Welcome & Introduction

S&LM CO-Chair, Marolyn Parson, led the S&LM committee update, listing the committee's three open recommendations, which included 277, 272, and 261. She said she would ask S&LM Chair Jerry Wadley about the issue of public tours.

PRESENTATION: 3rd Quarter SRS Performance Measures-Rich Olsen, DOE-SR

Mr. Olsen provided the purpose of his presentation, and listed the major areas in EM Site Clean-up. He referred to a graph of progress towards the Environmental Management (EM) Mission Achievement through May FY2011. He then referred to a graphical analysis and lifecycle projections of Liquid Waste. He said the targets are based on the Liquid Waste System (LWS) Plan, Rev. 16. Mr. Olsen referred to graphical analyses and lifecycle projections of nuclear materials, solid waste, and Area Completions. He referenced the EM Performance Measures through May FY2011. He then summarized by stating DOE-SR will continue to develop lifecycle graphs for the key operational areas of EM operations. He welcomed suggestions from the CAB for additional improvements.

PRESENTATION: Historic Preservation-Paul Sauerborn, SRNS

Mr. Sauerborn outlined his presentation's agenda. He provided information on the National Historic Preservation Act (NHPA) of 1966, and listed U.S. laws, regulations, and orders for the Protection of Cultural Resources. He reviewed the three steps in which compliance with the NHPA is achieved, and overviewed the Cultural Resources Management Plan (CRMP). He listed the Cold War Historic Preservation Program's accomplishments, and discussed support for the SRS Heritage Foundation. He listed ongoing activities with the Foundation. Mr. Sauerborn also reviewed curatorial activities and future deliverables.

Caroline Bradford, SRNS, then gave a hands-on presentation with an artifact.

The next SL&M Committee Meeting will be held on Tuesday, August 16, from 7:30 p.m. until 9:00 p.m., at the DOE Meeting Center in Aiken, SC.
