C. 2061) of the Atomic Energy Act of 1954, and in other Subcontracts which involve or are likely to involve classified information or special nuclear material.

A. Responsibility. It is the Subcontractor’s/Supplier's duty to protect all classified information, special nuclear material and other DOE property. The Subcontractor/Supplier shall, in accordance with DOE security regulations and requirements, be responsible for protecting all classified information and all classified matter (including documents, material and special nuclear material) which are in the Subcontractor’s/Supplier’s possession in connection with the performance of work under this Subcontract against sabotage, espionage, loss or theft. Except as otherwise expressly provided in this Subcontract, the Subcontractor/Supplier shall, upon completion or termination of this Subcontract, transmit to DOE any classified matter or special nuclear material in the possession of the Subcontractor/Supplier or any person under the Subcontractor’s/Supplier’s control in connection with performance of this Subcontract. If retention by the Subcontractor/Supplier of any classified matter is required after the completion or termination of the Subcontract, the Subcontractor/Supplier shall identify the items and classification levels and categories of
matter proposed for retention, the reasons for the retention, and the proposed period of retention. If the retention is approved by the DOE Contracting Officer, the security provisions of the Subcontract shall continue to be applicable to the classified matter retained. Special nuclear material shall not be retained after the completion or termination of the Subcontract.

B. **Regulations.** The Subcontractor/Supplier agrees to comply with all security regulations and Subcontract requirements of DOE in effect on the date of award.

C. **Definition of Classified Information.** The term *Classified Information* means information that is classified as Restricted Data or Formerly Restricted Data under the Atomic Energy Act of 1954, or information determined to require protection against unauthorized disclosure under Executive Order 12958, *Classified National Security Information*, as amended, or prior executive Orders, which is identified as *National Security Information*.

D. **Definition of Restricted Data.** The term *Restricted Data* means all data concerning design, manufacture, or utilization of atomic weapons; production of special nuclear material; or use of special nuclear material in the production of energy, but excluding data declassified or removed from the Restricted Data category pursuant to 42 U.S.C. 2162 [Section 51 as amended, of the Atomic Energy Act of 1954].

E. **Definition of Formerly Restricted Data.** The term "Formerly Restricted Data" means information removed from the Restricted Data category based on a joint determination by DOE or its predecessor agencies and the Department of Defense that the information: (1) relates primarily to the military utilization of atomic weapons; and (2) can be adequately protected as National Security Information. However, such information is subject to the same restrictions on transmission to other countries or regional defense organizations that apply to Restricted Data.

F. **Definition of National Security Information.** The term "National Security Information" means information that has been determined, pursuant to Executive Order 12958, *Classified National Security Information*, as amended, or any predecessor Order, to require protection against unauthorized disclosure, and that is marked to indicate its classified status when in documentary form.

G. **Definition of Special Nuclear Material.** The term “special nuclear material” means: (1) plutonium, uranium enriched in the isotope 233 or in the isotope 235, and any other material which, pursuant to 42 U.S.C. 2071 [section 51 as amended, of the Atomic Energy Act of 1954] has been determined to be special nuclear material, but does not include source material; or (2) any material artificially enriched by any of the foregoing, but does not include source material.

H. **Access authorizations of personnel.**

a. The Subcontractor/Supplier shall not permit any individual to have access to any classified information or special nuclear material, except in accordance with the Atomic Energy Act of 1954, and the DOE's regulations and Subcontract requirements applicable to the particular level and category of classified information or particular category of special nuclear material to which access is required.

b. The Subcontractor/Supplier must conduct a thorough review, as defined at 48 CFR 904.401, of an uncleared applicant or uncleared employee, and must test the individual for illegal drugs, (SRNS to provide this testing), prior to selecting the individual for a position requiring a DOE access authorization.
I. A review must: verify an uncleared applicant’s or uncleared employee’s educational background, including any high school diploma obtained within the past five years, and degrees or diplomas granted by an institution of higher learning; contact listed employers for the last three years and listed personal references; conduct local law enforcement checks when such checks are not prohibited by state or local law or regulation and when the uncleared applicant or uncleared employee resides in the jurisdiction where the Subcontractor/Supplier is located; and conduct a credit check and other checks as appropriate.

a. Subcontractor/Supplier reviews are not required for an applicant for DOE access authorization who possesses a current access authorization from DOE or another Federal agency, or whose access authorization may be reapproved without a federal background investigation pursuant to Executive Order 12968, Access to Classified Information (August 4, 1995), Sections 3.3(c) and (d).

b. In collecting and using this information to make a determination as to whether it is appropriate to select an uncleared applicant or uncleared employee to a position requiring an access authorization, the Subcontractor/Supplier must comply with all applicable laws, regulations, and Executive Orders, including those: (a) governing the processing and privacy of an individual’s information, such as the Fair Credit Reporting Act, Americans with Disabilities Act (ADA), and Health Insurance Portability and Accountability Act; and (b) prohibiting discrimination in employment, such as under the ADA, Title VII and the Age Discrimination in Employment Act, including with respect to pre- and post-offer of employment disability related questioning.

