

# Safety and Security

## A Recognized Industry Leader in Safety Performance

Safety and security are core values at SRS. Our safe and secure performance of work is the overriding priority to protect employees, the public and the environment. Some of our noteworthy safety and security accomplishments include:

### By the Numbers

- More than 24.8 million safe hours worked and counting (SRNS)
- More than 27.4 million safe construction hours worked and counting (SRR)
- SRNS President and CEO, Dwayne Wilson, recognized by the National Safety Council as a 2014 CEOs Who “Get It”
- 14<sup>th</sup> DOE-Voluntary Protection Program Star of Excellence Award (SRS)
- National Safety Council’s 2014 Occupational Excellence Achievement Award for Operations and Construction (SRS)
- 2014 South Carolina Manufacturers Alliance Plant Safety Award (SRNS)
- 2014 South Carolina Chamber of Commerce Commendation of Excellence Award (SRNS and SRR)
- National Safety Council’s 2014 Industry Leader Award – Operations (SRNS)
- South Carolina Department of Labor, Licensing and Regulation Safety Achievement Award (SRNS and SRR)
- National Safety Council’s Superior Safety Performance Award – Construction (SRR)
- 2014 National Safety Council Rising Star of Safety Award - SRNS’ Rachel Kumar
- 2015 Voluntary Protection Programs Participants’ Association Safety and Health Achievement Award

*SRS employees (from left) Jerry Johnson and William Robinson of SRNS, along with Rex Brown of SRR, were recognized by DOE-SR with letters of commendation for their swift response and life-saving actions that saved the life of a man on the morning of Christmas Eve 2013.*

*SRNS’ Rachel Kumar (below center) was selected as a National Safety Council 2014 Rising Star of Safety recipient for exemplary performance and commitment to excellence in preventing occupational injuries at the Savannah River Site.*
