

CSRA College Night Scholarship Guidelines and Responsibilities

Scholarship Recipients

1. Must be a 12th grade student attending high school. Note: Home school students in county or state qualified programs are eligible.
2. Must be present at the CSRA College Night event to personally register for the drawing. However, the student does not need to be present, during the drawing, to win.
3. Must have a current high school or home school grade point average (GPA) of 2.5 out of 4.0 or equivalent. GPA based on grading system used at the student's school.
4. Only one entry per student is allowed. Multiple entries will disqualify the student.
5. Any disqualification will result in funds remaining in the College Night account and reinvested to create future scholarships.
6. Scholarship winners will be responsible for notifying the College Night Coordinator of any changes prior to award:
 - Name, address and/or phone number changes
 - Changes in attendance of high school

CSRA College Night Committee

1. The College Night Coordinator will:
 - Notify student winners and verify contact information
 - Contact the school (or parent if homeschooled) to verify the student is enrolled as a high school senior and has a GPA of 2.5 out of 4.0 or equivalent.
 - Notify student if student was chosen as a winner but disqualified for violation of scholarship rules
2. College Night Committee will verify one entry per student and disqualify any student with multiple entries.
3. The Aiken Chapter of SCSPE will:
 - Contact winners for distribution of scholarships - checks will be made payable to the student
 - Make interpretations of the rules and determine any necessary rulings