c. In addition to a review, each candidate for a DOE access authorization must be tested to demonstrate the absence of any illegal drug (SRNS to provide this testing), as defined in 10 CFR Part 707.4. All positions requiring access authorizations are determined to be testing designated positions in accordance with 10 CFR Part 707. All employees possessing access authorizations are subject to applicant, random or for cause testing for use of illegal drugs. DOE will not process candidates for a DOE access authorization unless their tests confirm the absence from their system of any illegal drug.

d. When an uncleared applicant or uncleared employee receives an offer of employment for a position that requires a DOE access authorization, the Subcontractor/Supplier shall not place that individual in such a position prior to the individual’s receipt of a DOE access authorization, unless an approval has been obtained from the head of the cognizant local security office. If the individual is hired and placed in the position prior to receiving an access authorization, the uncleared employee may not be afforded access to classified information or matter or special nuclear material (in categories requiring access authorization) until an access authorization has been granted.

e. The Subcontractor/Supplier must furnish to the head of the cognizant local DOE Security Office, in writing, electronically, the following information concerning each
uncleared applicant or uncleared employee who is selected for a position requiring an access authorization:

i. The date(s) each Review was conducted;

ii. Each entity that provided information concerning the individual;

iii. A certification that the review was conducted in accordance with all applicable laws, regulations, and Executive Orders, including those governing the processing and privacy of an individual’s information collected during the review;

iv. A certification that all information collected during the review was reviewed and evaluated in accordance with the Subcontractor’s/Supplier’s personnel policies; and

v. The results of the test for illegal drugs (SRNS to provide this testing).

1. **Criminal liability.** It is understood that disclosure of any classified information relating to the work or services ordered hereunder to any person not entitled to receive it, or failure to protect any classified information, special nuclear material, or other Government property that may come to the Subcontractor/Supplier or any person under the Subcontractor’s/Supplier’s control in connection with work under this Subcontract, may subject the Subcontractor/Supplier, its agents, employees, or Subcontractors/Suppliers to criminal liability under the laws of the United States (see the Atomic Energy Act of 1954, 42 U.S.C. 2011 et seq.; 18 U.S.C. 793 and 794).

J. **Foreign Ownership, Control, or Influence.**
   (1) The Subcontractor/Supplier shall immediately provide the cognizant security office written electronic notice of any change in the extent and nature of foreign ownership, control or influence over the Subcontractor/Supplier which would affect any answer to the questions presented in the Standard Form (SF) 328, *Certificate Pertaining to Foreign Interests*, executed prior to award of this Subcontract. In addition, any notice of changes in ownership or control which are required to be reported to the Securities and Exchange Commission, the Federal Trade Commission, or the Department of Justice, shall also be furnished concurrently to the Contracting Officer.

K. If a Subcontractor/Supplier has changes involving foreign ownership, control, or influence, DOE must determine whether the changes will pose an undue risk to the common defense and security. In making this determination, DOE will consider proposals made by the Subcontractor/Supplier to avoid or mitigate foreign influences.

L. If the cognizant security office at any time determines that the Subcontractor/Supplier is, or is potentially, subject to foreign ownership, control, or influence, the Subcontractor/Supplier shall comply with such instructions as the DOE Contracting Officer shall provide in writing, electronically, to protect any classified information or special nuclear material.

M. The DOE Contracting Officer may terminate this Subcontract for default either if the Subcontractor/Supplier fails to meet obligations imposed by this clause or if the Subcontractor/Supplier creates a foreign ownership, control, or influence situation in order to avoid performance or a termination for default. The DOE Contracting Officer may terminate this Subcontract for convenience if the Subcontractor/Supplier becomes subject to foreign ownership, control, or influence and for reasons other
than avoidance of performance of the Subcontract, cannot, or chooses not to, avoid or mitigate the foreign ownership, control, or influence problem.

N. **Employment announcements.** When placing announcements seeking applicants for positions requiring access authorizations, the Subcontractor/Supplier shall include in the written electronic vacancy announcement, a notification to prospective applicants that reviews, and tests for the absence of any illegal drug as defined in 10 CFR 707.4, will be conducted by the employer and a background investigation by the Federal government may be required to obtain an access authorization prior to employment, and that subsequent reinvestigations may be required. If the position is covered by the Counterintelligence Evaluation Program regulations at 10 CFR 709, the announcement should also alert applicants that successful completion of a counterintelligence evaluation may include a counterintelligence-scope polygraph examination.

O. **Flow down to any Subcontractor/Supplier at any tier.** The Subcontractor/Supplier agrees to insert terms that conform substantially to the language of this clause, including this paragraph, in all Subcontracts under its Subcontract that will require any Subcontractor/Supplier (at any tier) employees to possess access authorizations. Additionally, the Subcontractor/Supplier at any tier must require such Subcontractors/Suppliers to have an existing DOD or DOE facility clearance or submit a completed SF 328, *Certificate Pertaining to Foreign Interests*, as required in DEAR 952.204-73 and obtain a foreign ownership, control and influence determination and facility clearance prior to award of a subcontract. Information to be provided by a Subcontractor/Supplier (at any tier), pursuant to this clause may be submitted directly to the DOE Contracting Officer.

