Environmental Management Cleanup Program: Work Scope Descriptions & Glossary of Terms

May 21, 2012

enterprise•srs

Purpose

- Provide to the Citizens Advisory Board a reference document for the EM Cleanup Program and associated performance metrics.
 - A request for such a document was made at the March 26-27 CAB meeting.
 - The intent of the document is to provide high level, yet informative, descriptions the various cleanup activities as well an understandable glossary of terms.

Document Format

Work Scope Descriptions & Glossary of Terms

Table of Contents

Liquid Waste

Solid Waste
