Dear Ms. Loadholt:

**SUBJECT:** Citizens Advisory Board Recommendation Number 87 – Proposed Permit Modification Mixed Waste Management Facility (MWMF) at the Savannah River Site (SRS) Under South Carolina Hazardous Waste Management Regulations and Resource Conservation and Recovery Act (RCRA)

Thank you for submitting the subject recommendation. We appreciate your review of the draft RCRA Part B Permit Module for the SRS, MWMF Post-Closure. Your comments will be considered as we discuss the final conditions of this permit modification with the South Carolina Department of Health and Environmental Control (SCDHEC). The public comment period for this proposed permit decision recently closed so discussions with SCDHEC are expected to occur very soon.

We appreciate your continued focus on the cleanup of SRS. If you have any questions, please call me or Cynthia Anderson at 803-725-3966.

Sincerely,
