Unload firearms when not in use

- Leave the actions open
- Firearms must be carried empty to and from shooting areas
- Load firearms only at start time
- Never point a firearm at anything you don't plan to shoot

Identify your target and what is beyond it

- Know the identifying features of the game you hunt
- Deer, hogs, coyotes – NO TURKEYS

Keep the safety on until ready to shoot

Never climb a fence/tree or jump a ditch/log with a loaded firearm

Treat unloaded firearms with the same respect as a loaded firearm

No AR platform firearms or handguns

Each hunter is authorized to carry one (1) personally owned 12–20-gauge shotgun with sabot or foster type slugs for the stand hunts.

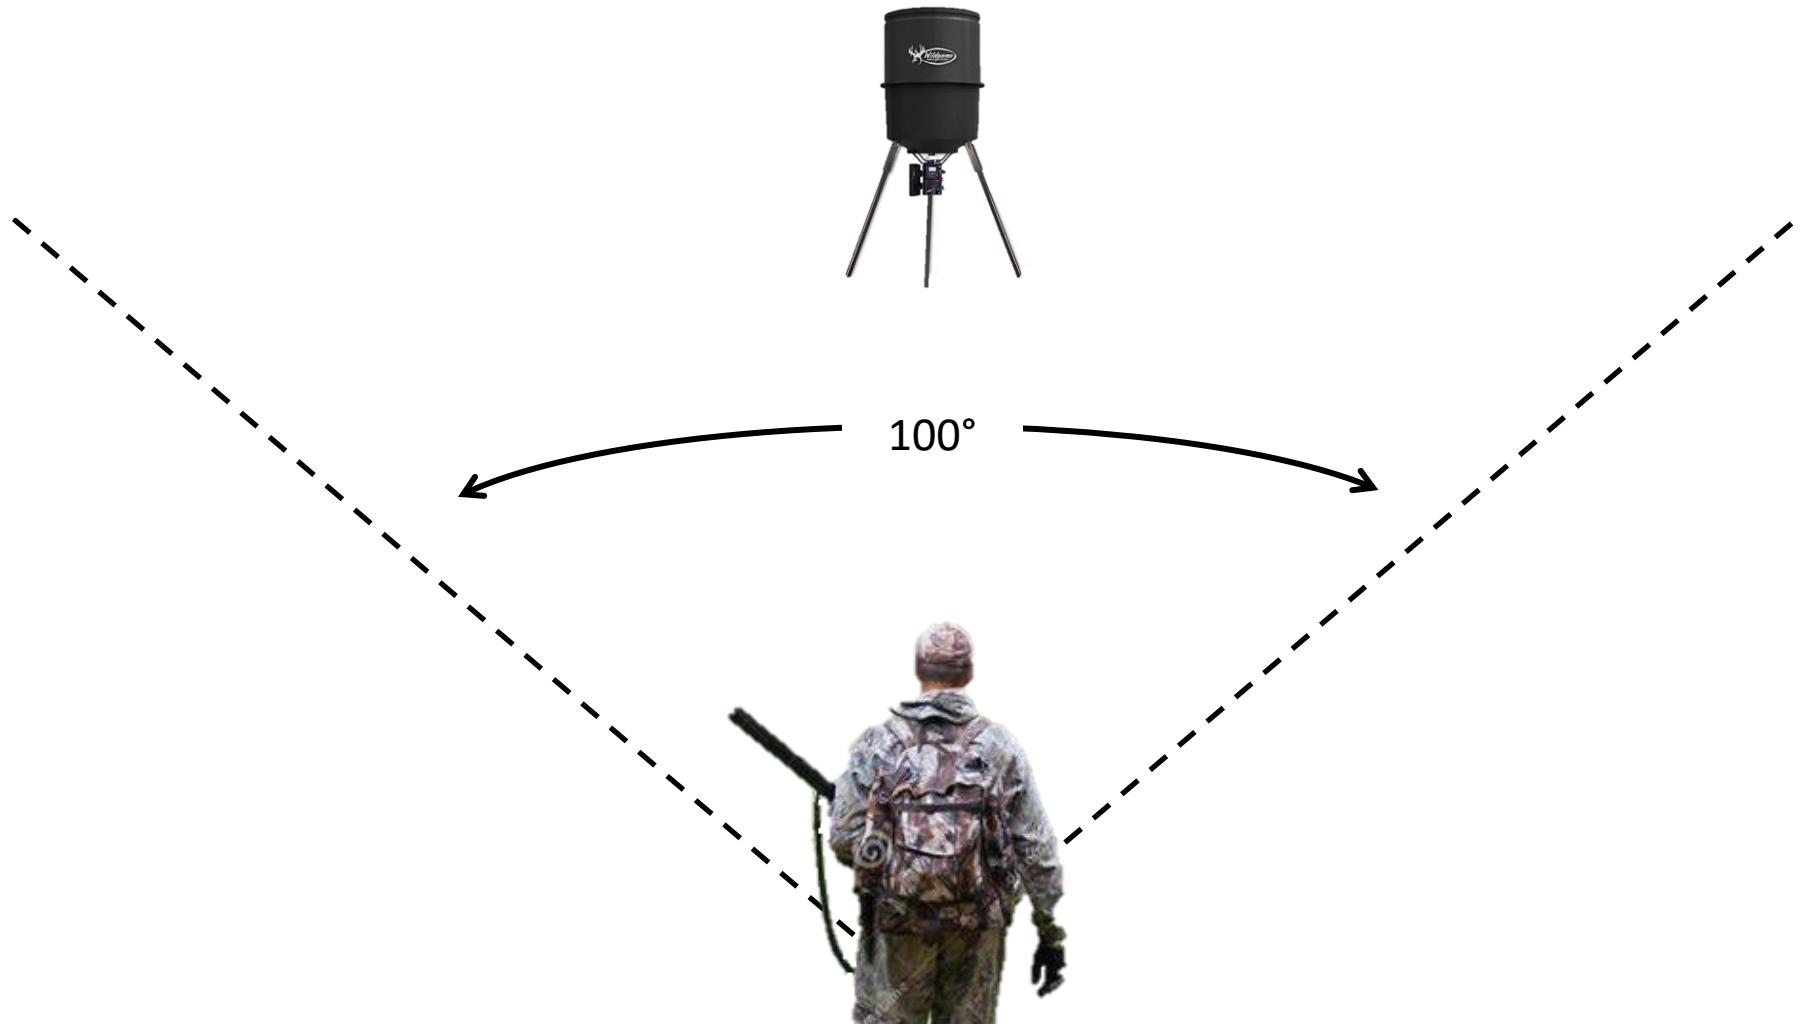

The following “Straight Wall” cartridges are also permitted for stand hunts:

30-30 Winchester
35 Remington
44 Remington Magnum
45-70 Government
350 Winchester Legend
360 Remington Buck-Hammer

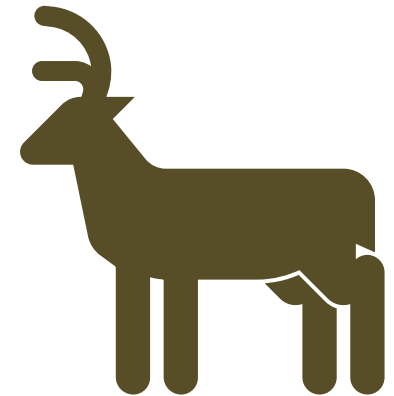

Only **20** rounds of factory ammunition, in the original box, will be permitted

DO NOT SHOOT to the left, right, or behind the stand

- **SRS monitors cesium levels in the environment and in all hogs, deer, and coyotes released**
- **Cesium exist in the Earth's environment from historical atmospheric nuclear testing**
- **Some past SRS operations have resulted in small Cesium releases**
- **Cesium is a radioactive substance**
- **SRS monitors all animals for Cesium-137 content
Animals will not be released should they exceed the 23 millirems limit**
- **Since 1966, only three (3) deer have ever failed conservative release limits**

**Smokers are to properly extinguish cigarette butts;
No littering**

