

SRS Citizens Advisory Board

Membership Subcommittee

Meeting Summary
February 25, 1995
Hampton, S.C.

Members of the Subcommittee present were Julie Arbogast, Jo-Ann Nestor and Beaurine Wilkins. Gerri El of the Department of Energy and Dawn Haygood of Westinghouse Savannah River Company also attended.

The purpose of the subcommittee meeting was to identify candidates to replace the position of public official previously held by Moses Todd.

The Membership Subcommittee reviewed the applications of Stan Freeman, Ken Goad, William Gray and Russ Ferrara. These applications were received in response to advertisements for Board membership by public officials. Board members also discussed the application of Vernon Zinnerman, previously considered for this position. Mr. Zinnerman was to be contacted by Dawn Haygood on Monday, February 27, 1995 to confirm and update his application as a public official.

Board members selected Vernon Zinnerman, Stan Freeman and Ken Goad as the three candidates qualified to fill the vacant position of public official previously held by Moses Todd. William Gray was selected as an alternate candidate.

Board members also received six letters of recommendation for one candidate for the public official position previously held by Harry Jue. These letters were received in response to public notification of the candidates being considered for the position.

The Membership Subcommittee discussed attendance and identified three board members to receive a letter of concern regarding their attendance. The subcommittee determined that should an individual fail to respond to the letter, they will be given notice that they will be considered for removal at the March 28, 1995 meeting of the Board.

The meeting adjourned at 2:45 p.m.
