

Acknowledgements

Environmental Compliance and Area Completion Projects within the Savannah River Nuclear Solutions, LLC (SRNS), produces this document. Savannah River Site (SRS) acknowledges with deep appreciation the efforts of the following individuals, who provided valuable resources, information, technical data, or management, administrative, field, or other support for the *SRS Site Environmental Report 2024* (contributors are with SRNS unless otherwise noted):

Joshua Adams	C. Jason Durden	Cap Nguyen
Carl (Trey) Anderson, III	Brandon Gacuzana	Logan Plueger
Richard Andrews	Jason Hyer	Alan Ryder
John Arena, III	Chris Joyner	Kristie Steelman
Danny Banks	J. Scott King	Matthew Wanta
Jesse Baxley	Ryan Maxwell	Heather Williamson
Kane Bice	Lisa McCullough	Anthony Wilson
Brittney Boehnke	Sam McGill	Elizabeth Wooten
Elizabeth Booth, SRMC	Grace Miller	
Beth Connell	Winston Moore	

Special thanks to Amanda Hurst and Katrina Ford of the University of Georgia's Savannah River Ecology Laboratory for their contributions; and to Josef Orosz and Tal Mims, of the U.S. Department of Agriculture Forest Service-Savannah River, for providing support material and photographs.

Thanks to Jeff Bussey and Robert Seremak for providing computer hardware and software support. Thanks to John Lowery and the personnel involved in the Scientific and Technical Information review for approving the release of this document and all supporting documents and to Corporate Communications for reviewing and assisting with notifying the public, media, and stakeholders of the availability of this report. Marvin Stewart is acknowledged with appreciation for providing Internet expertise and computer software support. Thanks to Catherine Thomas, North Wind, for designing the cover.

Appreciation is extended to the *SRS Environmental Report Team* members, who, individually and as a group, dedicated a large portion of their time and attention to seeking out, collecting, and confirming the information that went into this report.