**Any lost firearm will be reported immediately to
SRS Law Enforcement and Hunt Staff**

Know the location of hunters in your area

You are required to remain within **50 yards
of your assigned stand**

**Firearms are not stored on SRS property
and are always attended**

**Take pictures of harvested animals only.
Pictures of facilities, structures, or
security badges are NOT allowed**

**Upon returning to the Deer Hunt
Building, all guns must be immediately
returned to your vehicle**

**Harvested animals will be brought to the
Check Station and then picked up at the
Deer Hunt Building**

**Deer Hunt staff can assist
if needed**

Safety auditors will conduct spot checks to ensure safety rules are being followed

Any observed unsafe act will result in immediate and permanent removal from the SRS Deer Hunts

Harvested animals will be confiscated if a rule violation occurs

If you have a complaint or concern, forms are available at the exit gate

Hunters Responsibilities

All hunters are expected to act as safety auditors and report unsafe acts

Hunt times- no shooting before or after!

- Start time
- End time

ALL Hunters will CHECK OUT at the Deer Hunt Building

The Deer Hunt Staff will notify you in the event of an emergency

If you hear a horn blowing, unload your firearm and immediately report to the check station

In the case of an emergency call:

SRS Emergency Staff

(803) 725-1911

(personal emergency, injury, fire, non-hunters in the area, etc.)

- Firearm and hunter safety is paramount
 - Comply with start and end time
 - Escorts comply to the 50 yard rule
 - No BUCKSHOT
 - Deer, hogs, and coyotes only
 - Respond to emergencies as directed
- Every hunter is expected to act as a Safety Auditor and report safety violations
