Ms. Ann Loadholt, Chair  
Citizens Advisory Board  
P. O. Box 365  
Barnwell, SC 29812  

Dear Ms. Loadholt:

SUBJECT: Citizens Advisory Board (CAB) Recommendation Number 71 – Closure of the Old Radioactive Waste Burial Ground

Thank you for submitting the subject recommendation regarding closure of the Old Radioactive Waste Burial Ground. We welcome the formation of a focus group to enhance public participation in the decision-making process for the closure and remediation of the impacted groundwater. The project manager responsible for environmental restoration activities at the burial ground complex will serve as our representative on your focus group and will coordinate Savannah River Site support.

If you have any questions, please contact me or Cynthia Anderson at (803) 725-3966.

Sincerely,
