The Citizens Advisory Board (CAB) Risk Management and Future Use (RM&FU) Subcommittee met on Monday, 7:00 p.m., at the USC-A, Aiken, S.C. The purpose of the meeting was to update the subcommittee on the Comprehensive Plan, the Risk Management Working Group and review the six months schedule. Members of the CAB attending were P. K. Smith, Wade Waters, Barbara Gordon, Lola Richardson, Beaurine Wilkins, and Maria Reichmanis. Members of the public in attendance were Sam Booher, Jerry Devitt, Lynn Waishwell and Patricia McCracken. Gary Little from the Department of Energy Savannah River Operations Office (DOE-SR) attended as the Associate Deputy Designated Federal Official. Tom Rolka attended as a representative of the South Carolina Department of Health and Environmental Control (SCDHEC). Laurie Hunt attended as a representative of the Environmental Protection Agency. Jim Moore attended as a member of Westinghouse Savannah River Company.

P. K. Smith, Chairperson, welcomed all those in attendance and reviewed the agenda.

P. K. Smith stated that DOE-SR and WSRC were requesting assistance in development of the SRS Comprehensive Plan. On July 15, the Subcommittee decided that they would prefer reviewing initial drafts of the plan she said. Sam Booher asked to be included in the review of the drafts of the plan. Ms. Smith stated that the pyramid flow chart of the plan was requested for the next RM&FU Subcommittee meeting scheduled for August 19 at the North Augusta Community Center. She stated that questions related to the plan could be addressed to Chuck Borup, DOE-SR, (803) 725-1579, or Chris Noah, WSRC (803) 725-5997.

P. K. Smith reviewed the makeup the Risk Management Working Group. It was suggested by several in the group that anyone interested should get involved in a team of their choice. Ms. Smith mentioned that the next meeting of the full Risk Management Working Group is scheduled for August 5, at the Holley House in Aiken. Gerald Devitt requested to be on Team C.

P. K. Smith reviewed the six months schedule of the RM&FU Subcommittee and asked for other issues that needed to be discussed in the future meetings.

P. K. Smith opened the meeting for public comment. Sam Booher asked about the status of the recovery of the 700 Carolina Bays on the site. He stated that at a meeting he attended, SREL

planned to restore 18 of the Carolina Bays. Mr. Booher was concerned about the status of the others. There was further discussion regarding Carolina Bays.

Ms. McCracken asked about the purpose of the site. She stated that she had tried to find out but was always told the information was classified. P. K. Smith recommended she submit a public comment sheet addressing her question.

Mr. Booher asked about the answers to public comments on the National Accelerating Cleanup: Paths to Closure (ACPC). He noted that answers to the public comments were included in the Site ACPC but not in the National ACPC.

P. K. Smith adjourned the meeting.
