

Waste Management Committee

Savannah River Site
Citizens Advisory Board
Oct 29, 2012

Waste Management Committee Members

- Ed Burke, Chair
- Stan Howard, Co-Chair
- Cleveland Latimore
- Rose Hayes
- Earl Sheppard

Recommendations for Consideration Today

1. Concerns regarding interim storage of commercial spent nuclear fuel and other nuclear wastes and materials at the Savannah River Site
2. Tanks 18 & 19 Backfill
3. Trial Storage Program For SRS High Level Waste Canisters
4. Separation of National Nuclear Waste Programs (Defense Nuclear Waste and Commercial Power Nuclear Waste)
