

# Safety and Security

## Why is our Safety and Security Culture Important to You?

We believe in executing all aspects of our work with an unwavering commitment to safety and security to ensure that SRS has an enduring mission.

### *Did you know?*

*Approximately 90 percent of the 10,000-person SRS workforce call the CSRA home?*

Radiological Controls Teach-In at Aiken Middle School inspire local children to consider careers in the nuclear industry.

Ongoing employee communications keep safety and security matters at eye-level.

"Safety and Security" is a core value at SRS and is a critical component of how we conduct all aspects of our work. This commitment is also carried with us into the community.

SRS employees give back through volunteerism. In every case, our safety and security knowledge is an integral part of the work we do to improve our community.
