**SLA-11 LIMITATION OF FUNDS**

Note: This article is applicable only if this License is partially funded.

A. Of the total price of this License, the sum of $_________ is presently available for payment and allotted to this License. It is anticipated that additional funds will be allocated to the License in
accordance with the following schedule until the total price of the License is funded:

B The Licensor agrees to perform or have performed work on this License up to the point at which, if this License is terminated pursuant to the Termination For Convenience of SRNS article of this License, the total amount payable by SRNS (including amounts payable for licenses and settlement costs) pursuant to the Termination For Convenience of SRNS article would, in the exercise of reasonable judgment by the Licensor, approximate the total amount at the time allotted to the License. The Licensor is not obligated to continue performance of the work beyond that point. SRNS is not obligated in any event to pay or reimburse the Licensor more than the amount from time to time allotted to the License, anything to the contrary in the Termination For Convenience of SRNS article notwithstanding.

C. (1) It is contemplated that funds presently allotted to this License will cover the work to be performed until

(2) If funds allotted are considered by the Licensor to be inadequate to cover the work to be performed until that date, or an agreed date substituted for it, the Licensor shall notify SRNS in writing when within the next 60 days the work will reach a point at which, if the License is terminated pursuant to the Termination For Convenience of SRNS article of the License, the total amount payable by SRNS (including amounts payable for licenses and settlement costs) pursuant to the Termination For Convenience of SRNS article will approximate 75 percent of the total amount then allotted to the License.

(3) (i) The notice shall state the estimated date when the point referred to in subparagraph C.(2) of this clause will be reached and the estimated amount of additional funds required to continue performance to the date specified in subparagraph C.(1) of this clause, or an agreed date substituted for it.

(ii) The Licensor shall, 60 days in advance of the date specified in subparagraph C (1) of this clause, or an agreed date substituted for it, advise SRNS in writing as to the estimated amount of additional funds required for the timely performance of the License for a further period as may be specified in the License or otherwise agreed to by the parties.

(4) If, after the notification referred to in subdivision C (3) (ii) of this clause, additional funds are not allotted by the date specified in subparagraph C.(1) of this clause, or an agreed date substituted for it, SRNS shall, upon the Licensor's written electronic request, terminate this License on that date or on the date set forth in the request, whichever is later, pursuant to the Termination For Convenience of SRNS article.

D. When additional funds are allotted from time to time for continued performance of the work under this License, the parties shall agree on the applicable period of Order performance to be covered by these funds. The provisions of paragraphs B and C of this clause shall apply to these additional allotted funds and the substituted date pertaining to them, and the Order shall be modified accordingly.

E. If, solely by reason of SRNS's failure to allot additional funds in amounts sufficient for the timely performance of this License, the Licensor incurs additional costs or is delayed in the performance of the work under this License, and if additional funds are allotted, an equitable adjustment shall be made in the price or prices (including appropriate target, billing, and ceiling prices where applicable) of the work to be performed.

F. SRNS may at any time before termination, and, with the consent of the Licensor, after notice of termination, allot additional funds for this License.

G. The provisions of this clause with respect to termination shall in no way be deemed to limit the rights of SRNS under the default article of this License. This clause shall become inoperative upon the allotment of funds for the total price of the work under this License except for rights and obligations then existing under this clause.

H. Nothing in this clause shall affect the right of SRNS to terminate this License pursuant to the Termination for Convenience of SRNS article of the License.

SLA-12 PAYMENT BY ELECTRONIC FUNDS TRANSFER

A. Methods of Payment.

(1) All payments by SRNS under this Order shall be made by Electronic Funds Transfer (EFT) except as provided in paragraph A.2 of this Article. As used in this Article, the term “EFT” refers to the funds transfer and may also include the payment information transfer.

Licensor is required to provide SRNS with the information required to make payment by EFT. Licensor shall provide this information directly to the office designated in this Order, on forms provided by SRNS, no later than 15 days after award. In the event the EFT information changes, Licensor shall be responsible for providing the updated information to the designated office.

C. Mechanisms for EFT Payment.
SRNS may make payment by EFT through either the Automated Clearing House (ACH) network, subject to the rules of the National Automated Clearing House Association, or the Fedwire Transfer System.

D. Suspension of Payment.
(1) SRNS is not required to make any payment under this Order until after receipt, by the designated office, of the correct EFT payment information from Licensor. (2) If the EFT information changes after submission of correct EFT information, SRNS shall begin using the changed EFT information no later than 30 days after its receipt by the designated office. However, Licensor may request that no further payments be made until the updated EFT information is implemented by the payment office.

If there are invoice discrepancies, SRNS will relay to the subcontractor/supplier the deficiencies in their invoice within ten (10) days of receipt of the invoice. The invoice will not be acted upon. Receipt of a corrected invoice will re-initiate the aging of the invoice for payment purposes.

F. Liability for Uncompleted or Erroneous Transfers.
(1) If an uncompleted or erroneous transfer occurs because SRNS used the Licensor’s EFT information incorrectly, SRNS remains responsible for --
   (i) Making a correct payment; and
   (ii) Recovering any erroneously directed funds.

(2) If an uncompleted or erroneous transfer occurs because Licensor’s EFT information was incorrect, or was revised within 30 days of SRNS release of the EFT payment transaction instructions to the bank, and –
   (i) If the funds are no longer under the control of the payment office, SRNS is deemed to have made payment and the Licensor is responsible for recovery of any erroneously directed funds; or
   (ii) If the funds remain under the control of the payment office, SRNS shall not make payment and the provisions of paragraph D shall apply.

G. Overpayments. If Licensor becomes aware of a duplicate invoice payment or that SRNS has otherwise overpaid on an invoice payment, the Licensor shall immediately notify SRNS and request instructions for disposition of the overpayment.
