Leadership

Meeting Minutes:

Savannah River Site (SRS) Citrus Advisory Board (CAB) - Combined Committees Meeting
Angela Georgia
March 18, 2014

Monday, March 14, 2014 Attendance:

CAB

CEOs

IDF

SRE

SRS

CAB Participants: Jackie Valentine, NOVA welcomed everyone to the meeting. She reviewed the day’s outcomes and Standing Rules of Conduct. She stated a public comment period was scheduled for the end of the meeting and reminded everyone to access electronic copies of meeting materials through the CAB website. She said the 3rd Board meeting of the year will be held on April 15, 2014.

CAB Chairperson welcomed everyone to Augusta, Georgia (GA). She thanked the CAB Support Team for the meeting arrangements and opened the meeting.

Discussion/Overview: Doug Harris, DOE-AR

In 2014, Harris, Director of Savannah River Site (SRS) DOE, welcomed the new CAB members and led the discussion of the fiscal year (FY) 2015 budget. He provided information on the FY 2014 President’s Budget request, which was renewed on March 18, 2014. He said a copy of the President’s Budget request was available online at energy.gov and that it included support for the Savannah River Site (SRS) DOE-AR budget. He provided a draft of the FY 2015 budget, which included funding for the Office of Environmental Management. He provided a chart of the new SRS DOE-AR budget and discussed the Office of Environmental Management’s budget.

CAB Chairs welcomed everyone and opened the meeting.
Technical Growth
Educational Outreach
Conclusion

- The young generation is ready and willing to successfully execute the current missions at SRS
- We are also developing new skills that will allow us to meet future challenges and new missions that benefit our nation
- The future of SRS is in good hands