**F.9 RIGHTS IN DATA – FACILITIES**

DEAR 970-5227-1

**F.10 DEAR 952.204-71 SENSITIVE FOREIGN NATIONS CONTROLS (MAR 2011)**

The following is applicable in subcontracts which may involve making unclassified information about nuclear technology available to sensitive foreign nations.

A. In connection with any activities in the performance of this subcontract, the Subcontractor/Supplier agrees to comply with the "Sensitive Foreign Nations Controls" requirements attached to this subcontract, relating to those countries, which may from time to time, be identified to the Subcontractor/Supplier by written notice as sensitive foreign nations. The Subcontractor/Supplier shall have the right to terminate its performance under this subcontract upon at least 45 days prior written notice to Savannah River Nuclear Solutions, LLC (SRNS) procurement representative if the Subcontractor/Supplier determines that it is unable, without substantially interfering with its polices or without adversely impacting its performance to continue performance of the work under this subcontract as a result of such notification. If the Subcontractor/Supplier elects to terminate performance, the provisions of this subcontract regarding Termination for the Convenience of shall apply.

B. The provisions of this clause shall be included in any of Subcontractor’s/Supplier’s contracts/agreements with a subtier supporting Subcontractor’s/Supplier’s performance of this subcontract which may involve making unclassified information about nuclear technology available to sensitive foreign nations.

**SECTION G**

**G.1 AMERICAN RECOVERY and REINVESTMENT ACT of 2009, Pub. L. 111-5, (Recovery Act or Act)**

The following terms are applicable if performance of this Subcontract or Order will require the Subcontractor/Supplier's employee(s) to perform
work under the American Recovery and Reinvestment Act of 2009, Pub. L. 111-5, (Recovery Act or Act.)

A. Segregation and Payment of Costs
Subcontractor/Supplier must segregate the obligations and expenditures related to funding under the Recovery Act. Financial and accounting systems should be revised as necessary to segregate, track and maintain these funds apart and separate from other revenue streams. No part of the funds from the Recovery Act shall be commingled with any other funds or used for a purpose other than that of making payments for costs allowable for Recovery Act projects. Where Recovery Act funds are authorized to be used in conjunction with other funding to complete projects, tracking and reporting must be separate from the original funding source to meet the reporting requirements of the Recovery Act and OMB Guidance. Invoices must clearly indicate the portion of the requested payment that is for work funded by the Recovery Act.

B. Prohibition on Use of Funds
None of the funds provided under this subcontract derived from the American Recovery and Reinvestment Act of 2009, Pub. L. 111-5, may be for any casino or other gambling establishment, aquarium, zoo, golf course, or swimming pool.

C. Wage Rates
All laborers and mechanics employed by Subcontractors/Suppliers and Subtier Subcontractors/Suppliers on projects funded directly by or assisted in whole or in part by and through the Federal Government pursuant to the American Recovery and Reinvestment Act of 2009, Pub. L. 111-5, shall be paid wages at rates not less than those prevailing on projects of a character similar in the locality as determined by the Secretary of Labor in accordance with subchapter IV of chapter 31 of title 40, United States Code. With respect to the labor standards specified in this section, the Secretary of Labor shall have the authority and functions set forth in Reorganization Plan numbered 14 of 1950 (64 Stat. 1267, 5 U.S.C. App.) and section 3145 of title 40 United States Code. See http://www.dol.gov/esa/whd/contracts/dbra.htm.

D. Publication
Information about this agreement will be published on the Internet and linked to the website www.recovery.gov, maintained by the Accountability and Transparency Board (the Board). The Board may exclude posting contractual or other information on the website on a case-by-case basis when necessary to protect national security or to protect information that is not subject to disclosure under sections 552 and 552a of title 5, United States Code.

E. Registration requirements
Subcontractors/Suppliers shall register and maintain an active DUNS number and a current registration in the System for Award Management (SAM), formerly known as Central Contractor Registration (CCR), in compliance with FAR 52.204-7 and Subpart 42.12 of the FAR. In addition, a Subcontractor/Supplier Information Form (SIF) must be completed and submitted with the supplier’s solicitation response.

F. Utilization of Small Business
Subcontractor/Supplier shall to the maximum extent practicable give a preference to small business in the award of Lower tier subcontracts for projects funded by Recovery Act dollars.

G. American Recovery and Reinvestment Act-Reporting Requirements
A. The following Federal Acquisition Regulation (FAR) clauses are incorporated into the contract by reference:

FAR 52.225-21 Required Use of American 
Iron, Steel, and Manufactured Goods—Buy American Act—Construction Materials 
(Mar 2009)

FAR 52.225-22 Notice of Required use of American Iron, Steel, and Other Manufactured Goods—Buy American Act—Construction Materials under Trade Agreement
