Site ALARA Committee Meeting Minutes

The Site ALARA Committee and Change Control Board Teleconference was held at 2pm.

Rollcall was performed and Quorum was met for the SAC and CCB. (See Attached)

1) Introduction: Greg Tunno

Greg welcomed everyone to the meeting.

2) Environmental ALARA : Teresa Eddy

Teresa presented the Liquid Discharges ALARA guide status for September 2017 and the Air Emissions ALARA guide status for September 2017. She requested approval for an increase in the Airborne emission for C Area (See attached). Request was approved by the board.

Teresa also presented the 2018 Liquid and Airborne ALARA goals for approval. Board requested that the Environmental committee revisit the goals to make them more challenging.

3) Review of 3rd Quarter Performance: Pamela Powell

3rd Quarter PI were reviewed (See Attached)

4) Review of +/- 25% Discrepancy: Facility Representatives

(Note: All doses are in rem)
