## Important news about Affordable Care Act (ACA) 1095-C

### Affordable Care Act (ACA) Form 1095-C Electronic Furnishing & Availability Notice:

In accordance with Internal Revenue Service (IRS) guidance, Form 1095-C statements are being furnished electronically and are available upon request. Form 1095-C provides information about employer-sponsored health coverage offered to you during the applicable reporting year.

Individuals may request a copy of their Form 1095-C at any time by contacting the Service Center at [Service-Center@srs.gov](mailto:Service-Center@srs.gov) or 803-725-7772. Upon request, a copy will be furnished promptly. Paper copies are available upon request at no charge.

### Important Tax Filing Information:

You do not need to wait for or include Form 1095-C when filing your federal income tax return. The form is provided for your records and for informational purposes regarding health coverage.
