

Presentation to SRS CAB

# South Carolina Governor's Nuclear Advisory Council

Karen Patterson  
September 23, 2013

# Purpose of the Council

The Council is charged with advising the Governor on issues pertaining to nuclear activities in South Carolina and other duties that may be requested by the Governor.

# Authorizing Statute

South Carolina Code of Laws, Title 13 –Planning,  
Research and Development

Chapter 7, Nuclear Energy

Article 9, Governor's Nuclear Advisory Council

Section 13-7-810. There is hereby established a Governor's Nuclear Advisory Council which shall be responsible to and report to the Governor.

Section 13-7-820. The duties of the council, in addition to such other duties as may be requested by the Governor, shall be:

(1) to provide advice and recommendations to the Governor on issues involving the use, handling, and management of the transportation, storage, or disposal of nuclear materials within South Carolina, or such use, handling, transportation, storage, or disposal of nuclear materials outside of the State which may affect the public health, welfare, safety, and environment of the citizens of South Carolina;

(2) to provide advice and recommendations to the Governor regarding matters pertaining to the Atlantic Compact Commission;

(3) to provide advice and recommendations to the Governor regarding the various programs of the United States Department of Energy pertaining to nuclear waste;

.
