SRNS

Professional/Degree-Based Apprenticeship Program

The Savannah River Site (SRS) Apprenticeship Program is a structured workforce development initiative aimed at building a highly skilled, diverse workforce. Through partnerships with government agencies, educational institutions, and local communities, the program provides hands-on training, job-specific education, and professional development for apprentices across three key models.

Gain professional experience with paid, hands-on training through our Professional/Degree Based Apprenticeship Program. Designed for careers in Engineering, IT, and Business Management, this program offers:

- Paid on-the-job training (1,000 hours/year for up to 4 years for some programs)
- Job-related competency development
- A nationally recognized U.S. Department of Labor credential
- Potential full-time employment opportunities at SRNS

Whether you are entering the workforce or earning you associate or bachelor's degree, join us for a structured 12–48-month journey to enhance your field of study.

The 3 P's

$

PAY
earn a **competitive, scalable wage**

PAPER
complete **classroom and on-the-job training** at SRNS and/or with a college/university

POSITION
Over 91% of apprentices enrolled in the SRS Apprenticeship School have transitioned into **full-time positions** at the site.

Entry Requirements
